BY W. J. PETAIRN

SANTA MARIA, Cal., March 15.—(Special.)—Another slugging match took place at the second called-off Portland-Boston Red Sox game, originally scheduled for today, when Walter McCredie's Beavers once more slaughtered Buddy Ryan's Coyotes, this time by the overwhelming score of 13 to 4.

championship, and in the belief that Garrett can win the 200-yard swimming championship, the club may decide to send him. The entry list for the swimming championship is in the care of James E. Sullivan, in care of John J. O'Connor, Missouri Athletic Club, St. Louis, and closes March 15.

MCGREEVY REPORT IS DENIED Judge Graham Declares Umpire Has Accepted Coast League Berth.

SAN FRANCISCO, March 15.—(Special.)—President Graham of the Coast League, places no credence in the report from Los Angeles that Umpire Eugene McGreevy is holding out. The judge says that he is in receipt of several wires from McGreevy accepting the berth and declaring that the salary was satisfactory. However, says the executive, if McGreevy declines to sign the contract that has been tendered him, there are plenty of other applicants for the job.

According to Judge Graham, all of the umpires in the league are to be ordered to San Francisco for a conference.

C. H. Ball, Portland, Second Vice-President of Western Bowling Congress.

Williams will remain here until Sunday, and tomorrow he expects to have a long conference with W. W. McCredie over the Northwest-League team and the coming season in that organization. It is likely that Walter McCredie will send one or two of more of his youngsters north with Williams.

In his afternoon's game, McCredie's Beavers bunched hits on the Pitches Fullerton and Russell, which, combined with a bunch of errors by Krueger and Griffith, the former's being the most costly, 13 runs were collected. Despite the heavy bombardment, the work of both Fullerton and Russell was excellent.

One of the features of the game was the batting propensities developed by Tom Seaton, who landed for a home run and two doubles in five times at bat. Rodgers landed for a homer and two singles, while McCredie put one out of the lot and also laced out a double and a single. Tommy Sheehan contacted himself with three corking two-base hits as his portion of the afternoon's work.

Portland Like Clockwork.

The Portland infield being worked by McCredie at present is getting into clocklike order. Sheehan, Peckinpaugh, Rodgers and Rapps are handling the plays in split-second style. Peckinpaugh batted 11 chances today without a boot, and Rodgers went through the game with five chances on one slip. Seaton pitched the entire game for the Beavers.

Artie Krueger played shortstop for the Coyotes and had seven errors out of nine chances. Eddie Menser was unable to play because he split his hand in fielding a fast drive on the previous day. He makes the third member of the team on the hospital list, as Sanchez is still kept out of the game by a cold and Steen has not recovered from his injury sufficiently to be able to play.

Williams Will Play.

Menser and Sanchez, as well as Steen, will be able to get into the St. Patrick's day game Friday and Nick Williams has been assigned to play first base for Buddy Ryan's Irish team. Elmer Keestner, who is a member of Krueger's Dutch aggregation.

Williams is anxious to start training the Northwest League players at Portland by March 15, and he will leave here Sunday night, at the latest, for San Francisco and after one day there, expects to go north. Williams says he is confident his team will be a winner despite the long road trips.

Summary of today's game: Home runs—Seaton, Rodgers, McCredie; two-base hits—Sheehan, Rapps, Seaton, Z. Arlett, Ryan, Krueger, Griffith, Stolen bases—Seaton, Z. Gough, Z. Krueger, Kahan. Peckinpaugh plays—Ryan to Krueger to Russell to Murray to Ryan, Rodgers to Peckinpaugh to Rapps. Umpire, Schmieder.

TRACK MEET TO BE REPEATED

Pacific University Accepts Challenge of Y. M. C. A.

PACIFIC UNIVERSITY, Forest Grove, Or., March 15.—(Special.)—As a result of dissatisfaction in the result of a track meet held last month between the Young Men's Christian Association and Pacific, the athletic club has decided to accept the Y. M. C. A. challenge for another meet to be held in Portland March 24. Although this is to be an indoor meet, the ideal weather lately has caused the men to vacate the gymnasium and follow training out of doors. The straightaway on the athletic field has been put in shape and actual training has been begun.

Manager Ferrin has scheduled two meets with Willamette University, of Salem. He will take his men to Salem May 1 and the Methodists will come to Forest Grove May 24. A meet will be scheduled with some Portland school and Oregon Agricultural College has been asked for a meeting.

GARRETT MAY ENTER SWIM

Multnomah Club Asked to Enter Man in National Contest.

Invitations were received yesterday by the Multnomah Amateur Athletic Club to enter a team in the National Amateur Athletic Union 200-yard championship swimming race to be held under the auspices of the Missouri Athletic Club March 31 and April 1. The question whether to send Tom Garrett, the Northwest champion swimmer, to the National championship is a cause for debate.

By his performances of late in Portland and vicinity Garrett has shown wonderful swimming ability, winning all the events he has entered, whether distance or sprints. He has a record in the quarter-mile swim of close to six minutes. If he can swim the 200 in a little over seven minutes, Professor Cavill, the Austrian swimming authority, believes a National championship can be brought to the Multnomah Amateur Athletic Club.

At the present time the local athletic club does not hold a National

SPOKANE, Wash., March 15.—(Special.)—Frank W. Smith, of Spokane, was elected president of the Western Bowling Congress for 1912 at the business meeting of 37 delegates, representing the city organizations up and down the Coast from Los Angeles to Upper British Columbia.

Mr. Smith generally spends half of the winter in California and will be in Los Angeles for a month before the big tournament, helping to make it a success.

R. W. Reed, who is in charge of the Los Angeles delegation, promises a prize list of \$10,000 for bowlers next year and the biggest tourney in the history of the congress.

It was a foregone conclusion that Los Angeles would be awarded the 1912 tournament, and there was not dissenting vote. The motion was put by a Portland delegate, who came here to urge Portland as the proper city for next year's tourney.

FAST BOXING BOUT EXPECTED

Bud Anderson and Kid Morrissey to Meet on St. Patrick's Day.

VANCOUVER, Wash., March 15.—(Special.)—St. Patrick's day in Vancouver will be celebrated by what is expected to be the fastest and most interesting boxing exhibition of the winter season, when Bud Anderson and Kid Morrissey will meet under the auspices of the Vancouver Athletic Club.

Tommy Burns, of Seattle, will be here with a delegation from that city. The winner of the fight has been challenged by Denny O'Brien, the clever Portland boxer.

It is expected that the attendance at this fight will tax the seating and standing capacity of the auditorium. Bleachers on the stage have been made.

Both principals are training daily. Anderson does light work in the post gymnasium and Morrissey is training in the Catholic Young Men's Club, in Albina, Portland. Betting is in favor of Anderson.

In view of the many courtesies the club has received since the purchase of the King tract, complimentary life memberships were awarded to E. A. and N. A. OLDFIELD IS WROTH

Suspension of Outlaw Auto Racers Inflames Him.

FIERCE CHARGES HURLED

He Says Automobile Association Promised Not to Suspend Supporters and Broke Faith by Taking Action.

LOS ANGELES, March 15.—Incensed at the action of the contest board of the American Automobile Association in suspending Frank Chance, manager of the Chicago National baseball team, and a number of others who officiated at the second outlaw meet on January 7, Barney Oldfield threatens to return to automobile racing and fight the association.

Oldfield is out with a statement that when he sold his racing outfit for \$50,000 to a promoter supposed to be acting for the association and agreed to quit racing for a year, he was assured that no further suspensions of his supporters would be made.

"They double-crossed me and attempted to bolster up their game by suspending the promoters," said Oldfield. "I won't stand for it, and if they are not reinstated I will start another fight that all the gold in the world will not end."

S.S.S. CURES BLOOD POISON

One important reason why S. S. S. is so successful in the treatment of Contagious Blood Poison is that this medicine strengthens and builds up the stomach and digestive members while it is purifying the blood. A great many of the medicines used in treating Contagious Blood Poison are composed largely of Mercury and Potash, and are recommended to the sufferer because they are intended to dry up or remove the humiliating outward symptoms. But such treatment cannot cure the disease, and its continued use will often so weaken and disorganize the stomach as to make a nervous wreck of the patient. And too, when these mineral medicines are left off the smouldering poison takes on new life, and soon the old symptoms of ulcerated mouth and throat, brown scaly patches, falling hair, sores and ulcers, etc., return with increased virulence. Then the disease makes more rapid headway because the weakened system offers less resistance to its ravages.

S. S. S. cures Contagious Blood Poison and it does so by purifying the blood and keeping the stomach and digestive members in perfect condition all the while by its fine tonic effects. S. S. S. is a purely vegetable remedy, made from the extracts and juices taken from natural roots, herbs and barks; it does not contain a particle of mineral in any form. S. S. S. cures on the principle that not only must the poison be removed from the blood, but the circulation must also be enriched and vitalized with nourishing powers. S. S. S. is known everywhere as the greatest of all blood purifiers, and a safe and certain cure for Contagious Blood Poison. When S. S. S. has cleansed the blood of the virus the cure is complete and permanent; there are no drugs left smouldering in the system to break out in future years.

The testimony of persons who have been cured of Contagious Blood Poison by the use of S. S. S. is a far better advertisement than anything we could write concerning the merits of this well known blood medicine. What they say is founded on personal knowledge, and any sufferer from this trouble can be assured when he reads the statements of these people that he is learning the truth about S. S. S. from those whose only desire is to help others afflicted as they once were. We know S. S. S. will cure Contagious Blood Poison because we have watched it successfully perform this work for more than forty years, but we want you to know what others say of S. S. S. In order that sufferers may fully inform themselves of the virtue of S. S. S. in curing the disease, we hope everyone who reads this article will write for our free book on Contagious Blood Poison. This book contains the experience of many men and women who have used S. S. S. Read this book and we believe you will be convinced that S. S. S. is all we claim for it.

If you wish any special medical advice about your case write us and we will be glad to furnish it together with our Home Treatment Book, free of charge. THE SWIFT SPECIFIC CO., ATLANTA, GA.

NO RETURN OF THE DISEASE. I didn't find out that I had contracted Contagious Blood Poison until it had made considerable headway, and fortunately for me the friend that I first consulted advised me to take S. S. S., so I began at once the use of your medicine, taking it as directed. My friend told me to stick to it, and that was what I did and got along splendidly from the very first, and my recovery was rapid, and am now as well as ever. When I began S. S. S. my face was so full of sores and eruptions that I could not shave, and now there is not a blotch or pimple on my body. There is nothing in the world that can beat S. S. S. for blood poison, and I always recommend it. Very truly, WALTER WHEELER, 430 1-2 Fourth St., Evansville, Ind.
