HONDURANS MAKE DENIAL

Bonilla and Christmas Say Neutrality Laws Were Not Violated.

NEW ORLEANS, Feb. 21.—Both General Manuel Bonilla, provisional President of Honduras, and General Lee Christmas, his chief military aid in revolution in that country, emphatically deny the charge that they violated the neutrality laws of the United States in connection with the departure from this port of the steamer Hornet.

The Associated Press today received aerograms from Generals Bonilla and Christmas regarding the indictments returned against them here by the

Federal grand jury. While General Bonilla does not indicate what steps he will take, General Christmas says that as soon as peace has been restored in Honduras, he will return to the United States and answer the charges against him.

The Honduran revolutionists have been assured by the State Department that the indictments will have no effect on the impartial attitude of this Government in the pending negotiations.

Ex-Secretary of Navy Will Try to Break Mrs. Eddy's Will.

BOSTON, Feb. 21.—Announcement was made today that ex-Secretary of the Navy Long has been retained to represent in the Massachusetts courts the interests of George W. Glover, of Lead, S. D., and Dr. Ebenezer J. Foster Eddy, of Waterbury, Vt., son and foster-son, respectively, of the late Mrs. Mary Baker Eddy, founder of the Christian Science Church. It is understood that Mr. Long will co-operate with William E. Chandler, of New Hampshire, and his associate counsel, who have asked in New Hamp-

shire for a construction of Mrs. Eddy's will, alleging that she had not the power to give nor the Christian Science Church to receive so large a bequest as the \$2,000,000 residuary estate.

TAFT'S MEDAL UNTAINTED

Trainmen's Gift to President Found to Be All Right.

WORCESTER, Mass., Feb. 21.—"Fourteen-karat gold and without the taint of prison labor" is the verdict in the case of the much-discussed medal presented to President Taft last April by the Trainmen of America, when the President was the chief guest at the trainmen's convention in this city. Since the presentation of the medal it had been charged that the decoration was of brass and that the engraving had been done by a prisoner in the Worcester County jail. An investigation was made by the Worcester committee of the trainmen.
