OLD LOVE RETURNS

Wife Tires of Husband; Goes to Once-Jilted One.

Letter Is Confession Asked to Oblige Spouse by Getting Divorce, Lloyd Casey Comples.

Decree Every Five Minutes Is Record in Court.

Mrs. Florence Casey left home on her first wedding anniversary to join her affinity and first love in San Francisco. She tried for a full year to fall in love with Lloyd A. Casey, of 190 Park street, and falling, left him. A week later she wrote from San Francisco to say she was with her old love. She asked Casey to oblige her by getting a divorce, so she would be free to marry the man of her affections.

LETTER IS CONFESSION

Asked to Oblige Spouse by Getting Divorce, Lloyd Casey Comples.

Decree Every Five Minutes Is Record in Court.

Mrs. Florence Casey left home on her first wedding anniversary to join her affinity and first love in San Francisco.

She tried for a full year to fall in love with Lloyd A. Casey, of 190 Park street, and falling, left him.

A week later she wrote from San Francisco to say she was with her old love. She asked Casey to oblige her by getting a divorce, so she would be free to marry the man of her affections.

Casey proceeded to do yesterday in the Circuit Court. He told Judge McGinn of his marriage and efforts to hold his young wife. The wedding occurred in November, 1904. At that time the girl was engaged to another but had fallen out with her fiancé and married Casey.

Things went swimmingly nearly a year. One day Casey says he found in his wife's possession a letter from Charles Gibson, the other man in the case. The letter indicated she had written to him in San Francisco and urged her to join him in San Francisco and forget her past. Casey says he upbraided his wife and that she expressed repentance, promising never again to communicate with Gibson.

Man Deserted on Anniversary. Five weeks later their wedding anniversary rolled round. He returned home and their apartment was dark and deserted. He had no trouble guessing what had become of his wife. But all doubts were dispelled five days later when he received a letter from Mrs. Casey saying she could battle with her affections no longer.

Six divorces in all were allowed by Judge McGinn, at the rate of one every five minutes, the entire divorce session consuming barely 20 minutes.

Another affinity case was the second on the docket. Mrs. Luella Wagner was married to J. A. Wagner at Salem nine years ago. He deserted her four years later. She said he fell in love with another woman and went away. Details were not given.

Arthur L. Davis charged Mamie L. Davis recently with spending summer evenings sitting out in the hammock with a young man at their home. Mrs. Davis also acquired the habit of swearing, her husband charged. She was in court with a charge of cruel and inhuman treatment. He did not appear and the divorce was awarded to her. They were married at Vancouver, Wash., in 1906.

Wife Gets Alimony. Ida M. Flaherty obtained divorce from T. E. Flaherty. Seventy-five dollars a month alimony was allowed her. It being shown that her husband earned \$600 a month as department manager for a big drug store.

Elizabeth Parsley or Pratt, she did not know which, was married to E. A. Parsley or Pratt. She was in court with a charge of cruel and inhuman treatment. He did not appear and the divorce was awarded to her. They were married at Vancouver, Wash., in 1906.

Mary F. Fish was divorced from Charles F. Fish on the grounds of desertion. They were married at Aberdeen, Wash., in 1887.

Company Sues for Car Insurance. Suit to recover insurance on a freight car that was destroyed by fire a year ago was brought in the Circuit Court yesterday by the Northern Pacific and Seattle Railway Company against the North British Mercantile Insurance Company. It is alleged that the insurance company refused to pay \$300 called for by the policy.

North Albany Gets Depot. ALBANY, Or., Jan. 27.—(Special.)—A depot on the Corvallis & Eastern Railroad has been established at North Albany and is now one of the regular stations on the C. & E. North Albany is a rapidly growing settlement in Benton County just across the Willamette River from this city.

Only One "Bromo Quinine." That is LAXATIVE BROMO QUININE. Look for the name of FAYET, and give it. World over to Cure a Cold in One Day. 25c.

RHEUMATISM PURIFYING THE BLOOD THE ONLY PERMANENT CURE

No case of Rheumatism was ever cured except by a thorough purification of the blood; just as long as the blood remains charged with fermenting uric acid poison, the painful disease will continue.

The pains and aches of Rheumatism are simply superficial effects of the impurities in the circulation, and sometimes may be temporarily relieved by the application of plasters, liniments, hot baths, etc. But the person who trifles with this dangerous disease by depending on local treatment alone, is certain to pay for the mistake with constant suffering later on.

S. S. S. cures Rheumatism in the only way it is possible to cure the disease. It goes down into the blood, and removes the uric acid from the circulation, so that the nerves, bones, muscles and joints are lubricated and fed

with nourishing elements instead of being continually irritated and inflamed with sharp, uratic impurities.

When S. S. S. is used it cleanses and purifies the blood, the pains and aches cease, all inflammation disappears, stiffened muscles are made pliant, and every troublesome symptom of Rheumatism is permanently corrected.

Book on Rheumatism and any medical advice free to all who write.

THE SWIFT SPECIFIC CO., Atlanta, Ga.

THE CHILDREN ENJOY

Life out of doors and out of the games which they play and the enjoyment which they receive and the efforts which they make, comes the greater part of that healthful development which is so essential to their happiness when grown.

When a laxative is needed, the remedy which is given to them to cleanse and sweeten and strengthen the internal organs on which it acts, should be such as physicians would sanction, because its component parts are known to be wholesome and the remedy itself free from every objectionable quality.

The one remedy which physicians and parents, well informed, approve and recommend and which the little ones enjoy, because of its pleasant flavor, its gentle action and its beneficial effects, is—Syrup of Figs and Elixir of Senna—and for the same reason it is the only laxative which should be used by the fathers and mothers.

If you would have them grow to manhood and womanhood, strong, healthy and happy, do not give them medicines when medicines are not needed, and when they do require assistance in the way of a laxative, give them only the simple, pleasant and gentle—Syrup of Figs and Elixir of Senna.

As you value the health of the little ones, do not accept any of the substitutes which unscrupulous dealers sometimes offer to increase their profits. Please to remember, the full name of the Company—California Fig Syrup Co.—is printed on the front of every package.

To get its beneficial effects it is necessary to purchase the genuine only. Buy a bottle today to have in the house when needed. Put up in one size only. Regular price 50c a bottle and for sale by all leading druggists.

The United Railways is just opening up a waiting-room and ticket office at the corner of Second and Stark streets. These offices will be continued in addition to the new office.

"The establishment of the new city ticket office," said Mr. Coman yesterday, "is another indication of the close relationship of these lines with Portland's interests and of the intention on the part of the North Bank to provide ample and up-to-date facilities for the handling of business in this territory."

The North Bank has been directed on the theory that this road is essential to the development of the state, and that its interests are common with those of the state. It has endorsed every movement made by its associate lines for the further development of the state, and has seconded every step looking toward the advancement of those interests.

It Will Serve to Advertise. While the officials have not decided upon the manner in which the office shall be fitted up nor upon the personnel of the officials and employees, Mr. Coman states that the place will be in the city. It will serve to advertise the line as well as to conduct its business, and will therefore be in keeping with that idea.

In the opening of this office at this location Mr. Coman is bringing about an innovation that many passenger men here have had the courage to adopt—that of locating outside the prescribed railroad limits on Third street.

Ever since "down town" ticket offices were established by the railroads Third street has harbored all of them, and until a short time ago it would have been considered a gross breach of ethics to locate outside of "Railroad Row." But with the spread of business westward, offices on Fifth street or Sixth street have been deemed advisable, although none dared to make the move.

North Bank to Be Emulated. Now, that the metaphorical ice has been broken, it would not be surprising to see other offices seek quarters along Stark street or on Fifth street. With the Milwaukee offices now having frontage on Stark street and the new North Bank office facing on the eventual location of all or at least a majority of the railroad offices on the same street is considered quite probable.

As a number of new offices may be opened here within the present year, they are expected to follow the North Bank office in its location on Stark street. The new freight service by which the Oregon Electric and the United Railways will load less than car-load lots at the North Bank depot, Eleventh and Front and Jefferson streets, and
