

MONS WILL HEAD  
FRENCH CABINET

Offered Office of Premier, He  
Is Assured of United  
Party Support.

DELCASSE WILL JOIN HIM

Backed by Entire Republican Party  
and Radical Socialists, He Will  
Enlist Veteran Statesmen in  
His Administration.

PARIS, Feb. 28.—There is practically  
no doubt that Antoine Emmanuel Ernst  
Monis will be M. Briand's successor as  
premier, although he has announced he  
will give no formal answer until to-  
morrow to President Fallieres' request  
that he form a new cabinet.

Before deciding to accept, M. Monis  
informed the president that he would  
consult with his friends and the result  
of this makes it almost certain he will  
accept.

M. Monis is regarded in political cir-  
cles as a properly fitted man to suc-  
cessfully lead the ministry. He is  
acceptable to all sections of the re-  
publican majority, while assured also  
of the support of the Radical Socialist  
section.

Delcasse to Be in Cabinet.  
Ex-Premier Ribot or Senator Ray-  
mond Poincaré is to be made minister  
of foreign affairs. Jean Dupuy is to  
be retained as minister of commerce. It  
also is believed that M. Millerand, who  
was Briand's minister of public posts  
and telegraphs prior to the assumption  
of that office by M. Poincaré, will be  
offered a portfolio, not as specified.  
After a conference this evening with  
M. Delcasse, M. Monis announced that  
Delcasse had accepted the portfolio of  
marine and M. Berthelette that of war.  
The acceptance of these is considered  
to assure the success of the new cabi-  
net.

In his interview with Delcasse, M.  
Monis said he had decided to offer the  
portfolio of finance to M. Calliaux, the  
champion of the income tax bill now  
before the Senate, and that of justice to  
M. Cruppi.

Should M. Ribot decline the foreign  
portfolio, it will be offered to M. Poi-  
ncaré.

Monis Veteran Statesman.  
M. Monis is a lawyer and he has sat in  
the Senate for Glorides since 1891. He  
occupies a position of great authority in  
the Senate. In politics he is a radical  
Republican, moderately inclined toward  
the advanced Left section. He was born  
in 1846 and was Minister of Justice in the  
Waldeck-Rousseau Cabinet in 1892-  
1893.

The Deputies found a sensation in the  
resignation of M. Jomard, Governor  
of Algeria, who telegraphed Tuesday  
that his sense of duty to the country  
would not permit him to remain in of-  
fice after the abandonment of the poli-  
cies which he was committed to carry  
out.

The organs of the Radical party are  
insisting on a ministry which shall con-  
tinue the Briand policies. This would  
seem to support M. Briand's intimation  
that the opposition to him was personal,  
and it is not unlikely that he will have  
the satisfaction of seeing his legislative  
programme survive his official life.

MINISTER DRINKS POISON

Body of Fox Island Pastor Found in  
Pasture Near Home.

TACOMA, Feb. 28.—Going into a pas-  
ture 300 yards from his home, Rev.  
Frank D. Bentley, pastor of Sylvan  
Congregational Church, on Fox Island,  
committed suicide early Monday morn-  
ing by drinking carbolic acid. His  
failure to return alarmed his family  
and search parties hastily organized  
were not rewarded until 9 o'clock this  
morning when he was found on the  
fence dead, lying in the partially  
cleared meadow lot.

Physical ailment and mental strain  
are ascribed as the causes.

RUEF IS GOING TO PRISON

(Continued From First Page.)  
consultation before any order could be  
effective was dismissed by the court  
with the statement that such procedure  
had already been followed by the court  
and that its legality could not be ques-  
tioned.

The decision then continues:  
"This brings us to what is, in fact,  
the only real question presented by this  
motion, viz:  
"The effect during his absence from  
this state of Justice Henshaw's signa-  
ture to the order, such signature having  
been attached prior to his departure  
from the state."  
The court then cited decisions holding  
that such signature was not binding even  
on him and might have been withdrawn  
at any time before the other Justices  
attached their signatures to the order.  
Likewise it was held that his assent  
would have been ineffectual if, pending  
the actual making of the order, Justice  
Henshaw had ceased by death or other-  
wise to exercise his judicial functions.

While absence from the state was held  
to be only the suspension of judicial  
functions, yet such suspension was suf-  
ficient to invalidate any order signed  
by the requisite number of concurring  
Justices subsequent to departure of the  
absent Justice.

Bench Warrant Issued.  
Following the vacation of the court's  
order granting Ruef a retrial, the re-  
cord of the case was sent back to the  
District Court of Appeals. That tri-  
bunal at once issued a remittitur to  
Judge Lawlor, the trial judge, whose  
sentence the Appellate Court had al-  
ready confirmed.

Lawlor issued a bench warrant,  
which he transmitted to the Sheriff's  
office with directions that it be served  
immediately. Ruef conferred with his  
attorneys, after which he made a state-  
ment in which he admitted that the  
vacation of the Supreme Court order  
for a retrial ends his fight for  
liberty.

"Of course I was not answerable for  
Justice Henshaw's signature to the state,"  
said Ruef, "and yet this deter-  
mination of the Supreme Court de-  
prives me on that technical ground of a  
right to which they had already de-  
termined I was entitled."  
"My conviction was the result of an  
unfair trial, during which every con-  
stitutional right of which I was pos-  
sessed was invaded; and I would not  
have been convicted except for the re-  
grettable incident of the shooting of  
Mr. Hensley and the great public ex-  
citement which ensued. Errors enough

on substantial matters, not technical,  
were committed during the trial, any  
one of which would have been suf-  
ficient to reverse any other case than  
mine."

Abraham Ruef, during the incumbency  
of Mayor Eugene Schmitz, was credited  
with being the political dictator of this  
city. As the result of the graft dis-  
closures following the fire of 1906, he  
was indicted by the Oliver grand jury  
on 70 odd counts charging the accept-  
ance and bestowal of bribes.

He was placed on trial before Judge  
Lawlor on a charge of bribing Super-  
visor John J. Furey to vote in favor of  
an overhead trolley franchise for the  
United Railroads, the streetcar system  
acquired shortly before the fire by East-  
ern capitalists represented by Patrick  
Calhoun. During the trial, Special  
Prosecutor Francis J. Applegate affirmed  
that he and Furey were wounded by Morris  
Haas, an ex-convict whom Hensley had  
exposed when he was drawn on the jury  
panel. A few days later, Ruef, com-  
mitted suicide in the County Jail.

Sentence Is 14 Years.  
Hensley's place was taken by Hiram W.  
Johnson, now Governor of California, and  
after a delay of several weeks, the trial  
was resumed with Ruef's conviction and  
sentence to 14 years in San Quentin as  
the outcome.

The case was appealed and after read-  
ing the most voluminous record ever  
submitted to an Appellate Court, the  
First District Court of Appeals affirmed  
the judgment and order of the lower  
court. Ruef's attorneys then asked the  
Supreme Court for a rehearing which  
was granted on January 23 last. The  
order for a rehearing was followed im-  
mediately by a motion by Attorney-  
General Webb that it be vacated.

When Attorney-General Webb first  
raised the point of Henshaw's absence  
from the state, there was some criticism  
of the Supreme Court, whereupon the  
Justices asked the Legislature. The two  
bodies then sat in joint session. How-  
ever, the Supreme Court in its decision today  
conceded that the criticisms were just.

BROTHERS ARE REUNITED

MARKHAM TALKS TO OTHER  
OVER PHONE AFTER YEARS.

Separated in Childhood, Railroad  
President and Plasterer Will  
Meet in Late Manhood.

HOPKINSVILLE, Ky., Feb. 28.—Charles  
H. Markham, president of the Illinois  
Central Railroad, today was told that  
his brother John T. Markham, from whom  
he had been separated since childhood,  
was in this city. John H. Markham is 72  
years old and has been a bricklayer and  
plasterer for many years. The two  
spoke to each other over the long-dis-  
tance telephone.

Charles, as a baby, was taken north  
from Clarksville, Tenn., by his stepfather  
during the Civil War. John joined the  
Confederate Army and after the war  
located in Hopkinsville.

CHICAGO, Feb. 28.—(Special.)—Charles  
H. Markham, president of the Illinois  
Central Railroad, modestly inclined to-  
ward the advanced Left section. He was  
born in 1846 and was Minister of Justice  
in the Waldeck-Rousseau Cabinet in 1892-  
1893.

The Deputies found a sensation in the

insisting on a ministry which shall con-  
tinue the Briand policies. This would  
seem to support M. Briand's intimation  
that the opposition to him was personal,  
and it is not unlikely that he will have  
the satisfaction of seeing his legislative  
programme survive his official life.

SALEM FRANCHISE VETOED

Friends of Railroad Believe Action  
Will Be Overruled.

SALEM, Or., Feb. 28.—(Special.)—  
Mayor Lachmund's action today in ve-  
toing the franchise for the Salem, Falls  
City & Western Railroad through real-  
estate streets of this city has left the  
city Council to determine whether the  
road shall come into Salem from  
across the river or stay out.

It is believed by friends of the road  
that there are enough votes to carry  
the franchise over the veto of the  
Mayor. Some are in favor of a com-  
promise, while a few are with the  
Council. Without doubt a majority of  
the Council is flatly in favor of per-  
mitting the road to enter Salem's  
streets, and it is only a question  
whether the necessary two-thirds can be  
mustered.

Mayor Lachmund objects to allowing  
the street to stand over real estate  
and to the 25-year feature in the fran-  
chise.

The intended franchise would allow  
the road to bridge the river at Union  
street and follow up Union to connect  
both with the Oregon Electric and the  
Southern Pacific.

BANK'S CLAIM IS DENIED

State Treasurer Doesn't Have to Pay  
on Fraudulent Voucher.

OLYMPIA, Wash., Feb. 28.—(Special.)  
—In a decision handed down today, the  
Supreme Court refused to issue the writ  
of mandamus asked by the Olympia Na-  
tional Bank against John G. Lewis, State  
Treasurer, to make the latter pay a  
warrant for \$1712.88. The warrant was  
drawn by the Auditor on fraudulent  
vouchers presented by Oris Hamilton,  
ex-Adjutant-General of the National  
Guard, now in the penitentiary at Walla  
Walla for embezzling state funds. The  
bank cashed the warrant and now wants  
the state to redeem it, but the state  
does not have to, says the court.

The court says Hamilton could not  
force collection if it was still in his pos-  
session, and therefore the bank cannot  
and as the paper is not negotiable,  
the bank is not an innocent pur-  
chaser. The Olympia institution there-  
fore must secure relief through the Leg-  
islature.

cede thereto, a strike was called. The  
statement concludes:

"The following telegram was re-  
ceived tonight by the Chicago Publi-

GOMEZ IS AROUSED

Rebel Agent Says Peace En-  
voys May Be Held Spies.

CREDENTIALS ARE ASKED

Insurgents' Representative Makes  
Known Identity Alleged Spokes-  
men of President Diaz to  
Insurgent Forces.

WASHINGTON, Feb. 28.—Dr. Vasquez  
Gomez, representative here of the Mexi-  
can revolutionists, issued an ultimatum  
today declaring that unless the so-called  
peace envoys presented written creden-  
tials, they would be treated as spies by  
the insurgent army. He said that on  
two occasions representations for peace  
had been made by them which later had  
been discredited by the Federal govern-  
ment.

Dr. Gomez disclosed the identity of the  
so-called peace envoys. The initial con-  
ference, Dr. Gomez declared, took place  
at El Paso, Tex., February 20, and the  
neutral witness was George Curry, of  
Santa Fe, N. M., until recently Governor  
of New Mexico.

With ex-Governor Curry at El Paso,  
Dr. Gomez added, were Senator Cruz,  
of Gonzales; Senator Felipe Segus and Senator  
Garcia Cuadra, attorneys from the City  
of Chihuahua, who claimed to have been  
sent by Governor Ahumada, of Chihua-  
hua.

Dr. Gomez asserted that in the confer-  
ence arranged for Corpus Christi, Tex.,  
last week, Senator Ingio Noriega came as  
the representative of President Diaz.

AMERICAN PRISONER KILLED

Private Advances From Chihuahua  
Confirm Report of Jail-Break.

CHICAGO, Feb. 28.—A private tele-  
gram to the Associated Press from a re-  
liable source at Chihuahua, Mex., con-  
firms the report of an uprising of long-  
term prisoners in the penitentiary in  
that city.

Forty-two prisoners, including one  
American, participated in the outbreak.  
Despite the fact that the prison is a  
modern one, the prisoners overpowered  
the corridor guards, seized 12 rifles and  
a large amount of ammunition, and af-  
ter dispersing the outer guard, made  
their way into the street.

Police and soldiers, led by Governor  
Ahumada in person, engaged the fugi-  
tives. Fifteen prisoners were killed,  
five wounded and the remainder es-  
caped.

FEDERALS RETAKE FRONTERAS

Rebel Attack Aimed at Agua Prieta.  
Refugees in New Trouble.

The Mexican Government today sent 200  
well armed troops and regulars to  
 Fronteras, captured yesterday by the  
rebels, but found no rebels. The latter  
had evidently decamped to the hills,  
carrying with them 18 federal prison-  
ers.

It is certain that the real object of  
the rebel attack is Agua Prieta, one  
of the most important Mexican customs  
ports on the boundary.

The rebels released the train which  
they were holding near Fronteras last  
night and it arrived at Agua Prieta  
over the Necoziar Railroad today. On  
this train were many refugees from the  
Montezuma district. Fleeing from the  
disturbed conditions that reign, they  
ran into fresh trouble at Fronteras  
and, when the train was stopped by  
the rebel band, the women and children  
got out of the coaches and prayed for  
deliverance.

BORDER WILL BE WATCHED

United States Will Patrol Boundary  
More Closely Than Ever.

WASHINGTON, Feb. 28.—Disturbances  
are increasing along the Mexican fron-  
tier and the situation necessitates the  
close watching by the American troops  
of practically every inch of the line in  
order to preserve the neutrality of the  
United States.

OREGON PLAN REJECTED

Washington Legislature Postpones  
Direct-Vote Measure.

OLYMPIA, Wash., Feb. 28.—(Spe-  
cial.)—Without being detected by  
friends of the bill, the measure intro-  
duced in the House by Todd of Whit-  
man, providing for the Oregon plan  
of electing United States Senators, was  
recommended for indefinite postposi-  
tion by committee on elections  
and privileges.

The bill was included with a large  
batch of others reported out. Had it  
not escaped notice of friends of the  
bill, the committee's recommendation  
would have undoubtedly resulted in  
warm debate, as the House is unques-  
tionably in favor of the general plan of  
direct legislation.

Representative Moody, of Clack, said  
tonight that the committee, of which  
he is a member, had discussed the Ore-  
gion plan and was unanimous in the  
belief that the election of United States  
Senators by direct and final vote of  
the people was not an improvement  
over the old system.

TRY THIS IF YOU ACHE ALL OVER  
FROM A BAD COLD OR THE GRIPPE

Tells How to Get Rid of the  
Worst Cold and All Grippe  
Misery in Just a Few  
Hours.

Nothing else that you can take will  
break your cold or end grippe so  
promptly as a dose of Pope's Cold  
Compound every two hours until three  
consecutive doses are taken.

The most miserable neuralgia pains,  
headaches, dullness, head and nose  
stuffed up, feverishness, sneezing, run-  
ning of the nose, sore throat, mucous  
catarrhal discharges, soreness, stiff-  
ness, rheumatism pains and other dis-

tress begin to leave after the very first  
dose.  
Pope's Cold Compound is the result  
of three years' research at a cost of  
more than fifty thousand dollars, and  
contains no quinine, which we have  
conclusively demonstrated is not ef-  
fective in the treatment of colds or  
grippe.  
Take this harmless Compound as  
directed, with the knowledge that  
there is no other medicine made any-  
where else in the world, which will  
cure your cold or end Grippe misery  
so promptly and without any other  
assistance or bad after effects as a 25-  
cent package of Pope's Cold Com-  
pound, which any druggist in the  
world can supply.
