Great Sale and Exhibition of Made in Oregon Products

A number of years ago when "Made in Oregon" displays were made by this store it was necessary to call to our aid the assistance of the manufacturers who made the exhibits for us. But today our stocks are so extensive that we are able to make a very creditable showing of ready-to-wear apparel, household needs and foods of all kinds from our regular stocks without asking outsiders to help us. Another proof of this store's superior purchasing powers and loyalty to home institutions. Our stocks are more extensive than any other store's. Our prices invariably lower. "Made in Oregon."
