

RECALL MAY REST ON WOMEN VOTES

Gill Wins Favor by Single-Handed Campaign, Closed Last Night.

MANY WORK FOR DILLING

Election at Seattle Today Watched With Interest as Suffragists Have First Chance at Polls—Weather May Be Deciding Factor.

SEATTLE, Feb. 6.—The campaign for the recall election tomorrow of Mayor Hiram Gill closed tonight with a mass meeting down town, addressed by Mayor Gill, and with numerous meetings in all parts of the city in the interest of George W. Dilling, candidate of the Public Welfare League. Mayor Gill has had the biggest meetings of the campaign, but had virtually no speakers with him and this single-handed fight has won many votes for him, it is declared.

Women's Vote Factor.

The women's vote will be the determining factor tomorrow and will be the first test of woman suffrage in Washington. Of the 21,000 voters registered, 22,000 are women. Fair weather is predicted and this should bring a full vote of women. The recall petition alleges: That during the time Gill has been Mayor he has shown himself to be incompetent and unfit for the position. That he has abused the appointive power by selecting for personal and political reasons men personally unfit for the office for which they were appointed.

CHILD'S HEAD SOLID MASS OF HUMOR

It Was Awful, Cried Continually. Had to Hold and Watch Him to Keep Him from Scratching. Suffering Was Dreadful.

Had not Used Half a Set of Cuticura Remedies Before Head Was Clear and Free from Eczema.

"I think the Cuticura Remedies are the best remedies for eczema I have ever heard of. My mother had a child who had a rash on its head when it was real young. Doctor called it baby rash. He gave us medicine, but it did no good. In a few days the head was a solid mass, a running sore. It was awful, the child cried continually. We had to hold him and watch him (to keep him) from scratching the sore. His suffering was dreadful. At last we remembered Cuticura Remedies. We got a bottle of Cuticura Ointment, and a bar of Cuticura Soap. We gave the child Cuticura Soap, and applied the Cuticura Ointment. We had not used half before the child's head was clear and free from eczema, and it had never come back again. His head was healthy and he had a beautiful head of hair. I think the Cuticura Ointment very good for the hair. It makes one's hair grow and prevents falling hair."

(Signed) Mrs. Francis Lund, Plain City, Utah, Sept. 19, 1910.

For more than a generation the Cuticura Remedies have afforded the speediest and most economical treatment for skin and scalp eruptions of young and old. Itch, burn, crust and destroy sleep. Sold throughout the world. Sent to Potter Drug & Chem. Corp., sole props., Boston, Mass., for free literature. Write for booklet, a guide to skin and hair health.
