Each Arrow Marks the Terminus of a Royal Route

Having just installed the latest invention in Improved Bread-Making Machinery, at a cost of \$10,000, we have not only increased our capacity, but are now able to make the famous Table Queen Bread

Bigger—Better—Whiter—Sweeter Than Ever Before

This wonderful new machinery will start for the first time on Thursday, April 20, and on that day (with the advent of the new Table Queen loaf) we propose to remember our little friends, the Boys and Girls of Portland, with handsome souvenirs, both entertaining and instructive, as a reward for their help in popularizing Table Queen Bread.

FREE! BOYS AND GIRLS, TAKE NOTICE! FREE!

ROYAL SOUVENIR DAY, THURSDAY, APRIL 20

On the above date we will give, absolutely free, with every loaf of Table Queen Bread purchased, your choice of a beautiful Red Riding Hood Drawing Book or a whirling Coloroscope. Place your orders at once, with your dealer, as his capacity will surely be taxed.
