### Inspectors Discover Planking in Hold Had Burned Almost to Leaking Point.

## INSURANCE MEN IN DOUBT

### Whether Vessel Shall Be Repaired or Policies of \$15,000 Be Paid Will Depend Upon Two Reports to Be Made.

Just how near the steamer Shaver came to being completely lost by the fire that swept the main deck Thursday morning was discovered through a close inspection of the hold yesterday by means of electric lights, it being seen that the fire had apparently been confined to the vicinity of the fire hole and on both sides of the planking had been burned at least an inch deep.

Representatives of the London Assurance Association, which holds \$12,000 insurance and of the Sun Insurance office, which issued a policy for \$3,000, inspected the vessel yesterday. As their investigation of the Portland Shipbuilding Company was requested to submit an estimate of the cost of repairs to the steamer and Bert Hicks an approximate figure on what the expense will be of overhauling the engines and boiler to fit them for future service. On the two reports will depend whether the insurance interests will repair the damage or pay the steamer transportation Company the full amount of the policies and have it handle the work.

It was while the estimators were going over the Shaver that the hold was visited and the time it was known that the planking had been atre. Such headway had been gained by the flames that had not streams from the fire hole. The fire had been directed from the forward gangways, when it was apparent that the fire had nearly reached amidships, the planking would have been sufficient to start a leak and the vessel probably would have filled in a short time. The same good fortune figured in the comparatively small loss of cargo, the destruction of which would have caused the steamer to "hog" and with the damage already wrought it would have been beyond rehabilitation.

## MATHLOMA ENDS SNAG WORK

### Government Is Asked to Send Vessel to Lewis River.

Fresh from a two months' campaign against snags in the Upper Willamette, Captain "New" Graham, brought the Government steamer Mathloma into the harbor at Astoria yesterday to demonstrate that she was of equal value in deep and shallow water, she journeyed above the bridges in the afternoon and removed several snags that have both-ered steamboatmen. The vessel later reported at the Government moorings, and before returning to the upper river, will have her dredging gear fitted to replace the snag-pulling apparatus, as there is said to be no further need of it on the Willamette this season.

### SAYS CIVIL WAR VETERAN, PAST 75 YEARS OF AGE

MR. PHILLIP A. BARNETT, 75 years of age.

# Duffy's Pure Malt Whiskey

### STANDARD OF PURITY AND EXCELLENCE SINCE 1860

is an absolutely pure distillation of malted grain. When taken at mealtime it stimulates the mucous surfaces and little glands of the stomach to a healthy action, thereby improving the digestion and assimilation of the food and giving to the system its full proportion of nourishment. This action upon the digestive process is of great importance, as it brings to all the tissues and organs of the body the nutriment necessary to their sustenance, and indirectly to the whole system strength and vigor.

Duffy's Pure Malt Whiskey is the only whiskey that was taxed by the Government as a medicine during the Spanish-American War.

CAUTION—When you ask your druggist, grocer or dealer for Duffy's Pure Malt Whiskey be sure you get the genuine. It is sold in SEALED BOTTLES ONLY—never in bulk. Look for the trade-mark, the "Old Chemist," on the label and make sure the seal over the cork is unbroken. Price \$1.00 a large bottle. Duffy's advice and an illustrated medical booklet sent free on request. The Duffy Malt Whiskey Co., Rochester, N. Y.

Mr. Phillip A. Barnett could not enjoy his meals and was in very poor health, because of a complication of stomach disorders. Nothing did him any good till he used Duffy's Pure Malt Whiskey, the sure remedy for all stomach troubles, which put him on his feet in short order.

"I am past 75 years now, and a veteran of the Civil War. I have been troubled with several different complaints in the stomach, but I find great relief by using Duffy's Pure Malt Whiskey. I can now eat things that I could not eat before and it is a great help to me. I will continue to use this valuable medicine and will recommend it to everyone who sees me or writes me. I have used a great many different medicines, with little relief, but Duffy's is a medicine of real merit."—Phillip A. Barnett, 156 Madison St., South Side, Easton, Pa.

Ministers of the gospel, doctors of medicine, nurses and people everywhere unite in commending Duffy's Pure Malt Whiskey, a perfect tonic stimulant, the one true medicinal whiskey. At this time it is especially valuable in rebuilding the system that has become run down by the long strain of Winter.
