

HIGH SCHOOLS TO DO BATTLE TODAY

Washington and Lincoln Will Settle Interscholastic Championship.

FOOTBALL RIVALRY KEEN

Both Teams Are in Pink Condition and Fast, Hard Game Is Expected, Despite Foggy Condition of Field.

Pronounced in fit condition for the battle of their careers through dint of much hard work and consistent practice, the Washington High School and Lincoln High School football teams, contenders for the championship of the interscholastic league, are ready to take the field this afternoon at Recreation Park, despite the heavy rain of yesterday.

To give the boys just the right finishing touches, Coach Earl, of Washington, believes that because his boys have their teams light signal practice and some drilling in punting, forward passing and formations against these plays last night. Notwithstanding the heavy ball and foggy field, the teams expect the use of the forward pass to net them yardage.

Locally the game is creating more interest than any game played in the city this year. It being the topic of conversation among all the students of the preparatory schools of the city. Parents of the pupils, also, are taking interest in the game. The rivalry between Lincoln and Washington is greater than between any school or colleges of the state.

Both Coaches Confident.

Naturally, both coaches think their teams will win. Coach Earl, of Washington, believes that because his boys have a shade in experience and a shade in weight over the Lincolinites they should win. Displaying confidence in the team's ability, adherents of Washington are offering slight odds on the game. By the time for the game to begin, it is thought the odds will be 4 to 3 and 2 to 1 with Lincoln on the short end.

Washington beat Lincoln in their regular annual game, 5 to 0. However, since that game, Lincoln has improved wonderfully and has hopes of turning the tables this time. Last year Washington beat Lincoln, in fact, during the last several years Washington has been winning from Lincoln in every branch of athletics, except basketball. A victory for Lincoln is grand finale to such a hard season is the highest ambition of Lincoln players and students.

Anson Cornell, the doughy little quarterback for Washington, who has held undisputed supremacy in that position for four years, will play his last game in a high school suit today. His fertile brain has been busily engaged in planning his attack on the Lincoln team today and he promises a terrific game. Several other players will wind up their high school football careers in the game today.

Rooters Are Ready.

Edgar Piper, Jr., yell leader of Lincoln High School, has been busy for the past week drilling his rooters. The game will be a battle as well between the rooters of Washington and Lincoln. The Lincoln High School band will furnish music for the rooters.

Referee Warner, coach of the University of Oregon, will call the teams together promptly at 2:30. Referee Warner will be supported by G. M. Fairweather, of the University of Illinois; Bill Hunt, of Cornell; and H. J. Boyd, an subordinate official. Fifteen-minute quarters will be played. The lineup of the teams and their weights follow:

Table with columns: Name, Position, Weight. Lists players for Lincoln and Washington.

INDOOR BASEBALL SEASON ON

Company B and Columbia Teams Will Play Tonight at Armory.

Indoor baseball at the Armory is now on in full swing and Company B and Columbia Hardware Company will play tonight. Several games have been played in the indoor league and with one or two exceptions have been closely contested. A great many players of baseball on the real diamond are playing the indoor game to keep in condition for next year's play. In the big drill hall at the Armory, the games are played on a diamond just one-half the regulation baseball size.

Defeat of Star Actor Surprises

OAKLAND, Dec. 2.—Showery weather prevailed at Emeryville today, but the track was not seriously affected. The defeat of Star Actor in the feature event came as a surprise. He failed to finish inside the money. Edgin won from Captain Burnett by a nose. Schilling, just arrived here, rode Tim Judge to victory. Results: Five and half furlongs—Tim Judge won, 1:57.5. Six furlongs—Quality Street won, Miss 2:07. Seven furlongs—Servant won, Prudent 2:18. Mile and three-sixteenths—Edgin won, Captain Burnett second, Molesey third, time, 3:12.5.

WRIGHT IS VICTOR IN BILLIARD MATCH

Duniway No Match for San Francisco Expert—Score Is 1200 to 488.

HIGH RUN OF NIGHT IS 76

Visiting Player Is Wizard With Cue and Three Blanks in Row Alone Prevent Setting New Pacific Coast Record.

By playing great billiards and executing some marvelous mass shots at critical periods in the last of his three night's tourney with W. C. Duniway, of Portland, H. A. Wright, of San Francisco, concluded his third string of 400 points at the Waldorf Billiard parlors and won out by the total score of 1200 to 488. Duniway was suffering from a cold, and this undoubtedly marred his work, for he fell down greatly in his playing and succeeded in scoring but 107 points in 20 innings, while Wright ran out in 21 innings. The breaks also seemingly went against the Portland man, though Wright frequently started ripples of applause by executing an especially difficult shot in opening a long run. The San Francisco expert opened the night's play by making a run of 41, finishing off his uncompleted run of the previous night. In making this run he carefully nursed the balls in dexterous manner, and as he completed shot after shot the big crowd craned their necks in eagerness to watch each move of the ex-champion.

Wright scored an average of 19.1-21 for his last string, which betters his average of 18.2-11 made on the previous night, and demonstrates that he is one of the cleverest billiardists in the West.

High Run Is 76.

His high run last night was 76, which does not equal his runs of 81 on the opening night, and 79 on Thursday night, but it was one of the most sensational runs of the series, for he was compelled to execute more difficult shots in this run than on any other occasion.

Mass shots were executed as neatly and cleverly as though such were merely a pastime, and in putting through bank shots the San Francisco man was proved adept. Wright scored three blanks in a row at his thirteenth, fourteenth and fifteenth innings, and had it not been for this slight setback, his average would have been set a high mark in billiards on the coast. In the thirteenth inning he miscued, as had Duniway a few innings previously. However, in the sixteenth inning he made up for the three misses by scoring a run of 51, and on his next attempt ran up 55 more points.

In addition to the two runs mentioned and his high run of the last game, Wright ran 21, 24, 28, 16 and 18, and completed his string of 1200 points with an uncompleted run of 5 points.

Fancy Shots Shown After Game.

The visit of "Chick" Wright has stimulated interest in billiards to a marked degree, and at the conclusion of last night's play he gave exhibitions of his skill in maneuvering the ivory. He performed all the feats which are the province of billiardists who appeared at the Orpheum this year and duplicated many of the shots shown by Willie Hoppe when that billiard star was in Portland a short time ago.

NELSON CHANGES PLAN

'BATT' TO MEET SECOND-RATERS AND THEN TRY WOLGAST.

Ex-Champion to Quit if He Fails. Lawsuit to Be Settled, Then Comes Conditioning.

SAN FRANCISCO, Dec. 2.—(Special.)—Battling Nelson has arranged a somewhat different programme for himself than he had mapped out just after his defeat at the hands of Owen Moran.

At that time the Dane was "strong" for a bout with Wolgast, conceding there was a possibility that he might have to take on a return engagement with the Englishman. This week has given Nelson plenty of time for reflection, and now he proposes some elimination bouts just to prove to himself and the public that he is as good as ever. The second and third-raters are to be given a chance, according to Nelson, and if he can't beat them, he will be ready to cry "quits" for good.

If his plans work according to schedule, Nelson will be in California after the East, via Los Angeles. He wants to stop in Los Angeles, and after that spend a week at his ranch in New Mexico. From O-Bar he will hasten on to Chicago, where he has some business matters and a lawsuit pending. Nelson is determined to demand the impossible—a match at once with Ad Wolgast.

The suit that the Battler mentions in Chicago is against the hotel on the ground that it refused to take him in as a paying guest. The case has been dragging along for some months, but Nelson says he is determined to have it settled and has instructed his attorney to have it set for trial at once.

MEMBERS OF VARSITY FOOTBALL SQUAD CHOOSE STAR PLAYERS.

UNIVERSITY OF OREGON, Eugene, Dec. 2.—(Special.)—The "O" men of the varsity football squad met informally tonight and chose William Main, of San Francisco, to captain the 1911 eleven. Main is a junior and is registered in the engineering department. He is a prominent member of the Sigma Nu fraternity at Lick High School, in his home city, he made the all-academic football team three successive seasons and in his senior year was captain of the championship team of California. Since coming North "Bill" has starred at tackle and fullback and was this season chosen on several All-Northwest selections.

PEKIN, Dec. 2.—As a result of the extraordinary agitation of recent months by Chinese anti-opium societies, the Imperial Senate today almost unanimously passed a resolution looking to the extermination of the drug. The inter-provincial transportation of opium will be abolished in the sixth moon (July, 1911) of the coming year, and the planting of opium in the provinces will be prohibited in the twelfth moon (January, 1912). The Foreign Board is also enjoined in the resolution to accede to the abrogation of the opium treaty with Great Britain and to prevent further importation from India.

TRACT SOLD FOR \$60,000

Cash Is Paid and 80-Acre Tract Will Be Subdivided.

Sixty thousand dollars cash was paid yesterday for an 80-acre tract on the Barnes Road, within the three and a half mile circle, by G. C. Rushing, a banker of Walnut Springs, Texas. The property was bought from J. C. Kurattl and E. G. Kurattl and the transfer was negotiated by the National Realty & Trust Company.

Mr. Rushing announced last night that he would prepare plans immediately for subdividing the property and selling it for building sites. The situation is considered attractive. It will be touched by the new Mount Calvary line of the United Railways.

"I have visited Seattle and other cities in the Northwest the past few weeks and find that Portland is far ahead of them all," said Mr. Rushing. "Portland has a great future and it appears to me that the city is just on the eve of a remarkable growth. The city has a great country behind it. I believe Portland offers more attractive investment offerings than any city on the coast."

THE PURE FOOD LAW—A MAGNIFICENT VICTORY

Never was such a law more needed than in this country, nor more welcome than to us, who have suffered enormously from the fraudulent imitation of popular labels. This law, some years ago, would have saved us hundreds of thousands of dollars. Yet, to our amazement, a law designed to protect honest manufacturers no less than the public, was immediately made the pretext for an attack upon our world-wide and previously unimpeached reputation. After a costly contest, lasting four years, we have gained a signal and complete victory: in doing which, we have also shown that the law is the just measure it was intended to be.

We have not, as the public has been led to believe, obstructed the PURE FOOD LAW nor opposed the views of the GOVERNMENT. We have simply resisted a mere Bureau's usurpation of authority, and its novel and preposterous theories, submission to which would have driven us out of the American market.

The story is almost incredible, and difficult to tell briefly; yet, in justice to ourselves, and to the patrons who have remained so splendidly loyal to us, we must outline the facts.

For generations, the one universally recognized impurity of Whisky has been FUSEL OIL, which we have always removed by distillation. The Bureau referred to, as late as 1904, insisted that to be "good for consumption" Whisky must have practically no FUSEL OIL.

Kentucky "Straight Whisky," when new, is rank with FUSEL OIL, but the makers always assured consumers that this noxious impurity was transformed by age into delightful ethers, etc. A few years ago it was found that age makes no change in the FUSEL OIL except to remove its vile odor. The Kentucky distillers, knowing well the aversion to FUSEL OIL, were in desperate straits; so they boldly declared that REAL Whisky new or old, must contain all the FUSEL OIL, and denounced all REFINED WHISKY as a base imitation. And the Bureau backed them up.

This is no pleasantry, but sober fact. CANADIAN CLUB WHISKY was condemned, solely because it contains practically no FUSEL OIL.
