Woman's Danger Periods Made Safe

By Lydia E. Pinkham's Vegetable Compound

The Change of Life is the most critical period of a woman's existence, and neglect of health at this time invites disease.

Women everywhere should remember that there is no other remedy known to medicine that will so successfully carry women through this trying period as Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs. Here is proof:

Natick, Mass.—"I cannot express what I went through during the Change of Life before I tried Lydia E. Pinkham's Vegetable Compound. I was in such a nervous condition I could not keep still. My limbs were cold. I had creepy sensations and could not sleep nights. I was finally told by two physicians that I had a tumor.

"I read one day of the wonderful cures made by Lydia E. Pinkham's Vegetable Compound and decided to try it, and it has made me a well woman. My neighbors and friends declare it has worked a miracle for me. Lydia E. Pinkham's Vegetable Compound is worth its weight in gold for women during this period of life. If it will help others you may publish this letter."—Mrs. Nathan B. Groaton, 51 No. Main St., Natick, Mass.

Cornwallville, N. Y.—"I have been taking Lydia E. Pinkham's Vegetable Compound for some time for Change of Life, nervousness, and a fibroid growth.

"Two doctors advised me to go to the hospital, but one day while I was away visiting, I met a woman who told me to take Lydia E. Pinkham's Vegetable Compound. I did so and I know it helped me wonderfully. I am very thankful that I was told to try Lydia E. Pinkham's Vegetable Compound."—Mrs. Wm. Boughton, Cornwallville, N. Y., Greene Co.

The makers of Lydia E. Pinkham's Vegetable Compound have thousands of such letters as those above—they tell the truth, else they could not have been obtained for love or money. This medicine is no stranger—it has stood the test for years.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.
