Four Children and Four Grandchildren Share in Distribution of Cash and Notes—Two Sons Draw Administration Fees.

Distribution of an estate valued at \$199,155.86 among the descendants of Jacob S. Giltner will be their Christmas present. County Judge Cleaton yesterday afternoon authorized settlement of the estate by Attorney Roscoe R. Giltner and Frank F. Giltner, sons, who were named administrators in the will.

Under authority of this order, the administrators yesterday afternoon apportioned the distribution of cash on hand and notes to the four children and the four grandchildren as follows: Roscoe R. Giltner, \$25,750 and \$1000 as fee for administering; Frank F. Giltner, \$27,750 and \$1000 as fee for administering; Mrs. Martha G. Cook, daughter, \$27,500; Mrs. Emma G. OBSTACLE FOUND HERE

MERRITT MAY NOT BE ABLE TO BUILD SKYSCRAPER.

Ordinance Prohibiting Buildings More Than 160 Feet High—Pasadena Man Might Get Permit.

Hulett C. Merritt, the Pasadena millionaire, will not be able to erect his proposed 20-story office building in Portland unless he can get a special permit from the City Council. He will face a situation here very much like that which confronted him in Los Angeles, where his petition for a special permit was denied yesterday by the Council by a vote of 8 to 1.

The new Portland building code, which will take effect at the beginning of 1911, restricts the height of structures of every character, excepting church spires, water towers, shot towers and smokestacks, to 160 feet. It is much more drastic in its provisions than the Los Angeles ordinance, according to Horace E. Plummer, City Building Inspector, who says the Southern California city is really liberal in building matters when modern construction conditions are considered.

"Our present building ordinance fixes 200 feet as the limit of height," said Mr. Plummer yesterday. "The new ordinance reduces this to 160 feet and requires that no building shall be more than 12 stories high."

"Of course, there will always be two parties to contend as to whether the height of buildings should be restricted. Persons of esthetic tendencies believe that skyscrapers are an abomination, and they would not only suppress them but would also enforce some requirements as to styles of architecture. Then there is a great body of persons who declare that a man should be permitted to erect on his own property a building as high as he chooses to make it."

"For my part, I believe that it is desirable to place some limitations on the height of buildings. The only valid argument in favor of a 20-story office building is that it would advertise the city in which it might be placed. There is no demand for such high buildings in Portland, and the fact that our streets are narrow is reason enough against them. With a few blocks of such structures lining our narrow streets the congestion at certain hours would be a most serious problem."

It is within the power of the Council to suspend the building ordinance and grant a permit for such a building as Merritt proposes. At present the Pasadena man does not own ground on which such a structure could be erected, but there are plenty of sites to be purchased. When he visited Portland about a year ago, Mr. Merritt purchased \$25,000 of bonds of the Trustee Company on the Old, Wortman & King department store building, and that is the extent of his investment in this city as far as known.

KLAMATH FALLS OVERRUN

Petty Thieves and Crooks in Raids; Judge Expresses Views.

KLAMATH FALLS, Or., Dec. 21.—(Special.)—Klamath Falls is overrun just now with petty thieves and crooks of all kinds. The city has had an average of one forgery case a week here for the past several weeks and there is not a day but there are reports of something having been stolen. Yesterday a Mexican was arrested for the theft of two buck saws which he said

ACTRESSES SELL SEALS

ALICE LLOYD AND GRACE CAMERON HAVE BUSY DAY.

Vaudeville Star to Maintain Booths in Stores—Miss Cameron Will Auction Off Red Rooster.

Another strenuous day of activities in behalf of the Red Cross tubercular campaign has been mapped out for these two zealous and apparently indefatigable workers, Miss Alice Lloyd, the English comedienne from the Orpheum, and Miss Grace Cameron, the comic opera star and comedienne, who is this week appearing in "Nancy" at the Hunglow.

Their programme of events resembling a time table, so carefully are the hours and half hours checked up and accounted for. That off-beat-of-thing, a breathing spell, is only a speaking acquaintance of the two young actresses, who are willingly and enthusiastically giving their time and services to further the interests and swell the fund of the Red Cross seal.

This morning Miss Lloyd will sell seals at the Hotel Portland from 12 o'clock to 1 P. M. and again this afternoon at Olds, Wortman & King's store from 4:30

to 5:30. Miss Cameron is going to make an unusually interesting effort to increase the fund by raffling off a Rhode Island Red rooster at the Oregon Hotel this afternoon between the hours of 5:30 to 7:30. The bird was donated to Mrs. Chester Deering, who has charge of the Red Cross booth in the hotel, by M. K. MacRae, the clerk, to be sold or raffled in the interest of the campaign. During the raffling a musical concert will be given by the Hawaiian Orchestra.

On Saturday afternoon Miss Lloyd will sell seals in the tea-room at the Meier & Frank store, from 12 to 1 o'clock, and at Lipman, Wolfe & Co.'s store from 4:30 to 5:30 of the same day. Tomorrow Miss Cameron will conduct a sale, with headquarters at Swetland's, from 2:30 to 4:30 P. M.

TRIBUNE IS INTERESTING

Annual Number of Jewish Publication is Meritorious.

In the issue of the seventh annual number of the Jewish Tribune, published by David N. Mossessohn, appear interesting articles on Jewish life, religion, customs and education, contributed by leading Jews of the country.

The leading article is entitled "A Congress of Liberal Religions," from the pen of Rev. William Rosenau, of Baltimore; Rev. Stephen S. Wise, of New York; formerly of the Temple Beth Israel, Portland, has an article on "The Jew in Russia." Other contributors well known in Jewish circles are Rev. Maurice H. Harris, of New York; Abraham Simon, of Washington, D. C.; George A. Kohut, of New York; Dr. Isidore Myers, of Los Angeles; Albert Lucas, of New York; Edward N. Weinbau and Rabbi Harry Weiss, of Madison, Ga.

Among the Portland contributors is D. Solis Cohen, with an article entitled "The Yellow Candle." The number contains many things of interest to Portland residents.

WOMEN HAVE JURY RIGHT

Vancouver Faces Problem, May Have to Draw New List.

VANCOUVER, Wash., Dec. 21.—(Special.)—The question of whether the jury list for the January term of court will be legal, because of the omission of the names of all women voters in Clark County, is one that will likely be solved.

According to law, every one who is entitled to be on a jury list has a right to have his name on the jury list. The fact was known that women were voters and were eligible to serve on juries. If the question is pressed by the women, it may be that they will have the jury list declared illegal and have a new list prepared.

But the women of Vancouver are not anxious, apparently, to vote, because not one offered to register for the recent election, although they did in Camas, where 126 registered within two days. The outcome will be waited with interest.

WOMAN'S GENTLE NATURE CALLS FOR GENTLE TREATMENT

Delicately formed and gently reared, women will find, in all the seasons of their lives, as maidens, wives or mothers, that the one simple, wholesome remedy which acts gently and pleasantly and naturally, and which may be used with truly beneficial effects, under any conditions, when the system needs a laxative, is—Syrup of Figs and Elixir of Senna. It is well known to be a simple combination of the laxative and carminative principles of plants with pleasant aromatic liquids, which are agreeable and refreshing to the taste and acceptable to the system when its gentle cleansing is desired.

Only those who buy the genuine Syrup of Figs and Elixir of Senna can hope to get its beneficial effects, and as a guarantee of the excellence of the remedy, the full name of the company—California Fig Syrup Co.—is printed on the front of every package, and without it any preparation offered as Syrup of Figs and Elixir of Senna is fraudulent and should be declined. To those who know the quality of this excellent laxative, the offer of any substitute, when Syrup of Figs and Elixir of Senna is called for, is always resented by a transfer of patronage to some first-class drug establishment, where they do not recommend, nor sell false brands, nor imitation remedies. The genuine article may be bought of all reliable druggists everywhere; one size only. Regular price 50 cents per bottle. Get a bottle today to have in the house when needed.

THINK PROPERTY STOLEN

Possession of Sofa Pillow and Bank Book Brings Arrest.

VANCOUVER, Wash., Dec. 21.—(Special.)—Thomas Atwood is being held in the City Jail pending investigation of his possession of a sofa pillow, a manure set, a hand-book on the Canadian Bank of Commerce of Portland, No. 20 is the number of the book, and a check for \$50 was drawn from it December 17. It is thought that the property was stolen from Portland.

On the sofa pillow is worked, "Smoke and forget, for day by day, trouble, like smoke, will pass away." If any one in Portland has lost any such property and should notify the Vancouver police Atwood will be prosecuted.

3 Chinese Firemen of Steamer Drowned—Volcano Active.

VICTORIA, B. C., Dec. 21.—A heavy typhoon prevailed when the steamer Aymeric was at Hongkong. A sampan containing 12 Chinese firemen of the Oriental liner Henrik Olsen capsized and three were drowned.

When the Aymeric was at Yokohama a tremendous explosion was heard, and it was reported that Asama volcano had erupted with much violence, but no particulars were learned up to the time of the steamer's departure.
