MYERS ASKS TIME

Mount Scott Bank Depositors Asked to Wait.

ADJUSTMENT IS PROMISED

President of Defunct Institution Wants to Be Given Six Months to Collect His Resources and Straighten Out Affairs.

A petition is being circulated among the 150 or more depositors of the defunct Mount Scott Bank of Lents, which was closed Saturday by State Bank Examiner Wright, asking them to leave their money on deposit for three and six months in order to realize without the expense incurred under the receivership system. According to F. N. Myers, of 611 Gilsan street, president of the institution, the plan is to have the present directors step down and out and have a new set of men take charge and realize on the resources. Mr. Myers expresses the belief that sufficient cash could be collected in 30 days to bring the cash reserve beyond the limit required by law; and also that in three months there would be sufficient money to pay each depositor half the amount he has on deposit. Within six months, Mr. Myers believes, the balance of the depositors' money could be paid. President Myers says that he controls about two-thirds of the bank's \$10,000 capitalization and declares that he is willing that the depositors be paid first and the smaller stockholders next, he to take the residue of amounts due the institution in return for his stock. He expresses a willingness to leave his stock remain as part

of the capital, if, at the end of the winding up period, an attempt is made at reorganization. The stock not owned by the president is owned by six or seven business men of Lents. A meeting of 42 depositors, representing about \$9000 deposits, was held Sunday night in Lents at which 22 votes were cast for E. P. Tobin and 20 votes for J. C. McGraw for receiver. Mr. Myers believes that the state bank examiner will concur in the arrangement to have the bank's affairs wound up without a receiver, provided, as is expected, a majority of the depositors agree to the plan. He has hopes that the assets may be sufficient to allow him to realize par or nearly par on his stock after the depositors and smaller stockholders have been paid. The opposition of the bank officials to the annexation of Lents to the city of Portland, which opposition is blamed for the falling off of the amount of money on deposit, was dictated by the fact that the state banking law is such that had annexation taken place it would have been necessary to increase the capital stock of the bank to \$50,000, says Mr. Myers.

MONIS' POLICY MODERATE

Socialists. Surprised, Join Clericals in Violent Attacks. PARIS, March 6.—Premier Monis read the Ministerial declaration in the Chamber of Deputies today. Its conservative tone astonished the Socialists and extreme Radicals, who had been expected to support the new government. These members interrupted, jeering the reference in the manifesto to the church and schools, in which it was stated: "We will apply without feebleness and without violence the laws dealing with religious orders and the separation of the church and state. We will protect against all attack our public schools." The declaration sets forth that the railroad employees who were dismissed after the recent strike will be taken back unless they have been proved guilty of gross insubordination and the destruction of property. After violent attacks from the representatives of the Clerical and Socialist groups the chamber voted confidence in the government. The vote was 39 to 114. Edlefson's Rock Springs, best for cooking.

OUTLAW TELLS ALL

Five February Holdups Confessed by Prisoner.

FOUR OF GANG IN JAIL

Look-Out for Bad Quintet Recites Crimes It Committed Here. Watch Leads to Capture. One at Large Hunted.

FIVE CRIMES CONFESSED BY PRISONER WHO IMPLICATES THREE VAGRANTS. February 6.—J. Smith held up at Twelfth and Clay streets; watch taken. February 8.—L. H. Briggs held up and beaten at Fifteenth and Tillamook streets; watch taken. February 9.—Two boys held up in grocery store of J. Woolach, their father, of 473 Welder street; cash register rifled. February 14.—Nelson Blackhall held up on Sixteenth street and robbed of \$5. February 18.—A. Sigel held up at Second and Grant streets and robbed of \$18. Mystery surrounding the identity of highwaymen, who, in the month of February, terrorized pedestrians by nightly hold-ups, was solved yesterday, when Arthur Mitchell, arrested by Detectives Coleman and Snow, made a confession implicating himself, Walter Campbell and Frank Dennison, under arrest as vagrants, and another

named Cameron, who is still at large. Mitchell admitted knowledge of five robberies committed by the gang. In the earlier part of February, there was made by some citizen of being held up at the point of a nickel-plated revolver by the usual "tail man and short man." When William Johnson and H. S. Duplesse were captured in connection with the robbery of Rubin's jewelry store on Washington street, and there were found in their possession articles corresponding to those seen with the highwaymen, it was thought that they had committed all the robberies, but when "Black" MacDonald, jackal of the pair, made a full confession and denied knowledge of any robberies but those of the jewelry store and a restaurant on East Burnside streets, the detectives began to look elsewhere. Watch Is Clew. Two weeks ago Detectives Tichenor and Howell found a watch which had been stolen from L. H. Briggs, at Fifteenth and Tillamook streets, February 8. It was traced to Mitchell, whom the detective could have arrested at that time. They preferred to wait and keep him under surveillance, feeling confident that he was in communication with his associates and would meet them again. After their series of hold-ups, Campbell, Dennison and Cameron left Portland. A week ago they wrote to Mitchell that they were coming back and the letter fell into the hands of the detectives. The men were seized in the Burnside-street district Saturday and were booked as vagrants. Reluctant Mitchell, the least guilty of the gang, the detectives questioned him closely. He made a full confession, designating Campbell and Cameron as the pair who confronted their victims. Dennison, who is a cripple, was the go-between, who disposed of the loot. Gang's Lookout Tells. When Cameron and Campbell eluded the store of J. Woolach at 473 Welder street, and held up two boys who were in charge, Mitchell says he was on guard outside the store. He denies that he was implicated directly in any of the other crimes, but admits knowledge of them. He says that Cameron and Campbell robbed L. H. Briggs at Fifteenth and Tillamook street, and beat him when he resisted. They robbed J. Smith of a watch at Twelfth and Clay streets February 6. A Sigel

was held up February 18 at Second and Grant streets, and was robbed of \$18. Nelson Blackhall, a pressman on The Oregonian, lost \$5 on Sixteenth street, February 14. Mitchell said that Dennison sold Briggs' watch for \$2.50, which he divided among the four. Later they sold the chain for 75 cents and divided the money. On information that Cameron was in Vancouver, Wash., Detectives Coleman and Snow went to that city Sunday, but failed to capture him. An alarm, asking for his arrest, has been sent throughout the Northwest. During its operations, the gang lived at the Cosmopolitan Hotel, in the North End.

MR. O'BRIEN BACK TODAY

Much Work Accumulates in Absence of Harriman Chief.

A volume of correspondence has piled on the desk of J. F. O'Brien, general manager of the Harriman lines, who will return to his office this morning after an absence of six weeks, most of which were passed in Southern California. One of the principal subjects that will demand his attention is the Broadway-bridge question and the controversy with the city that has grown out of the efforts of the railroad to obtain the right to cross certain streets in its approach to the new bridge at Gilsan street. Mr. O'Brien's health had been impaired before his departure from Portland, as he had not had a vacation for six years. Reports received at his office say he has recovered completely and that he has gained eight pounds. Husband Sentenced for Nonsupport. OREGON CITY, Or., March 6.—(Special.)—Charles Bricker, of Oswego, charged with failure to support his wife and four children, entered a plea of guilty this afternoon and was sentenced by County Judge Beattie to serve one year in the county jail. It was shown that Bricker is not in the best of health and that the eldest of his children is a son 15 years of age, and Judge Beattie paroled Bricker, who agrees to pay his wife \$20 a month toward the support of the family.
