NEW COUNTY CARELESS

EXPERT FINDS SHORTAGES IN OFFICIALS' BOOKS.

Illegal Claims Are Allowed and Fees Unaccounted For—Payments Are Made on Demand.

OLYMPIA, Wash., Dec. 19.—(Special.)—Grant County, the baby county of Washington, organized as the result of a bill passed by the last Legislature, in the first two years of its existence has shorted. Illegal claims allowed and fees unaccounted for in the sum of \$1829.25, according to the report of the examiners of the State Bureau of Inspection. The checkers have completed their task and the report has been filed with the Attorney-General. The checkers brought to light the fact that W. G. Matthews, employed to copy the records of Douglas County, from which Grant was separated, has been overpaid in the sum of \$200, and upon demand this money has been returned to the County Treasurer. The Auditor was shown to have neglected to turn in \$4 for marriage licenses he issued, the clerk was short \$20 in fees and has retained \$26.50 collected for naturalization papers; the Sheriff was short 46 cents and failed to collect \$15.25 due in fees, while the County School Superintendent was short \$2.15. The three County Commissioners allowed themselves \$22.40 for extra sessions without having the same audited by the Superior Court, as provided by law. Their claims were as follows: M. F. McAnulty, \$24.30; John Erickson, \$11; and R. W. Heathman, \$32.70.

Evans Found Guilty at Goldendale. GOLDENDALE, Wash., Dec. 19.—(Special.)—After being out 15 minutes the jury brought in a verdict of guilty, in the case of Evans, charged with running a blind pig at Bingen. The

prosecution had a clear case. The judge fined him \$50 and costs, it being his first offense. Evans is being held pending the payment of the fine.

LETTERS HELD TEN DAYS

Delivery Postmasters Got New Order From Washington.

Hereafter all letters bearing a return address which do not specify the time for returning the letter will be held by the delivery postmaster 10 days. They will then be returned to the sender. Assistant Postmaster Williamson said yesterday that this information was conveyed to the local office, in the daily postoffice bulletin from Washington, D. C. It was formerly the custom to hold such mail 20 days. Two weeks ago the department cut the time to 5 days, which materially lessened the labor of handling mail throughout the United States. Five days has evidently been found to be too short a time.

Baker Boosters Busy.

BAKER, Or., Dec. 19.—(Special.)—Baker Commercial Club has received the first shipment of 125,000 handbooks, prepared by the Homeeekers' Department of the O. R. & N. 7x12 inches, embossed in blue and gold, and containing beautiful illustrations of Baker County scenes. Manager Ashley states inquiries increase daily and his office force is busy.

Wallowa Wants New Charter. WALLOWA, Or., Dec. 19.—(Special.)—Efforts are being made by the City Council to pass a new charter, enabling the city to bond for larger sums, thus to reduce the warrant indebtedness and make civic improvements. The special tax levy for 1911 is 10 mills; school district levy, 3 mills; county levy, about 11 mills.

Manufacturers now form, for the first time in the history of our commerce, more than one-half of the total exports of the United States.

CUDAHY FORTUNE BIG

LATE MEAT PACKER'S ESTATE VALUED AT \$11,000,000.

Will Made Six Years Ago Leaves Widow \$30,000 Annuity and \$500,000 Later in Settlement.

CHICAGO, Dec. 19.—Michael J. Cudahy, founder of the Cudahy firm of meat packers, left an estate worth \$11,000,000, according to the will which was made public today. Of this sum, \$5,000,000 is in personal property and the remainder in real estate. Under the terms of the will, the widow, Catherine Cudahy, will receive an annuity of \$30,000 to be paid from the estate by the trustees, who are his daughter, Miss Mary T. Cudahy, his son, Joseph M. Cudahy, and Albert F. Borchardt. The will was made in 1904. There are indications that the decedent gave much property to Mrs. Cudahy and other than that named in the will. The whole estate, real and personal, outside of certain personal effects and some Pasadena, Cal., real estate, is willed to the trustees, to be held in trust for five years and managed according to their judgment. After Mrs. Cudahy's annuity is paid, it is directed that each of the children shall be paid annually \$10,000 for five years, and John Shaw, of Chicago, \$200 annually for the same period. The children are: Mrs. William P. Nelson, Mart T. Cudahy, Clara A. Cudahy, Mrs. John B. Caspary of San Mateo, Cal.; John F. Cudahy, Joseph M. Cudahy and Edward I. Cudahy. To Mrs. William Cudahy, of Milwaukee, widow of the decedent's brother, is given \$5000 a year for the trust period, and at the end of that time she is to be given \$5000. The following gifts are to be made: St. Joseph's Orphan Asylum, Chicago, \$5000; St. Vincent's Orphan Asylum, Chicago, \$2500; St. Elizabeth's Hospital, Chicago, \$2500; St. Joseph's Hospital, Chicago, \$2500; Little Sisters of the Poor, Chicago, \$5000; Sisters of the Good Shepherd, Milwaukee, \$5000. The remainder of the yearly income is to be given to the trustees, also to be held in trust, and when the estate finally is distributed \$500,000 is to be given to Mrs. Catherine Cudahy, the widow, or her heirs.

TWO SALOONS SUFFICIENT

Elgin Votes "Wet" but Mayor Limits Number of Grogeries.

ELGIN, Or., Dec. 19.—(Special.)—Elgin is and has been the scene of struggle, since Union County voted dry two years ago, between the "wets" and "drys." Immediately saloons became soft-drink houses; later, the "drys" allege, the "soft" drink houses, existing only in name and a detective was hired who collected evidence, resulting in indictments for selling intoxicating liquors. Since the recent election, when Elgin became "wet" again, the four soft-drink houses, with others, applied for saloon licenses and Mayor Weatherpoon, elected on a "dry" platform, refused to approve any bonds except those of two old-time saloonkeepers, Henry Bader and Ott Young, proprietors of "soft-drink" houses, who own their buildings and homes. The Mayor contends it is impossible for more than two saloons to legally exist in a town of Elgin's size. The other two "soft-drink" houses still are open, but will be prosecuted, the Mayor says, if they attempt to sell liquor without license. Wood Shortage Is Predicted. GOLDENDALE, Wash., Dec. 19.—(Special.)—The last three days have been bitter cold and unless the roads freeze solid for a few days there will be a shortage of wood. The pine in

Eugene Starts Work on Filter Plant.

OREGON CITY, Or., Dec. 19.—(Spe-

cial.)—W. H. Howell, superintendent of the waterworks department of the city government, has gone to Eugene to superintend the installation of a filter plant in that city, which will cost \$40,000. Mr. Howell has been superintendent of the plant in this city for 20

years, and is an authority on waterworks' systems and filter plants.

Providing a cork jacket, which keeps it warmer upright in the water, with a propeller driven by two cranks, a New Yorker has invented a device which is a variation from most styles of swimming machines.
