ing with the score tied two to two and two out, Charley Fullerton, playing third base for Buddy Ryan's Coyotes, hit one of Tom Seaton's choicest curves over the far left-field fence for a home run and broke up one of the most exciting games of the season by the score of 3 to 2.

Owing to the threatening rain in the morning, only three of the Santa Maria players showed up and McCredie and Ryan chose sides, Ryan's team being known as the "Coyotes," while McCredie's squad was styled the "Beavers.", Both teams played fast, snappy base-

Both teams played fast, snappy base-ball and each side pulled off two speedy double plays. Roger Peckinpaugh and Eddie Mensor, the latter arriving only this morning, jumped into the game for the Beavers, which team numbered the Portland regular infield in the line up, and both showed up in fine form. Peck-inpaugh will make the fans forget there has the finest throwing arm of any in-fielder in the league and gets over the ground like a deer.

#### Mensor Plays Fine Game.

Mensor played second in gilt-edged style, while Tommy Sheehan and Bill Rapps, who are both in fine shape, played faultlessly. The Coyotes comprised Ryan. Krueger, Chadbourne, Rodgers, Fuller-ton and Murray, in regular positions, while Russell, Archer and Danny Sheehy did the pitching. Martines and Broun-chi, of the Santa Maria team, filled in at first and second for the Coyotes. A pass to Griffith and a tow-bagger by Bill Rapps off Sheehy, gave the Beavers the first run in the fourth inn-

The Copotes took the lead by scoring two in the fifth, when Sanchez walked Fullerton, who scored on a triple by Martinez, which skied over McCredie's head to deep center. The Reavers could do no more with the southpaw delivery of Archer and it looked like extra limings after Seaton had disposed of Ryan and Krueger, the first two up in the ninth, but Fullerton hooked one nicely and wafted it over the far left field wall in the face of a strong wind and galloped around the sacks with the winning run. sacks with the winning run.

This is the advice received in Portland by William C. Schmidt, a teammate of Dolan's, and member of the Columbia University faculty. Dolan has not yet accepted the position, being a member of the Oregon Agricultural College fac-uity.

"Rosy" Dolan was the best tackle the middle West, by unanimous vote of all critics after the 1909 season, and the best in America by some. SOCCER PLAYERS TO ELECT

Next Season's Plans.

The annual meeting and election of The annual meeting and election of officers of the Portland Football Association, the soccer governing body, will be held Friday night at Drew Hail, Second street, near Morrison. Heretofore the annual meetings have been held in the Fall of the year, prior to the season, but will henceforth be held after the end of the playing season.

The 1910-11 soccer season was not a prosperous one for the association, al-though the class of play was far superior to any ever seen in Oregon. Many difficulties were encountered throughout the season, chief among which was the necessity of holding the games on the East Side, attendance being small as a consequence.

## SPORTING BREVITIES

THE Portland players seem to have the home run fever. Rapps hit out one a week ago Sunday, and now Fullerton emulates the precedent established by the first-sacker. That sort of thing makes good reading for the fans.

Jesse Tannehill, the ex-Washington. New York. Pittsburg and St. Louis pitcher, will be a member of the Cincinnati Reds this season.

Coach Stagg, of the University of Chi-cage, has announced that the 19th annual maroon interscholastic track meet for schools of the West will be held June 10.

Harry L. Hillman, member of the Olympic team which went to London in 1998, has been engaged as track coach at Dartmouth for three years to come. Hill-man was a star hurdler.

Bat Nelson says he will quit the ring for good if he cannot "come back" in another try. But has enough ducats stored away and he ought to space himself the trouble of his next test.

Clyde Engle, utility man, and "King" Cole, pitcher of the Chicago Cubs, graduated into big league company from s bloomer girls' team.

Barney Dreyfuss, of the Pittsburg Pirates, has one player who is not kick-ing on the salary offered. He is Nie-hoff, a Western League infielder. Dreyfuss sent him a contract with flattering figures. The youngster changed the fig-ures to suit himself and mailed the paper back to Dreyfuss. The Pirate magnate thinks a player with that kind of nerve ought to make good.

Coach "Hurry Up" Yost, of Michigan. will give his men six weeks of Spring football practice.

Frankie Burns, the Oakland light-weight, who stowed Lew Powell away, is talked of by the Bay City fans as the logical opponent for "One Round" Hogan or "Knockout" Brown.

Three well-blended pictures, a soprano solo, pipe organ and piano, fitting each to a musical nicety, constituted an entertainment yesterday at the Star Theater, which proved a welcome successor to the almost feverish excite-ment incident to "A Tale of Two Cities." "The Heart of a Savage" dealt with the theme of a grateful savage and his life eacrifice to save a kind "pale face" from the anger of his tribe. "The Writing on the Blotter" kept attention by the loyalty and skill of a wife in proving her husband's innecence, while proving her husband's innecence, while "Oh, You Clubman" gave to women with club-loving husbands a new idea of curing the backslider of that predilection.
