

McCREDIE'S OFF TO SANTA MARIA SOUTH

With Four Players, Portland Team Manager Hurries to Open Training.

LONG SEEKS NEAL BALL

Player, Wanted Here, Is in Great Demand, but No Chance for Sale. Boys See Press Club "Jinks," Then Flee to California.

Accompanied by Buddy Ryan, Tom Seaman, William H. Rapp, W. J. Petrain and W. J. Stuen, Walter McCredie, manager of the Portland Pacific Coast League Champions of 1910, left at 1 o'clock this morning for Santa Maria to commence training for the season of 1911 which opens on March 23. Completely confident that his team will do as well as if not better than last season, McCredie will not smile previous to his departure. All of his Beavers have signed up except Neal Ball and Elmer Koestner, and the latter will turn in his contract on joining the squad at the training grounds Saturday.

The Portland party will reach San Francisco Friday noon, and will remain there until Saturday morning when they go to Santa Maria, arriving at the latter place about 4 o'clock Saturday afternoon.

Others Coming on Special. McCredie expects to meet a number of his players at Santa Maria. For several of the prospective Beavers are on route to the Coast on the Boston Red Sox special, which left Chicago Saturday night. At San Francisco McCredie will be joined by Artie Krueger, Tommy Sheehan, Fred Arlett, Russell and McDonough, and possibly Nick Williams, for McCredie wants the Northwestern team's manager to accompany him to Santa Maria for a few days to talk over the season's prospects.

ever a ballplayer was in demand, Neal Ball is that player, for yesterday McCredie was informed that Danny Long offers to exchange a couple of young players he has a line on from the Chicago White Sox for Ball, and here is what McCredie remarked when he learned of the offer: "I would not give Ball to Long for any two men on his team unless Oscar Vitt was included in the trade. I think Vitt is the only good man on the Sox team. By that I mean that he is the only one who is likely to prove as valuable a player to me as is Neal Ball. San Francisco has a number of other players who are likely to shine this season, but I am looking to the future in my selections. Vitt is the only San Francisco player who is attractive to me when a trade for Ball is concerned."

Money Not in Question. In turning down cash offers for Ball, McCredie says that he does not need the money as badly as he needs a player of Ball's ability.

"Such players are not to be purchased at this time of the year," said McCredie, "and I want Ball or a man just as good as he is in my estimation. Any club that can show me such a player as ready to talk trade I will do business with, but under no circumstances will I sell this player."

The Beavers will play their first game of the season at Santa Maria next Sunday afternoon, when the Portland team will meet Billy Miller's Santa Maria team in the first game of the practice season. McCredie says that Russell or Arlett will pitch for Portland in that game, as both have been playing most of the winter and will be in good shape to work the first game. Walter Kuhn will do the catching, as Tommy Murray may not arrive in time.

Before leaving for the South, McCredie and the balance of the Portland players attended the "opening jinks" at the Portland Press Club, and hustled away from the "doings" only in time to catch their train.

CANOE CARIVAL IS PLANNED

Eugene's Mill-Race to Be Scene of Novel Event During Junior Week.

UNIVERSITY OF OREGON, Eugene, Feb. 22.—(Special).—The junior class of the University of Oregon will officially back the movement in favor of a canoe carnival to be held on the mill-race during Junior week-end in May. This decision was made in a meeting of the class Monday, and D. L. McDaniel, the class president, has appointed a committee to take charge of the matter.

The canoe carnival will be the first entertainment of its kind in the history of the university, and will, if successful, be made a permanent feature of the festivities of the Junior week-end. The programme under discussion now will include canoe races and aquatic contests, and a lantern pageant of canoes on the millrace at night. Between 100 and 150 canoes will be available for such a pageant.

Four cars were ditched during the race, but no serious accident occurred.

University Track Team in Training.

UNIVERSITY OF OREGON, Eugene, Or., Feb. 22.—(Special).—Track training was begun at the University of Oregon this week. The greater part of the candidates who were entered in the squad thus far are from the freshman class and some promising new material has appeared. The sheds over the covered running track, which were blown down recently in a storm, were replaced last week, and on this track and the indoor course in the gymnasium work will be carried on without interruption until the weather permits the men to train on the outdoor track.

Morris-Flynn Fight Off.

OKLAHOMA CITY, Okla., Feb. 22.—The Carl Morris-Jim Flynn fight, announced to take place here tonight, has been indefinitely postponed. Morris is training near Sapulpa. It is said he probably will fight again within the next 30 days, but his opponent has not been selected.

CALIFORNIA FIGHTER GAINS DECISION OVER "KNOCK-OUT" BROWN IN NEW YORK.

"ONE-ROUND" HOGAN. NEW YORK, Feb. 22.—"One-Round" Hogan, of California, gained a popular decision over "Knockout" Brown, of New York, in a 10-round bout at the Madison Athletic Club here tonight.

REAGAN IS BEATEN

Joe Rivers Gets Decision in Thirteenth Round.

Referee Awards Match to Clever and Much-Touted Mexican Featherweight.

LOS ANGELES, Cal., Feb. 22.—(Special).—Joe Rivers, the Mexican boy who is touted as the coming featherweight champion and who is hot on the trail of Abe Attel, won a decisive victory over Jimmie Reagan, who came from Oregon especially for the battle, this afternoon at the Vernon arena.

Referee Eytan declared Rivers the winner in the 13th round, after Reagan had been knocked down twice in that round and was waiting the count of 10 on the second knockdown. Reagan was knocked down four times before the 13th round and was "all in" when Eytan declared Rivers the victor.

The young Mexican showed remarkable endurance throughout the fight, slowing down when fast fighting was not required, placing his blows well and "mixing it" terrifically when the occasion called for it. He weakened his adversary by boring in on Reagan's kidneys at every opportunity and once actually lifted him off his feet with a punch on the jaw and saved all by a kidney blow. Shifts to jaw punching on Rivers' part floored Reagan three times.

NATIONALS WIN GAME

COLUMBUS CLUB SOCCER TEAM LOSES BY 3-TO-0 SCORE.

Contest Between Senior and Junior League Teams Develops Fastest Play of Season.

The Nationals' soccer football team easily defeated the Columbus University eleven yesterday afternoon at Columbus club park by the score of 3 to 0, and thereby retained its supremacy in local soccer. The game was between the premier teams of the junior and senior leagues.

Columbia's unending aggressiveness made them a worthy foe for even so good a team as the Nationals, reinforced by men from other clubs in the city. The Nationals were too much for the preparatory school youths.

SEALS ARE SHUT OUT

MODESTO REDS DEFEAT THEM IN FIRST GAME OF SEASON.

At Hotel Tynan, there is a touch of sadness and gloom over the loss of that first game of the year, a gloominess that will not dawn, even though it was nothing more than an exhibition contest and in spite of all the excuses that have been made. Modesto people are correspondingly happy. They expected to be slaughtered.

MODFORD LOSES TO ASHLAND

By Score of 39 to 18 Basketball Game at Natorium Is Won.

MEDFORD, Or., Feb. 22.—(Special).—Superior playing, backed by plenty of practice, won for the Ashland basketball team against the Modford "Regulars" at the Natorium Saturday night. At no time did the local boys have a chance to win as their team, besides being weakened by the loss of two of the regular players,

lacked team practice. The score at the first half was 25 to 6 in favor of Ashland and at the final 39 to 18.

EVERS SIGNS WITH CHICAGO

Artie Hofman Expected to Fix Salary Differences With Cubs.

CHICAGO, Feb. 22.—John J. Evers, second baseman of the Chicago National, signed a two-year contract with the club today. It is believed that Artie Hofman's differences with the management over salary will be adjusted.

Johnson Ready for Langford.

SAN LEANDRO, Cal., Feb. 22.—Champion Jack Johnson, who is an important spectator at the automobile race the club today, it is believed that he would fight Sam Langford, victor over Bill Lang in London yesterday, anywhere and at any time after three months, if his terms were met. As to terms, he said that he would demand a guarantee of \$20,000 as his end of the purse. The champion also said that he would insist upon an American referee if the fight should be held in London. Johnson added that yesterday's fight had not changed his opinion of Langford's courage or ability.

Game Canceled.

The basketball game between Mount Angel College and the Columbus Club scheduled for next Saturday night at the club today, it is believed that when Manager Grayson received a letter from Mount Angel, baseball practice has begun and the basketball men have quit the gymnasium sport for the outdoor game. An effort will be made by Manager Grayson to arrange another game for Saturday night.

Vancover to Play Here.

The Intercollegiate League basketball game scheduled for this afternoon is between the Allen Preparatory School and the Vancouver High School teams. The scene of the game will be the Young Men's Christian Association gymnasium floor and the game will commence at 2 o'clock. Allen has found its winning strategy and feels confident of winning from the boys from across the Columbia. Vancouver is considered one of the best teams in the league.

GAME ENDS IN FIGHT

DAYTON PLAYER'S NOSE BROKEN IN WAITSBURG CONTEST.

Serious Charges Follow Rough Basketball "Bout"; One Knocked Senseless; Other Game Off.
