Double Paved Area.

ALBANY, Or., Jan. 27 .- (Special.)-A petition has been presented to the City Council asking for the paving of Third, Fourth, Fifth and Sixth streets from Calappeola to Baker streets. This dis-trict includes 24 blocks and as sotices have been heretofore posted on order of the Council calling for the paving of Ellaworth street from Third to Ninth there will be 20 additional blocks of Albany's streets paved this Summer, provided the petition now before the Council is granted. There is also con-siderable talk of a petition being presented for the paving of Washington street from First to Ninth streets, but no action has been taken yet on this

The improvement in this line pro-posed for this Summer would almost double the area of Albany's present paved district. This city now has 37 blocks of hard surface pavement.
