

# HARDY BEAVERS DO NOT MIND RAINS

Others in Portland Training Camp Enjoy Automobile Jaunt.

## ARLETT IS BACK IN CAMP

Tired of Waiting for Neal Ball to Report McCredie Sends for Eddie Mentor — Several Players Are Still Absent.

BY W. J. PETRAIN.

SANTA MARIA, Cal., March 1.—(Special.)—Torrents of rain prevented the majority of the Beavers from working out today, but a few of the hardy ones ventured to Thornburg Park and indulged in about two hours' work, between showers.

Manager McCredie hung out the "nothing doing" sign when rain came down to descend at noon and most of the players enjoyed an automobile jaunt around Santa Maria. Ted Kuhn, Tom Seaton, Bill Steen, Frank Welch, Fullerton and Chadburn went to the park about 2 o'clock and worked out between showers for about two hours. Arlett, the young San Francisco lad who deserted the camp Sunday night, returned to camp this evening. Arlett explains that it was sickness in his family that caused him to return to his home. He is a promising looking youngster and McCredie wants to give him a thorough trial.

No news has been received from Neal Ball since the arrival here of Appleby yesterday and neither have any of the ditatory players put in their appearance. Murray and Griffith were expected today but did not reach here while the whereabouts of Peckinpaugh and Braden continue to mystify McCredie. All four players have taken up their tickets and should have reported by this time. However floods are prevailing in this country and it may be that they are delayed by washouts along the Sierra route.

McCredie tonight sent for Eddie Mentor, who is in Portland, to join his team here immediately. He is tired of waiting on Neal Ball and will replace him with either Mentor or Peckinpaugh.

## SECOND PLACE IS AT STAKE

Jefferson and Washington High to Contest at Basketball.

Second place in the Intercollegiate League basketball championship race depends upon the outcome of the game this afternoon at the Young Men's Christian Association between Jefferson and Washington High Schools. The teams are ready to fight from whistle to whistle. Jefferson has been beaten only by Columbia University and Washington High School in the most bitter-fought basketball contest seen in the Intercollegiate League game for several years.

Washington High School tied with Lincoln at the first of the season and the two quintets are therefore tied for second place. Washington hopes to win from Jefferson today, that she may meet Columbia for the championship a week from today. But Jefferson is determined to dispel Washington's championship hopes by winning the contest this afternoon.

These promises to be the biggest crowd of the season at today's game. Because of the rivalry between the teams the interest is running high in the student bodies of the two East Side institutions. When Jefferson and Columbia played the season's largest crowd saw the game, but today's attendance is expected to be the record-breaker of the year. Each team will probably play the same men of the last few games, although Parsons, of the Washington guard, has a sore hip and may not be able to get into the game. The game will be called at 2 o'clock.

## GREAT BASEBALL IS EXPECTED

Speaker Relied Upon to Put Sensations in Red Sox Work.

LOS ANGELES, Cal., March 1.—(Special.)—San Francisco and Oakland will see some of the best baseball ever seen up in the Boston Red Sox Northern division, which left on the Owl tonight, keeps up the good work it started here. Manager Fatsy Donovan said just before leaving that he expects much better work from his men than they have thus far shown, because they had been under the influence of a long trip and sudden change of climate.

One of the men who should delight the fans up the Coast is Tris Speaker, the famous outfielder and slugger, who was picked to go along at the last minute. It had been expected that he would remain here during the Spring practice. Speaker is reported in better condition than ever before and that is saying a good deal. It is believed he was selected to give a spectacular touch to the playing. He did it here and attracted more attention than any half dozen men on the great team.

Treasurer Hugh McBrown will go to San Francisco tomorrow night to remain several days with that division. The players with Donovan are: Speaker, Lewis, Wagner, Bradley, Hooper, Neinger, Mahoney, Pierce, Doolan, Hunt, Williams, Madden, Kiehn, Thomas, Arralanes, Wood, Killaly, Clotte Pape and Shurtel.

## BETA FIVE WINS SILVER CUP

Basketball Team Victor Over Sigma Nu Fraternity Five.

UNIVERSITY OF OREGON, Eugene, Or., March 1.—(Special.)—The silver cup offered by Trainer Hayward in the interfraternity basketball series was won by the Beta Theta Pi team when it defeated the Sigma Nu in the last game of the schedule yesterday. The cup must be won for two successive seasons by the same club before it can be permanently held.

The interfraternity schedule has developed a greater amount of interest in basketball among the students of the University of Oregon this year, and more than 50 men turned out and watched on the teams that represent the different clubs and in the college.

## MARSHALL BEATS TEICHMANN

Adjourned Games Played by Chess Masters in Tournament.

SAN SEBASTIAN, Spain, March 1.—Adjourned games occupied the attention of the international tournament. Six of these games were disposed of, resulting as follows: Marshall beat Teichmann, Capablanca

Post Athletic Club Promoting Game and Boxers From All Points Are Anxious for Matches—Anderson-Morrissey Go Set.

## HIGH SCHOOL GETS GRAY

JEFFERSON BALLPLAYERS TO HAVE NEW COACH.

Contract With Oregon Amateur Not Signed—Boys Will Be Pledged to Abstinence.

Charles R. ("Dolly") Gray, the former Northwestern League star, has been engaged as baseball coach for Jefferson High School. He will have his players out for the first workout tomorrow afternoon. Gray coached the Columbia University team last season and gave that institution a good nine.

It was reported early in the season that "Dolly" had been secured by the University of Oregon, but when his contract came the Portland man was dissatisfied with its terms and cancelled all negotiations with the "U." The baseball men at Oregon were jubilant when it was rumored that Gray had been chosen coach. Gray is well known in the Northwest as a professional player. He possesses lots of "pepper" and his players work hard for him. He is popular as a player and coach. Before going to the Spokane team of the Northwestern League, Gray played semi-professional ball about Portland and was considered one of the best.

Forty-five men responded to the first call for baseball at the meeting held at the high school Tuesday night. Enthusiasm was great and the try for positions promises to be one of the keenest in the history of local academic baseball. Coach Gray will have a difficult task choosing his team from the last year men who are back, as well as much promising new material. Jefferson is openly considered a strong contender for the Intercollegiate League championship.

Hopkin Jenkins, principal of Jefferson High School, has made an innovation in academic athletics. He has requested that every player who henceforth plays on a Jefferson team sign a pledge to not smoke or chew tobacco, or drink alcoholic beverages. "I shall not permit a boy who smokes on the Jefferson team," said Mr. Jenkins yesterday. "It is not my intention to go about town and personally investigate the cases, but having signed the pledge the boys are placed upon their own word. If they break their pledge their word will not count much with me."

## Columbus Club to Enter.

With Harold Zander as leader, the Columbus Club will enter a track team in the Columbia University indoor meet to be held at the "U" coliseum March 8.

A call has been issued for candidates for the team and the entry list will close tonight. Captain Zander has two ex-college men to bolster up his team and has a strong ironworker who hails from San Francisco, who will be entered in the weight events. Members of the team are now doing gymnasium work and the outdoor training will probably begin in another two weeks. The club has an excellent athletic field on which its track men can train. Columbus Club's official entry will be made with Professor Bach soon.

## West and Evans Sign.

ROSEBURG, Or., March 1.—(Special.)—Bobby Evans, of Portland (135 pounds), and Eugene West, of the Portland Athletic Club (138 pounds), signed articles today to meet in a 10-round go at Syke's rink here March 17. The men are said to be well matched. Eight spectators will also be fought.

## Sullivan-O'Keefe Fight Off.

DENVER, March 1.—District Attorney Morgan, of Jefferson County, today prohibited the fight scheduled to take place at Edgewater, a Denver suburb, on March 7 between Jack ("Twin") Sullivan, of Cambridge, Mass., and Johnny O'Keefe, of Denver.

# Forced to Vacate!

## Building to Be Torn Down to Make Room for Large Department Store That Will Be Occupied by Lipman, Wolfe & Company

Goodyear Raincoat Company, 302 Washington street, had made great preparations for this coming Spring, expecting the largest business in our history here in Portland, but unfortunately overlooked the clause in our lease which gives this department store the right to take the entire block and forces us to vacate. In order to dispose of our stock at once we are offering the greatest sacrifice sale of high-grade merchandise that the Portland vicinity has ever heard of.

# Raincoats

Priestley Cravenettes, Silk and Mohair Rubberized Coats, English Slip-Ons and waterproof garments of every description for men, women and children, that must be sold at once at less than cost of raw material.

## WASHINGTON WINS GAME

FOUL LOSES SOCCER CONTEST FOR LINCOLN HIGH.

Strong Wind Interferes With Plays, Both Teams Suffering—Final Score Is 1 to 0.

Taking advantage of a foul kick permitted by Referee Churchley in front of the goal, Washington High School placed the ball into the net and won the intercollegiate soccer game by the score of 1 to 0 yesterday afternoon at the Columbus Club park. The game was hotly contested and many kicks aimed at the ball were well lodged against the legs of the players. None was badly hurt, although many shins were "barked."

A high wind spoiled the game, as was the case with last Sunday's soccer exhibition between the Columbus and the Beavers. The ball when kicked into the air against the wind would sail back again to where it was kicked from, giving the team with the wind at its back a decided advantage.

It was during the period when it had the strong wind favoring it that Washington scored what proved to be the only goal of the game. This was in the first half after a few minutes of play. Fred Barber, right half, was the man who kicked the ball through the crowd of players for the point. The foul was permitted because a Lincoln player struck the ball with his hand inside the penalty area.

Lincoln was strengthened by several new men, but when things were going good for them, they lost their cunning and were checked up, forsaking team play entirely. Washington, on the other hand, took second place in the race for the Intercollegiate League championship. Lincoln has one more game to play, meeting Portland Academy, probably Friday, at the lineup yesterday:

Teves	.....	Lincoln
Lincoln	.....	Greer
Brown	.....	Blair
Thompson	.....	Goodyear
Lundstrom	.....	Rosehall
McKenzie	.....	Rousellout
Adams	.....	Peterson
Laughton	.....	Brack
.....	.....	Ericson
.....	.....	Green
.....	.....	Reifers
.....	.....	Churchill
.....	.....	Innesmen
.....	.....	Billington
.....	.....	Duncan

## Many Will Swim for Cup.

Since the successful swimming meet held last Friday night and the more successful races held at Gearhart Sunday afternoon, swimming has received a big boom, as shown by the 25 entries made for the Elwood Miles cup contest to be held tomorrow night at the Portland Swimming Baths. It will

## Breakfast Food for Fans

SANTA MARIA, Cal., March 1.—(Special.)—Bill Rodgers is a husky young fellow and as soon as he gets over his soreness he will show his true form. Right now he shows himself to be a speed marvel in all departments.

George Sanchez, the Los Angeles youngster McCredie is giving a tryout, looks like a double of Charley Hall, the former Seattle twirler, who is now with the Boston Americans. If he does as well as Hall, McCredie will be delighted.

Frank Fullerton is the "dwarf" of the present bunch assembled here. "The best goods come in small packages" is a trite expression, and it may prove true in this case, for Fullerton looms up as a strong contender for a regular berth.

Walter Kuhn, the Fresno "redhead," is one of the most likeable players on the team. He is gingery and always fighting to win ball games. Kuhn, if kept back of the bat, will make Murray and Bradley show a great deal of class to displace him.

Buddy Ryan is starting off in fine shape. He is hitting the ball on the nose in the practice games, and the other morning he slammed Bill Steen's offerings to all corners of the lot, and Steen says that he was really pitching to Buddy.

When "Dutch" Lyons faced Arlett last Sunday, the youngster remembered the story about how Lyons once slugged a "homer" off Jesse Garrett the first time up and after that Garrett used "spitters" and fanned him three times. So did Arlett, though Lyons did not get a homer to start with, nor did he hit the ball at all. Arlett shows promise of great form.

Artie Krueger promises to have a better season even than last year. The big outfielder is cracking the ball on the seam so regularly that everyone expects him to get a hit every time up.

With Peckinpaugh and Rogers contending for a job on the Portland infield, and Kuhn as a possible one in the future, Neal Ball had better come to time pretty quick or McCredie may not have any use for him if he does

## Four-fifths of the Best Dealers sell United States Tires

Continental Hartford G & J Morgan & Wright

PORTLAND Distributing points, 27 North Front Street, 326 Burnside Street, 86 Sixth Street, 627 Washington Street.
