# DEMOCRATS READY TO REVISE TARIFF

Underwood Stys They Will Begin at Once if Extra Session Is Called.

### PIECEMEAL PLAN FAVORED

Future Chairman Denies Party Is Afraid to Face Issue - Some Schedules Sure to Be Revised Downward, He Says.

WASHINGTON, Feb. II .- If an exira

session of Congress follows the journment of the present session March 4 next, the Democrats of the House will set about at once to revise several schedules of the Payne-Aldrich act. An authoritiative statement to this effect was given out today by Underwood of Alahama, who already has been selected as chairman of the new committee on ways and means. Underwood

The statement that, if an extra sesaion is called, the Democrats in the House will not begin the work of revis-ing the tariff is unfounded. The Demorate are piedged to revise the tariff and, if we go into an extra session, the House unquestionably will pais some tariff bills revising some of the schedules of the Payne act downward before it adjourns."

North Dakotan Tells Supposed Reason for Backing Reciprocity.

WASHINGTON, Feb. 21.—A letter charging that James J. Hill, of the Great Northern Railway, was interested in the agreement, because the railroad would profit greatly from reciprocity with Canada, was read in the Senate today. Gronna, the new insurgent Senator from North Dakota, sent the letter to the secretary's desk and had it read.

The letter was from R. T. Kingman, of Hillsboro, N. D. It sharply critised Mr. Hill because of a recent speech. Heyburn questioned the propriety of reading such a document into the rechad been presented by another Sen-ster, he desisted, saying that each Sen-ater must decide such questions for him-He declared the proceedings most

Hill Says Opposition to Reciprocity

Comes Thence.

CLEVELAND, Feb. 21.—After a speech today by Representative E. J. Hill, of Connecticut, member of the ways and means committee of the House, in which he urged indorsement of the Canadian reciprocity treaty, the Chamber of Commerce here passed a resolution to day, recommending the ratification of the agreement.

Not from the farmers fireside but from Wall street has come the inspiration for the circulars in opposition to the agreement, said Mr. Hill, of Connecticut.

Lumber, said Mr. Hill, of Connecticut.

Lumber, said Mr. Hill, has steadily increased in cost and price until the problem now is to know what substitutes can be employed for it.

About 15 years ago he entered the hop business with his father, Isaac Pincus, one of the pioneer dealers of the West, and his brother, James. The father retired from active business several years ago and since then the business has been conducted by the two brothers. The firm is one of the best known in the hop trade of the world. The business proved highly successful until last December, when, because of reverses, it was found necessary to put the firm into a receiver's hands, but steps were under way to reorganize the business. THREE FRANCHISES ASKED

Washington - Oregon Corporation Seeks Rights From Vancouver.

VANCOUVER, Wash., Feb. 21.—(Spectal.)—At the Council meeting last night the Washington-Oregon Corporation asked for three uniform franchises to run 50 years for gas, water and an electric light and rallway line. This request was made of the city that the company may issue bonds to the extent of \$500,000 for improvement of their plant. The Mount Hood Railway Company, too, is seeking entrance to Vancouver and to this end ex-Senator Fulton, of Portland, spoke for the road. The City Attorney replied that the city should favor a 15-year franchise if any is granted, as this is the length of time which the Portland Railway, Light & Power Company's franchise still runs.

30,000,000 FEET.

Lewis River Concern Gets Contract. Eastern Oregon.

Thirty million feet of ties were bought yesterday by the Oregon-Washington Railroad & Navigation Company from the Lewis River Tie & Lumber Mills Association. Deliveries will begin next month and will extend over a period of five months. Shipments will all be made by rail from Ridgefield,

Wash.

The price at which the ties were bought is not known, both the manufacturers and the railroad officials regustry to give out the information. Prices have ruled about \$9.50, but the Lewis River Association, which shut down its mills some months ago, has declared repeatedly that none of the mills would cut ties for less than \$11, because they could not run at a profit for less than that figure. for less than that figure.
