City Dock Commission Soon to Choose Expert Engineer.

MEETING IS NEXT MONTH

Board Is Expected Then to Take Pirst Steps in Planning Water-Front-No Sale of Bonds Has Been Made Yet.

Pertland's new Dock Commission, which was created by popular vote at the elec-tion of last November, will probably be ready to perform its first important work at its next meeting. April 6, when, it is expected, the Commission will be ready to act in regard to the employnent of an expert engineer, who will direct the rearrangement plans for the entire waterfront.

Although the Commission was authorised to sell bonds amounting to \$2,500,000 for the purpose of obtaining public docks for the city, there has been no sale of bends, and it is not known when any will be sold. The Commission is unantity to the contract of the commission of the commi mous in its desire to get the opinion of an expert engineer before taking any ac-

public duties are concerned. They have the authority to make laws to govern the waterfront and the land adjacent to it. They can make owners of docks conform to their regulations in regard to improvements, if they so desire.

Ben Selling, a member of the board, speaking his own views resterday, said that it was probable that the employment of an expert engineer would be accomplished at an early date, and that he may be put at work within a few weeks after the next meeting of the Commission.

### Best Engineer Sought.

I am not familiar with the conditions along the waterfront, and am not cap-able of outlining any plans at present, but we will get the best engineer to be bired and have him make the plans for ma" he said. Maps and plans of a number of the big harbors of the world have already been secured by the Commission. It is planned to use these and the information accompanying them in outlining a waterfront system for this city.

ELECTRIC DISTURBANCE FELT

#### Steamer Rose City Arrives With Many Portland People.

Prolonged electric disturbances, lasting from 8 o'clock in the evening until II from 8 o'clock in the evening until il o'clock, were felt on the steamer Rose City Tuesday evening, while the vessel was coming from San Pedro, bound for San Francisco and Portland. The Rose City arrived Saturday night, after experiencing good weather much of the way up the Coast.

The electrical disturbanes affected the wireless apparatus, and A. C. Stayton, the wireless operator, was afraid to touch his machine while it was giving forth the peculiar sounds caused by the

Among the 500 passengers on board the Rose City were a number of Portland people who have been spending the Winter in Southern California. Captain Mason, commanding the Rose City, said yesterday that he expected a constant stream of returning northerners for some lime.

The Rose City brought 1800 tons of freight from the south. The vessel was shifted late yesterday afternoon from Alnaworth dock to Columbia No. 1.

The shortage of foodstuffs in the Orient is causing an unusual demand for American flour, and it is expected that for some time the vessels plying between here and China will be largely loaded with

#### Light Station to Be Inspected.

Inspection of the Willamette River Inspection of the Williametre River ight station will be made today by Robert Warrack, local lighthouse super-intendent and a representative of the Union Oil Company, to determine how much damage was done to the station as a result of the tank steamer Washtenaw ramming it Saturday morning. There As irregular shaped low pressure area

seems to have been but little damage done either to the Washtenaw or the station. The Washtenaw sailed for San Francisco yesterday morning.

MARSHFIELD, Or. March 5.—(Special.)—It is reported here that the Estabrook Company of San Francisco will put the steamers Bandon and Fifield on the Coos Bay run. The two steamers now pir between Bandon and San Francisco, carrying lumber from the Coquille River mills. The Fifield also carries passangers. It is reported to be the plan to have the vessels stop at both Coos Bay and the Coquille River, giving service for both places.

Marine Notes.

Firing off a gun at noon, instead of dropping the usual ball on the Custom-House, is being advocated by a few transportation men. It is argued that it would be much more convenient than to have to watch for the falling of the ball. With passengers and freight, the teamer Breakwater arrived last night

from Coos Bay. From San Diego and way ports, the steamer Roanoke arrived with passen-gers and freight yesterday. The steamer Sue H. Elmore, which has
