MOLINE PLOW FIRM SEPARATE.-The Orogon Moline Plow Company is not in any way connected with the John Desre Plow Company's consolidation, as it is an entirely separate concern. Through a similarity of the name with another concern it was made to another another concern it was made to appear Sunday that Oregon Moline Plow Com-pany had consolidated with the John Dears Plow Company and would move into the new building the latter com-pany is erecting on East Morrison street. B. G. Lane, general manager of the Moline Plow Company said yes-terday: "We have no connection what-ever with the John Deers Plow Com-We have our factory located in Moline, III, entirely distinct from that company, and our business is not in any way connected with that company.

AGREEMENT BEGUN. - FOR failure to carry out specifically the terms of an agreement in the execufailure to carry out specifically the terms of an agreement in the execu-tion of promissory notes to the amount of \$33,000, John A. Richmond, of Condon, is suing George Clark and Mary Clark in Judge Gatens' court. It is alleged that he transferred tille to 1450 acres of land in Gilliam County to the Clarks in November, 1905, for a consideration of \$37,000. According to the witness, the defendants turned over to him other property to the value of \$9000 as part payment and there is still owing on two notes the remainder of the purchase price or

remainder of the purchase price or \$28,000. The defendants are contesting the suit on the ground that Richmond took advantage of them in the deal and that the price exacted of them was exorbitant WORK HURRIND ON CHURCH - The

work of completing the new stone edi-fice of the Central Church, East Twentleth and East Salmon streets, is being crowded forward as rapidly as possible. Some of the secondary meetpossible. Some of the secondary meet-ings of the missionary convention, which will meet in Portland this Summer, will be held in the Central Christian Church. It has an auditorium which will seat 2000 people when fully completed. It is expected to occupy the church in May, but it will not be dadicated until later in the year. It block, and is one of the conspicuous churches of the city. Rev. J. F. Rev. J. F. churches of the city. Ghormley is the pastor.

STEEL TO BE PLACED .- Steel for the superstructure of the new Harriman bridge will be placed on the west abutment before the end of the pressuperstructure of the new Harriman bridge will be placed on the west abutment before the end of the pres-ent wock and as rapidly as possible the parts will be assembled and the structure rushed to completion. The last pier now is out of the water and ready for the steel uprights which it is to support. Over 100 car loads of teer laiready have arrived. Work of tearing away the old terminal round-house will be started at once so that hast pier how is out of the water and ready for the steel uprights which it is to support. Over 100 car loads of steel already have arrived. Work of tearing away the old terminal round-house will be started at once so that the west approach may be built. Local ratiroad officials declare that trains will be operating over the new bridge before Winter.

CENTENART CALLS DEACONESA-Cen-tenary Methodiat has called Miss Sadie Smith, deaconess, to begin work with that church on or before May 15. It will be the second deaconess that the church employs, the present one being Miss Sasan Kuter. Miss Smith comes from the Austin Church, of Chicago, which has a memberabip of 1100 and abe is highly recommended. Rapid she is highly recommended. Rapid growth in membership at Centenary Church this conference has been so large as to necessitate the employment of another desconess.

busy on that piece of road. They have about two miles to cover with rails and

no saving in distance, but it eliminates the hill on the Sullivan's Guleh route. Actual construction work was neces-sary from the east end of the new Pen-

BRISTOL TO ADDRESS ROTARY CLUB-If W. C. Bristol lives up to his reputa-tion as a lively talker his address before the members of the Rotary Club today at noon in Richards' Cafe will be entertaining. A month ago Judge L. R. Webster give his views upon the subject of "Good Roads" before the club. Incidentally he referred to the act of the Governor in vetoing the measure providing for a highway com-missioner as indefensible. To this statement and others which Mr. Bristol has in mind he will set forth his views has in mind he will set forth his views.

has in mind he will set forth his views. Don't Drive on Ollar Streers Plea. -Superintendent Donaldson, of the Street-Cleaning Department, yesterday called attention to the fact that his men have started oiling streets throughout the city and desires to have teamsters and persons driving automobiles take care not to drive on the oiled streets. It is impossible for him to place danger signals on for him to place danger signals on these streets, and he requests all who use them to be careful, both for their own and the city's bonefit, until the oil sets.

Mount Scott Usion MEETS.-The Mount Scott Woman's Christian Tem-perance Union will hold a meeting to-morrow at the home of Mrs. L. H. Additon on Main street in Lents, at 2 Addition on Main street in Lents, at 3 o'clock. Mrs. Ida Bishop Barkley, State Evangelist Mrs. L. Roper, of the Sea-men's Institute, and Mrs. Dalgleish, who attended the meeting of the World's Convention in Glasgow, Scot-land, will address the meeting.

Ban Association to MEET .- At the regular monthly meeting of the Multmah Bar Association tonight at the Courthouse, a list of subjects will be assigned for the year. The subjects will periain entirely to the legal pro-fession and will be discussed from time to time during the year. Harri-son Allen, president of the association, will announce various committees to serve for the year.

serve for the year. LINCOLS PARK TO BE PAVED.—Lincoln Park and districts to the north undoubtedly will be paved with bituli-thic this season. The street committee of the City Council and Mayor Simon have viewed the streets contained in the district and decided that it is necessary to hard-surface them. There is some opposition to the improvement. is some opposition to the improvement but not enough to stop the proceed-

FUNERAL TAKES PLACE-The fu-neral services of James Humphrey, who died at his home No. 2 East who died at his home No. 2 East Eighth street. April 22, took place yes-terday, in Holman's chapel, and the burial was made in Lone Fir Ceme-tery. Mr. Humphrey was 65 years and 10 months old, and had been a resi-dent of Portland for a number of years. years.

PIEDMONT CLUB TO MEET .-- The Piedmont Improvement Association will meet tonight in the Piedmont Presby-terian Church to consider the proposi-tion to empty sewage of that district into Columbia Slough, and also to take measures to hurry the improvement of the Williams avenue district.

MEDAL CONTERT SET.-The regular meeting of the Albina Women's Chris-tian Temperance Union will be held Tuesday at 2:30 P. M. at Mrs. Donald-gon's. The matron's medal contest will be at the close of the business ses-

necessary, under present conditions, to hold westbound trains between Portland and Troutdale to allow eastbound trains to pass. The general course of the new line follows the course of Sandy boulevard.

Most of the right of way was obtained through farm lands and good prices were paid for property. Work was held up last Winter while right-of-way agents finished their task. The last property to be obtained was five acres from B. P. Reynolds, for which \$20,600 was paid. This is said to be a record

price on the Peninsula. Twohy Bros., of this city, have done most of the grading, but the company itself is doing the tracklaying.
