BY W. J. PETRAIN. More than 11,000 loyal Portland funs crowded into the Vaughn-street park to watch the Beavers and the Angels play the first Sunday game of the season yesterday, and they saw Portland slaughter three Los Angeles twirlers and pile up a score of 15 to L

\*\*\*\*\*\*\*\*\*\*\*\*

It was a "slugfest" from start to finish on the part of McCredie's wallopers, while on the other hand, Benny Henderson "came back" with a venceance. The big pitcher was started in a game for the first time this season, and he had no sooner retired the Angels in the opening round when every one of the vast throng present unanimously agreed that the ex-"outlaw" pitcher was just as good, if not better, than he was when he captured the flag for Portland

### Henderson "Some" Batter.

Not only did Benny heave a splendid game, but he uncorked some batting stunts that aroused the utmost enthuslasm, for he pasted the ball out of the lot over a sign of a business house which entitles him to \$25 worth of furntture, and followed this by lacing the ball high against the right center wall for two bases on his next appearance before the veteran, George Wheeler. Henderson's work and the presence of the vast throng proved about the only features to the game, for it was Port-

land all the way and the batting beekept up throughout the game.

Every member of the Portland team scored from one to three his and runs as well. All of them seemed able to hit the ball, and every man on the team scored at least once, which is a remarkable instance in games of this blad. To the latter funders the Research kind. In the latter innings, the Beavers ran wild on the sacks, and Catcher Abbott winged out a number of them.

### Klein Is Eliminated.

Eddla Klein, the young southpaw who was batted out of the box in the first sning Friday, was started by "Pa" Dilon again yesterday, but hits by Chadbourne and Ryan and a pass to Sheehan filled the bases with none out, and Dillon hustled the kid to the stable and substituted Wheeler. Artic Krueger polesi a long fly to Daley, and on the catch Chadhourne scored the first run. The Beavers laid off in the second

frame, but after Umpire Hildebrand contributed a run to the Angels in the first of the third by a fierce decision at third, the home guard got busy and hit the ball to all corners of the lot and out of it, for Ben Henderson wound up a busch five tailies by knocking the ball over

This quinter of runs was just an appetizer for the home team, as they tailled once in the fourth, twice in the fifth, and chased over five more in the sixth, hich proved enough for Wheeler, and Friene was trotted on the hill in the seventh. He got by in that inning sleely, but in the eighth the Beavers their total up to 15 tailies by timely hits.

### Rapps Star in Field.

Henderson let up in the eighth and ninth, and Les Angeles managed to put a run over in each of the last two frames, but the home team plainly took things easy, as they had the game safely things cases stowed away. The bright particular stowed away. The bright particular fielding star of the game was Roaring fielding star of the game and accepted some like a major leaguer and accepted some like a major leaguer heatly and extremely difficult chances neatly and

anly.
The Lot Angeles team left for home last night, where they are scheduled to meet Happicus Hogan and his fast-going Hooligan squad, commencing Wednesday. Tuesday afternoon Patsy O'Rourke and his Sacramento Senators will make their how at the local park, and the new leader of last season's "trallers" expects to introduce Ben Hunt and Frank Arreianes, as new faces on his new team. Both pitched for Sacramento last season, and were recently returned to that club by the Boston Americans.

With "Hannibal" Kraft pitching faultiess ball, it made no difference if Spokane's infield was crippled. Joseph Peiser, coachman and Walter Smith, clerk. Smith, clerk.

These are the first arrests made since the opening of the 1911 season and it is announced by Cal Ewing and the police that officers will watch the situation closely from now on to prevent gambling. Ewing further says that Ed. Kripps, well known in San Francisco and the owner of the Sacramento baseball park, although the Capitol City grounds are leased to the present management, pleaded with him not to prosecute the men who were

'Ed. Kripps came to me as soon as "Ed. Kripps came to me as soon as the arrests were made and asked that we go easy with the men," said Ewing. "But we are not going easy with such men. We do not want any gambling on the baseball games and will not countenance it within our grounds. All the credit is due Captain Gleason and the Chief for the officers who have been on duty to suppress gambling. STANFORD CREW STAYS SOUTH Oarsmen Will Not Come to Race

Washington in Scattle. SEATTLE, April 23.—The Stanford and University of Washington eight-oar crews will not race on Lake Washington this year, according to a mes-sage received by Graduate Manager Victor Zednick.

Arrangements had been made to bring the Stanford varsity and freshman crews to Seattle, the University of Washington guaranteeing \$600 for the expenses of the trip. The University of California crew offered to come, paying their own expenses, making the race a triangular event. Assistant Manager Herbert Siegier, who went to Berkeley with the Washington track team, was authorized to sign contracts with representatives of both California institutions, but today a telegram was received from him saying that the Stanford eight could not meet Wash-ington in Seattle, and that Stanford ould not take the Washington crew

to California.

Stanford is willing to send freshmen crews north if Washington will pay \$400 for expenses, but Manager Zed-nick said tolay that he cannot accept that proposition unless Stanford will agree to take Washington's eight to California. The local oarsmen are still hopeful that the University of Califormia crew will come north to race.
