MAYOR HAS BRIDGE PLAN

CITY MAY BUILD WITHOUT WAITING ON BONDS.

Proposal of Bidders That City Pay \$2000 for Legal Opinion Will Be Rejected.

Mayor Simon is endeavoring to work out a plan whereby the city will be able to provide money for the construction of the Broadway bridge without selling bonds at the present time, in an effort to avoid further delay through the operations of obstructionists

"I have in mind a plan which, if worked out successfully, would enable the city to provide plenty of funds for the construction of the Broadway bridge," said the Mayor. "It is a big problem, as the amount required is so large. However, as the administration is determined to build the span, I shall

Judgment for M's Granted Egger. The partiment of the State Circuit Court, returned yesterday afternoon, gave F. G. Stiller ludgment 'or M's against Dan Bleuer, Christ Egger and Adelph Egger. The money was due on a promissory note. The veriet provides that the defendants at the Multnomah sible from the city of Portland pay the attorneys 1800 for the lasue, and suggesting the case of the block upon which the school is located is now occupied by a stable and feed store.

Court Despais BD Selection.—The Court of the lasue, and suggesting that the City of Portland pay the attorneys 1800 for the lasue, and suggesting that the City of Portland pay the attorneys 1800 for their work.

The veriest provides that the defendants at the Multnomah sible from the city's standpoint, as the language. However, As the administration is determined to build the span, I shall try to evolve this plan, and may have a definite statement to make concerning it in the near future.

City Auditor Barbur received yesterday morning a brief telegram from Farson. Son & Co., the Chicago firm which bid for the last issue of \$500,000 Broadway bridge bonds, saying that the firm's attorneys in New York may pass favorably upon the legality of the lasue, and suggesting that the City of Portland pay the attorneys 1800 for their work. agreed that such a proposal was impos-sible from the city's standpoint as the sible from the city's standpoint, as the city has no authority to pay private concerns special sums for work done for another private firm, as in this case. They would not do so, they said, if they had the authority, as it is for the bond-buyers to provide their own legal opinions as to all points concerned.

Mr. Barbur telegraphed Farson, Son & Carvasterday morning that he would

The skin excretes 2 pounds of waste matter daily

Very few people realize what an important part the skin plays in maintaining the health of the body. It excretes through its 28 miles of tiny pores 2 pounds of waste matter daily. Unless these pores are properly performing their work, this waste matter stays in the skin and impedes its every function.

Woodbury's Facial Soap cleanses and purifies the pores thoroughly and acts as a stimulant and a tonic for the skin, enabling it to assist nature in throwing off the foreign matter and in discharging
