Each apartment will have the kitchen, living and dining-rooms on one floor, while the skeeping apartments and baths will be itects. and dining-rooms on one floor, while the sleeping apariments and baths will be on the floor above, the separate apari-ments being counseled by individual statrways. Thus all bedrooms will be on the second and fourth floors, while the first and third stories will be given up to the living quarters. The basement will contain a few apariments, in addi-tion to the janitor's quarters. Directly across the street, on the southwest corner of Lauretta and Ever-ett, Mrs. A. M. Williams will erect a four-story brick apariment which it is estimated will cost 300.000. Flans pre-pared by Claussen & Chausen are now being checked over in the Building In-spector's office. MacNaughton & Raymond have pre-pared plans for a five-story annex, 50 by 160 feet, to F. M. Warren's apartments, now under construction at Tenth and Scimon streets. It will contain only two-room apariments and the two wings will be separated by a 19-foot court. Work will be started soon after the building now under way is completed, early in February.
