Consumers' League Says
Commissioner Wrote No
Part of Food Statute.

WOMEN JOIN IN CAMPAIGN

Strong Effort Will Be Made to Put
Dairy and Food Inspection Under
Supervision of State
Board of Health.

The assertion of J. W. Bailey, State
Dairy and Food Commissioner, that he
is the author of the pure food laws of
the state, is not only denied by the
Consumers' League, but has aroused fiery
indignation among the women of the
land, who have been active for years
for the adoption and enforcement of pure
food laws.

No sooner had Commissioner Bailey's
letter in yesterday morning's Oregonian
been read by members of the Consumers'
League than telephone bells began to
ring, causing comments concerning the
claim of authorship flashed over the
wires, there were hurried and impromptu
meetings where possible to voice
indignation, and machinery was not
only set in motion to refute the assertion,
but to organize a general movement
all over the city and state to urge
the Legislature to pass the law placing
dairy and food inspection under super-
vision of the State Board of Health.

Women Among Indorsers.

The Consumers' League obtained the
indorsement of the bill by resolution in
the Federated Women's Club, the Port-
land Women's Club, the Oregonian of
Mothers, the Council of Jewish Women,
the Chamber of Commerce, the State
Board of Health and other societies and
organizations. With these indorsements
a committee representing the Consum-
ers' League went to Salem Tuesday to
have the bill introduced and urge its
passage. The committee returned to Port-
land fairly well satisfied with the pros-
pect that the measure would be carried.
It was the wish of the long campaign
and the women took a good night's rest.
Then the Bailey letter appeared next
morning, in which the Commissioner as-
serted authorship of the Oregon pure
food laws.

The seat with which the women worked
for the indorsement of the bill by the
several organizations in the city and
solicited support and other influences to
obtain its passage, was nothing compared
to the whirlwind campaign organized
yesterday. In the preliminary steps of
drafting and presenting the bill the
women worked principally among themselves.

Campaign Is Unrelenting.

The campaign for the passage of the
bill assumed gigantic proportions yester-
day and before the end of the week
every available influence and pressure
will be brought to bear upon the Leg-
islature to pass the bill. Through so-
litation the men have been suddenly
urged into the fight and from now on
the Consumers' League will leave no
stone unturned to get its measure
through.

Every commercial, political and social
organization and the labor unions
will be asked to get into line and urge
the lawmaking body at Salem to pass
the bill. The campaign will be unre-
lenting and, if necessary, a big demon-
stration of women will visit the Legisla-
ture personally to request the passage
of the reform law.

So indignant were the women over
Commissioner Bailey's assertion that
he was the author of the pure food
laws that Mrs. F. J. Durham, chairman
of the publicity committee of the Con-
sumers' League, was directed yester-
day to publish the following author-
ized statement:

Surprise Is Sprung.

"Mr. J. W. Bailey's assertion in this
morning's Oregonian that he was the
author of all Oregon's pure food
laws comes as a somewhat startling
surprise to members of the Consumers'
League, who have been at so much
pains to secure the passage and en-
forcement of these laws, in spite of
opposition from the State Dairy and
Food Commissioner. The state pure
food law, which was passed four years
ago to conform with the National pure
food law, was framed by Mr. D. C.
Burns, of the Retail Grocers' Associa-
tion, and was known as the 'Burns law.'

Bailey Not Author.

"At a meeting of a committee from
the Consumers' League, Mr. Burns pre-
sented the bill as he had framed it,
and it was carefully considered and
passed by the committee. Mr. Burns
stated this morning that Mr. Bailey
positively had nothing to do with its
authorship. Mrs. Henry Russell Tal-
bot stated that she had no recollection
of Mr. Bailey's name being connected
with anything to do with the framing of
Oregon's pure food laws, most of
which had come under her considera-
tion as president of the Oregon Con-
sumers' League."

Committees Will Be Organized Today

and they and individual members of
the Consumers' League will be organ-
ized to move to have the bill placed
under the State Board of Health
advisors.

REPORT TABLED IN SENATE

Bailey Investigation Meets Final
Disposition in Legislature.

SENATE CAPITOL, Salem, Or., Feb. 8.—
(Special.)—Following suit in the House,
the Senate today laid on the table the
legislative investigating committee's re-
port asking for the resignation of J. W.
Bailey, State Dairy and Food Commis-
sioner. Miller, a member of the resolu-
tions committee that prepared the docu-
ment, explained the reasons for the
action of the committee, stating that
the testimony had been taken, that the
committee was convinced of the guilt of
Bailey, and that it also seemed to be
the universal verdict of the people of
Oregon that Bailey was incompetent.

"The office of Food Commissioner is
created by the Legislature," he stated,
"and I know of nothing in the constitu-
tion to prevent an investigation by the
Legislature of that office. The investiga-
tion was of an informal nature and ac-
tively was not administered, but we believe
firmly in what we have reported and
are convinced of Bailey's guilt."

Burman objected to the Senate
giving sanction to the committee's re-
port. "This office has been an elec-
tive one and for 13 years the people
have given their approval to Bailey by
electing him. Now this committee comes
in and says such a man is incompetent.
If he is incompetent I do not wish to
shield or protect him, but I wish to see
his incompetency properly proven and
by a committee given complete authority
to act and to call witnesses."

Several other Senators spoke. On

My Corns Don't
Hurt A Bit.

Tired, Ailing, Swollen, Smelly, Sweaty
Feet, Corns, Callouses and Bunions,
TIZ Cures Right Off

Say good-bye to your corns the very
first time you use TIZ. You will never
know you have a corn, bunion or cal-
lous, or sweaty, tired, swollen, itching
feet any more. It's just wonderful the
way the pain vanishes. Rub the corn—
hammer it with your fist if you wish—
no more pain after TIZ than if there
had never been a bunion on your feet.
Doesn't that sound good to you?
Doesn't it? Then read this.

"The corns on either of my toes were
as large as the tablets you make to
cure them. Today there is no sign of
corns on either foot and no soreness.
It's an up-to-date Godsend."—Sam. A.
Hoover, Progress, N. C.
Just use TIZ. It's not like anything
else for the purpose you ever heard of.
It's the only foot remedy ever made
which acts on the principle of drawing
out all the poisonous exudations which
cause sore feet. Powders and other
remedies merely clog up the pores. TIZ
cleans them out and keeps them clean.
It works right off. You will feel better
the very first time it's used. Use it a
week and you can forget you ever had
sore feet. There is nothing on earth
that compares with TIZ. It is for
sale at all druggists, 25 cents per box,
or direct, if you wish, from Walter
Luther Dodge & Co., Chicago, Ill. Re-
commended and sold by the Owl Drug Co.

PAVING PLAN OUTLINED

DISTRICT SOUTH OF DIVISION
STREET IS SCHEDULED.

Improvements Will Cost More Than
Half Million—Rock Already
Is Being Hauled.

Hard-surface pavements costing more
than \$500,000 are to be laid in the dis-
trict south of Division street this year.
One contract of \$140,000 has been let
and others are to be let in the near future.
Three districts have been formed be-
tween Division street and Powell Val-
ley road, East Twenty-sixth and East
Forty-first streets, in which hard sur-
face pavements are to be laid this year
at a cost of \$350,000. The Warren Pav-
ing Company has the contract for pav-
ing the first district, which lies between
Division and Ellsworth, East Twenty-
sixth and East Forty-first streets and
already is delivering crushed rock for
use on the streets. The contract price
for this district is \$140,000, and includes
virtually all the unimproved streets.
Another district is between Ellsworth
street and Powell Valley road, and be-
tween East Twenty-sixth and East For-
ty-first streets, in Waverleigh Heights.
This district was divided so it could be
handled better by contractor than one
large district. It is estimated that it
will cost \$200,000 to pave all the streets
in this region.
East Twenty-sixth street also will be
paved between Division street and Pow-
ell Valley road as soon as the widening
of the street has been accomplished.
Viewers on the street have their report
about ready to submit. This improve-
ment will finish one of the largest hard-
surface districts on the East Side.
Division street, which is now paved
between Powell Valley road and East
Forty-first streets, will be paved between
East Forty-first and East Sixtieth street
this year, a large majority of the prop-
erty owners having petitioned for the
improvement.
There is another hard-surface district
east on East Twenty-first street,
between Clinton and Division, which
will cost about \$30,000.

WIRING CONTRACT IS BIG

New Multnomah Hotel Service Like
That of Good-Sized Town.

Arrangements were made yesterday
with the Pacific Telephone & Tele-
graph Company for wiring the new
Multnomah Hotel. Officials of the
company declared the contract the
largest ever let on the Pacific Coast.
The order involves about \$100,000 in
wiring for a good-sized town. There
will be telephones in each of the 525
rooms and in all the public rooms,
such as the dining room, billiard
rooms, grill and parlors, and the execu-
tive departments of the big hotel will
be similarly equipped.
This is the largest building in
Portland and it will be one of the
largest hotels in the West. It occu-
pies a full block 200 by 200 feet and
will be eight stories high. With mezzanine
floor and attic there will be 10
floors above ground and there is a
basement and sub-basement. The
basement walls have been completed
and most of the two floors below
ground are finished. The structure
will be supported by 141 massive con-
crete columns and pouring of the
structure will begin next week. The structure
will begin to rise above the street
level in a few weeks, and it is ex-
pected that it will be completed before
the end of the year. The cost will be
more than \$700,000.

LANDS TO BE CLEARED

CORPORATION PLANS TO UTIL-
IZE LOGGED-OFF SECTIONS.

Southwestern Washington Men to
Form \$10,000,000 Company for
Promotion of Scheme.

HOQUIAM, Wash., Feb. 8.—(Special.)
—A gigantic corporation, capitalized at
\$10,000,000 for the purpose of placing the
logged-off lands of Southwestern Wash-
ington on the market, will be formed at
the quarterly meeting of the Southwest-
ern Washington Development Associa-
tion at Vancouver, February 16, 17 and 18.

The corporation will be made up of
land owners of the section and will be
the result of the plans introduced by
W. B. Mack, of Aberdeen, at a meeting
of the association in Hoquiam last July.
Land owners throughout the South-
west have taken favorably to the plan
and many have promised to attend the
association meeting where the prelimi-
nary work will be done. Among those
who will speak on the subject of set-
tling logged-off lands are: George S.
Long, of the Weyerhaeuser timber synd-
icate; ex-State Senator Alex. Polson, of
Hoquiam; Senator McGowan, of Pacific
County; and a number of others.

"The plan is a big one and I am glad
to see it shaping," said W. B. Mack,
father of the scheme. "Now is the time
to act. Both Hoquiam and Aberdeen
are advertising extensively for home-
seekers throughout the Eastern States,
and when these people begin to arrive,
there should be something to sell to
them."

"I don't favor holding this land at an
exorbitant price. I favor giving it to
the man for a small sum provided he
will make a home and till the soil. Che-
halis County needs its share of settlers.

His land owners should come to the front
and be willing to sell their lands, thus
receiving its share of the families who
will come West to find new homes."

That there is a snug fortune in poultry
raising, truck gardening, berry and
small fruit raising, in Chehalis County,
is evidenced by the settlement made by
President Rupert, of the West. Slade
Wholesale Company, and president of the
newly formed Commercial Club of Ab-
erdeen. He said:

"Chehalis County spends annually for
butter \$400,000; eggs, \$144,000; poultry,
\$75,000, and berries, fruits and produce,
\$130,000. All these, with the possible ex-
ception of some of the better fruits, can
be raised in the county."

J. E. Barnes, secretary of the South-
western Washington Development As-
sociation, said: "Chehalis County pro-
duces less than 2 per cent of the prod-
uce, butter, eggs and poultry it con-
sumes. Its amount of production is the
smallest of any county in the Southwest
and its population is the greatest."

"The valleys are just as fertile and
there is no necessity for sending out to
other states for things that can be raised
at home. It is a crime."

"I have been over the Southwest con-
siderably during the past 20 days and it
is my opinion that we will have the
largest gathering at Vancouver when
the association meets every attending a
meeting of the organization."

Industrial Fair Board Meets.

GRANT'S PASS, Or., Feb. 8.—(Special.)
The annual meeting of the board of di-
rectors of the Rogue River Industrial
Fair took place in this city today. An-
other meeting will be held February 12.
The industrial fairs are held alternately
at Ashland, Medford and Grants Pass.
The last one was held in this city. The
coming one will be held in Medford.

JORDAN CASE DELAYED

PENILESS WIFE LEARNS TRIAL
IS POSTPONED.

Woman Expects Couple's Savings In
Fight to Get Husband Re-
leased on Bail.

LOS ANGELES, Cal., Feb. 8.—(Spe-
cial.)—Deprived of the support of her
husband, who is a Federal prisoner
awaiting trial and with their meager
savings expended in a vain effort to
obtain his release on bail, Mrs. Charles
Jordan, wife, heard today that her hus-
band's trial had again been postponed.

Jordan is charged by the Santa Fe
Railroad Company with buying and
selling on a commission basis return
tickets to the East over the company's
lines. Before he went into the busi-
ness he sought the advice of the Dis-
trict Attorney and a local lawyer. He
was told, he says, to go ahead, that no
state or Federal law would be violated.
He was indicted on November 1. His
arrest followed.

Mrs. Jordan obtained his liberty on
\$1500 bail. Then one of the bondsmen
withdrew. He was returned to jail,
and has been there since.
The couple came here in April from
Salt Lake City. Jordan was formerly
general passenger and ticket agent for
the Pacific Steamboat Excursion Com-
pany in the Puget Sound country.

COUPLE DEBATE SANITY

Various Officials Prove Unequal to
Task of Deciding Finally.

Stopping on the sidewalk at Second
and Washington streets yesterday to de-
bate the question which one of them was

cray, John W. Cassell, and his wife, of
459 Goldsmith street, new trial off-
icer Richards into their quarrel. Richards
gave a compromise verdict and this being
unsatisfactory to both, took them be-
fore Captain Baly. Captain Baly also
was unable to solve the riddle, and
passed the pair upstairs to Judge Tas-
well. After consulting the City At-
torney the court was unable to adjudicate
the question and sent both to County
Judge Cleaton, who is an adept in
cases of this kind.

Cassell created a little excitement at
police headquarters last Saturday night
by appearing in a highly-excited condi-
tion and reporting that his wife had
jumped into the river. He said at that
time that she had suffered from bad
dreams in which the dead appeared to

her. Police officers made a search for
the woman, but she returned home with-
out their assistance.

Speedy Relief From Kidney Trouble

"I had an acute attack of Bright's
disease with inflammation of the kid-
ney and bladder, and distress," says
Mrs. Cora Thorp, Jackson, Mich. "A
bottle of Foley's Kidney Remedy over-
came the attack, reduced the inflamma-
tion, took away the pain and made the
bladder action normal. I wish every-
one could know of this wonderful rem-
edy." Sold by all druggists.

Senator Lorimer's assumption that a ma-
jority of his colleagues are Suckers has
aroused a strong current of resentment in
that body.

NEVER ANY INDIGESTION, DYSPEPSIA
OR SICK, GASSY, UPSET STOMACH

Your out-of-order Stomach feels
fine five minutes after tak-
ing a little Diapiespin.

Take your sour, out-of-order stom-
ach—or maybe you call it indiges-
tion, Dyspepsia, Gastritis or Catarrh
of Stomach; it doesn't matter—take
your stomach trouble right with you
to your Pharmacist and ask him to
open a 50-cent case of Pape's Diapiespin
and let you eat one 22-grain Trian-
gule and see if within five minutes
there is left any trace of your former
misery.

The correct name for your trouble is
Food Fermentation—food souring; the
Digestive organs become weak, there
is lack of gastric juice; your food is
only half digested, and you become af-
fected with loss of appetite, pressure
and fullness after eating, vomiting,

nausea, heartburn, griping in bowels,
tenderness in the pit of stomach, bad
taste in mouth, constipation, pain in
limbs, sleeplessness, belching of gas,
flatulency, sick headache, nervous-
ness, dizziness or many other similar
symptoms.

If your appetite is fickle and noth-
ing tempts you, or you belch gas, or if
you feel bloated after eating, or your
food lies like a lump of lead on your
stomach, and see if within five minutes
that at the bottom of all this there is
but one cause—fermentation of undig-
ested food.

Prove to yourself in five minutes
that your stomach is as good as any;
that there is nothing really wrong.
Stop this fermentation and begin eat-
ing what you want without fear of dis-
comfort or misery.

Almost instant relief is waiting for
you. It is merely a matter of how
soon you take a little Diapiespin.
