

BOWERMAN BOOM GAINS HEADWAY

Opponents of Mr. Selling May Force Change in Multnomah County Plans.

EASTERN OREGON EARNEST

Delegation Now Sees Possibility of Losing All Around—Support of Eaton for Speaker Only Partially Disavowed.

Watching, with a degree of trepidation, the somewhat ominous clouds of opposition to their plans, the Multnomah legislative delegation may be compelled by stress of circumstances to alter present plans with regard to placing one of their number at the head of either the upper or lower house.

The coup, decided upon some time ago, whereby Ben Selling was to be put forward for the presidency of the State Senate, is now commended by even the more optimistic members of the delegation to be in danger. Even some of Mr. Selling's ardent supporters now fear that it may be necessary for the Multnomah delegation to shift its attention to the Speakership of the lower house.

Eastern Oregon Active.

From Eastern Oregon has come the note of alarm, for Eastern Oregon seems intent on getting something out of the day. Eastern Oregon legislators are asserting that a majority of the Multnomah delegation is in opposition to the Speakership of Allen H. Eaton, of Lane County. While most of the delegation dispute the truth of this charge, the impression prevails nevertheless, that four of the delegation to the lower house have publicly proclaimed that they are under no obligation to the Lane County man, who, by his own admission, is now taking as having little or no chance.

Selling supporters were claiming 18 pledged votes a week ago. That was barely enough to elect him. Now they have modified that claim to a dozen and say that four others have promised. In that case it is counted C. W. Nottingham, of Multnomah, who is being looked upon as a Bowerman man and who is openly claimed as such by promoters of the Bowerman campaign.

These admissions by the Selling camp at present are: Albee, Locke, Malarkey, Kellaher, Joseph, Selling, Bean, Calkins, Patten and Dimick—a total of ten. In addition, McCracken and Oliver (Dem.) are claimed. But both are Eastern Oregon men and their zeal for that section of the state may play a part in their final decision as to the Speakership.

Bowerman Leads Opposition.

Aligned with the Selling opposition, which seems bound to go, Bowerman are listed Lester, W. N. Barrett, C. A. Barrett, Carson, Norton, Chase, Merryman, Parrish, Wood, Burgess, Abrahamson and Bowerman—total 12. H. Von der Helten is claimed as a Bowerman supporter although Selling men say they have hopes of getting him. Hawley, Hookman, Stimmitt and Stoddard are also named as both sides blighting strongly at getting one or all of them.

With the Selling opposition now appearing to have secured the advantage of the situation, the Multnomah delegation has begun to take an acute interest. The possibility is being seen of getting left all around. The caucus is hardly left all around. The caucus is hardly left all around. The caucus is hardly left all around.

It is reported that the Selling opposition has been using against him his single tax advocacy, charging that the People's Power League, which is in the present chair for assistance in promoting their legislation. It has also been charged that he is the choice of Jonathan Bourne, whose charges are not taken so seriously. However, by the Multnomah delegation, although some fear is expressed as to the possible effect on country legislators.

ALL SPECULATION AT SALEM

Speakership Fight is Interesting, but Little Light is Shed.

SALEM, Or., Dec. 19.—(Special.)—That the speakership of the House is still a puzzling problem and the identity of the next speaker is still indefinite, is the statement made by Henry M. McKinney, of Baker County, who was in the city today. McKinney is considered one of the brightest prospects for the place so far and is making a decided fight. He was a member of the last Legislative Assembly.

Lloyd Reynolds and his friends are conducting a still hunt in the interest of the Marion candidate and report that his name is meeting with favor in many sections, but refuse to state just where the source of his strength lies, although he will go into the House with a solid delegation of five behind him from this county and County support of the two Marion County Senators, neither one of whom is a hold-over, however.

McKinney did not state just how far his influence has extended in securing pledges as to his candidacy and there seems to be a general tendency among the various candidates to play a still game, as none have been showing down their hands in this respect any more than has been deemed necessary.

Allen H. Eaton, of Lane, is considered a strong factor in the race just as it is reported from Eugene that he has some of the Multnomah County delegation behind him in a trade for some selling votes from Lane County, but various versions are told as to this, and just where he stands in Multnomah is considered problematical.

DEPOT NOW UP TO CLUB

EAST SIDE SHIPPERS SAY THEY EXPECT BODY TO ACT.

Dan Kellaher Says Provision of Franchise, if Enforced, Will Compel Company to Build.

The East Side Business Men's Club is given credit for defeating the vacation of streets, and shippers also hold the club responsible for preventing construction of the freight depot. The shippers say they expect the club now to get the depot, as it is argued that the Southern Pacific Company must provide a suitable depot under its franchise.

Edward Newbegin, who was active in having the streets vacated for this depot, said yesterday:
"The matter is ended as far as we are concerned. There is no disposition to take any further steps. Defeat of the vacation of the streets has settled the depot question for the present and we can do nothing further, as far as I can see. We need the freight depot, but I don't see how we can get it unless the streets are vacated. If the East Side Business Men's Club can get franchise it would be a good thing."

Dan Kellaher, member of the East Side Business Men's Club, who has all the time been in the office of the Southern Pacific Company, said yesterday:
"It is in the ordinance granting the company its franchise," said Mr. Kellaher, "as any one can read, and the company will be required to comply with its franchise. We demand that the conditions of the franchise be enforced some time ago, but it has never been done. But it is going to be done. No vacation of streets is required. The company can cover a block between East Third and East Second streets with a freight depot, then it will have frontage on both sides and more room than the 240-foot depot it proposed to erect. The people have the power to enforce the requirement of the company's franchise if the Council will pass an ordinance to that effect."

George T. Atchley, president of the club, said yesterday that the freight depot question will be taken up at the first meeting after January 1. He said that if the franchise of the company provides for a freight depot the requirement ought to be enforced, and that the club will undertake to see that it is enforced.
"We are so busy with holiday business right now," said President Atchley, "that we cannot take up the question until in January."

TEN ARRESTS MADE

Men and Women Accused by Grand Jury Get Bail.

MORE WARRANTS ARE OUT

Eight of Prisoners Put Up \$500 Each; Many More Indictments Indicated of Like Character.

Indictments having been returned yesterday against a dozen or more owners of resorts in the North End, 10 men and women were seized before noon by Deputy Sheriffs Leonard, Hunter, Bulger and Bisco and Police Sergeant Goetz. All are accused of conducting disorderly houses. While District Attorney Cameron and other officials are reticent in discussing the arrests, it is believed the action is the first step of the December grand jury in its investigation of alleged staff.

Eight of the prisoners supplied \$500 each bail, the District Attorney requiring all to be held under \$1000 bond. Those arrested were:
Frank Minto and Jane Doe Deshields, 2624 Flanders street; George Simpson and Pearl Simpson, Bagie House, Third and Burnside streets; Martha Adams, 155 Everett street; Frankie Smith, 214 Sixth street; Sadie Parker, 214 North Second street; Alice Patterson, Plaza Rooming-house; Anna King, 86 North Second street; Louise Olcese, Martha Adams and Frankie Smith are retained in the County Jail in default of bail.

Sadie Parker, at the time of arrest, had \$100 in her possession.
While the arrests totaled only 10 yesterday, it is believed indictments have been returned against as many more. No date for the appearance of the accused resort-owners has been set, but it is believed they will be summoned this afternoon or tomorrow. In that event, bench warrants will be issued to expedite their appearance in the State Circuit Court to plead.

That many more indictments of the same class have been returned was indicated by District Attorney Cameron last evening. He urged Deputy Sheriffs to make two more arrests before the accused persons could leave town on the night train.
While investigators express their confidence in convicting several of the persons arrested yesterday, they are not positive of the weight of evidence against others. This led to the report that some captured in the first North End raid, and held as witnesses in the graft investigation.

Louise Olcese was the only one who resisted arrest. Deputy Sheriff Deady, who was arrested upon her on lower Third street, was surrounded by several men and the woman attempted to bolt. He succeeded in overpowering her and making his way through the men without difficulty after he had manacled the woman.

INDIAN VILLAGE RAIDED

Marines From Cutter Rush Break Up Moonshiners' Camp.

JUNEAU, Alaska, Dec. 19.—A raid by a detachment of marines from the revenue cutter Rush has resulted in the breaking up of an Indian moonshiners' camp at the Indian village of Hoonah. Mandy Wartin, a squaw, who was arrested, is said to have made a confession implicating her husband and other members of the tribe.

Continued reports of moonshining at Hoonah have been received by Federal officers here, but frequent raids by United States Deputy Marshals have been without result. The matter was placed in the hands of Captain DeOtte, of the revenue cutter Rush, and yesterday morning his vessel suddenly appeared off the settlement. Before the Indians knew what was going on, the village was surrounded.

Every house was searched, and contrivances for making "bootch," or Indian whisky, were found. The arrests followed. The Rush returned here today with the prisoners.

Lake's Drainage Granted.
GOLDENDALE, Wash., Dec. 19.—(Special.)—Judge McMasters has re-

decided in favor of the drainage of Camas Lake, which case has been in court for some time. It was contended that the draining of the lake would result in some damage to gain, but the judge visited the project and it was shown that \$0 to \$0 of the residents would be benefited thereby.

JOY COMES FROM GIVING

White, Black, Japanese and Chinese Are Happy Together.

"May the joy of giving be ours at Christmas tide," is the slogan of the children in the kindergarten and primary departments of the Elizabeth K. Matthews School at Lucetta Court. This was truly put into practice when each one boarded the car heavily laden with baskets, bags (made by their own hands) filled with candies bought with their own money; dolls, books, games and clothing—all for little friends less fortunate in the kindergarten than their own. People's Institute, which is under the supervision of Miss Elizabeth K. Matthews, with Miss Christina Denholm, of Miss Matthews' Normal Training School for Kindergartners in charge.

My Corns Don't Hurt a Bit

Tired, Ailing, Swollen, Smelly, Sweaty Feet, Corns, Calluses and Bunions, TIZ Corns' Right Off.

Say good-bye to your corns the very first time you use TIZ. You will never know you have a corn, bunion or callous, or sweaty, tired, swollen, aching feet any more. It's just wonderful the way the pain vanishes. Rub the corn-killer with your fist if you wish, no more pain after TIZ than if there had never been a blemish on your feet. Doesn't that sound good to you? Doesn't it? Then read this:
"The corns on either of my toes were as large as the tablets you make to cure them. Today there is no sign of corns on either foot and no soreness. It's an up-to-date Godsend.—Sam. A. Hoover, Progress, N. C."
Just use TIZ. It's not like anything else for the purpose you ever heard of. It's the only foot remedy ever made which acts on the principle of drawing out all the poisonous exudations which cause sore feet. Powders and other remedies merely clog up the pores. TIZ cleans them out and keeps them clean. It works right off. You will feel better the very first time it's used. Use it a week and you can forget you ever had sore feet. There is nothing on earth that can compare with it. TIZ is for sale at all drug stores, 25 cents per box, or direct. If you wish, from Walter Luther Dodge & Co., Chicago, Ill. Recommended and sold by

KLAMATH FALLS ODDFELLOWS CONSTRUCT BEAUTIFUL HOME FOR THEMSELVES.

KLAMATH FALLS, Or., Dec. 19.—(Special.)—The accompanying picture is the first taken of the new Oddfellows temple, which is nearing completion in this city at a cost of \$50,000. The new Oddfellows temple probably has the strongest Oddfellows lodge in the West for a town with the population it has. The membership now stands at about 150. For the past several years the lodge has been talking of erecting a handsome temple here for its own use. The building committee found little difficulty in finding takers for their bonds, and this handsome structure is the result. It stands at the corner of Main and Fifth streets.
The first floor of this handsome building contains three large store rooms. The corner one is to be occupied by a big clothing firm, and the middle by an exclusive store, while the inside corner will contain a moving-picture show. The second floor is cut up into office suites, and the third floor contains two large lodge halls. One of these will be occupied by the Oddfellows themselves, while the other will be leased to local secret societies.
The Oddfellows are arranging to dedicate this structure as soon as it is completed and ready to be turned over to them. No date has been set for this service, but it will be some time early next month. At this time it is expected that many head men of the Oddfellows lodge of the jurisdiction will be here and participate in the services.
