EVENT NOVEL ONE HERE

Nothing of Kind Ever Attempted on Pacific Coast by Fair Sex at This Season of Year-Many Will Leave This Morning.

who are to participate in the swimevents scheduled for Gearhart

Not only is this swimming carnival novel for the reason that only woman are slighble to compete for the priress offered, but also for the fact that nothing of the kind has ever before been attempted at this season of the year. In little over one year, Arthur Cavill, swimming instructor of the Multnomah Amateur Athletic Club, has Jeveloped so many excellent swimmers among the feminine members of the Club, that it was a comparatively easy Fabre, in Multnomah's forward diviclub, that it was a comparatively easy matter for him to arrange for this con-

Plan Rejected Last Year.

When the proposition of swimming in December was first mentioned to the women in the club last Winter, it met with little favor, and so few members volunteered to swim the Willamette River on Christmas day that the handsome Oliver King Jeffery cup offered for the women's prize was hung up. But it will be competed for at today's centests at Gearhart l'ark. The situation this year has changed entirely, and where there were but two or three contestants ready to swim last year, more than 25 women will contest for the trophies this afternoon.

Many Women Will Swim.

Among the prominent members of Among the prominent members of the women's classes at the Multnomah Club who have signified their intention of swimming today are Mrs. Frank E. Watkins, Mrs. Waiter Holman, Mrs. Oliver King Jeffery, Mrs. W. P. Strandberg, Mrs. Harry Young, Mrs. Harry Kadderly, Mrs. M. Hopson, Mrs. Cella Wagner, Miss Gladys Howard, Miss Grace O'Nelli, Miss Mamie McKinnon, Miss Frances Jeffery and Miss Hazel Wostermeyer. All of the above named are among the most enthusiastic members of the Women's Annex, and all of them are capable and enthusiastic swimmers.

This afterneon's programmy will footnote the indoor Baseball League position in the Indoor Baseball League tonight in its game with the Vancouver solders. On the other hand, the wearers of the Army blue will come to Portland in better condition than at any other time this season.

Elmer Davis, the crack catcher, has arrived in Portland and will do the backstopping for the rubber men. Bob Fordney will twir! for Gorham. Another annexation to the ranks is Weisendanger, the sensational hitter of last week. Sergeant Fennie will pitch for Vancouver. Following is the personnel of the two teams:

annex, and all of them are capable and enthusiastic swimmers.

This afternoon's programme will comprise the swimming contests for the prizes offered by the Multinomah Amateur Athletic Club, and including the Oliver King Jeffery cup, which latter trophy is for the winner of the 160-yard awim. For the 50 yards awimming event, a fine gold medal is offered as first prize, while similar trophies are offered for the fancy swimming and diving contests.

Besides the first prizes, second place in every event will also be recognized by the club, for the squatic committee of the Multinomah Club realizes that this is one of the most novel events ever attempted anywhere in the West, and it is hoped to make it successful.

Baseball Presidents Hear Fletcher Is Losing Ground.

NEW YORK. Dec. 2.—The gathering of the big baseball magnates for their annual meeting here next week is believed likely to develop the status of the third league baseball project. If the reports of ground lost by Fietcher in his efforts to corral star players or secure their support for the called outlaw circuit are confirmed when the magnates get together, there is said to be little likelihood of official cognizance being taken of the third league proposition.
