IMPORTANT WATER MAIN HELD UP.— The large reinforcing water main on East Twenty-sixth street, which is to run south from Division street and supply Westmoreland, Sellwood and the surroundings, is held up for the reason that East Twenty-sixth street has not been made uniformly 60 feet wide. For the past six years efforts have been put forth to widen this street, and the reports of the viewers have been ob-lected to and defeated. That is the sit-uation now on the street, the matter having been referred back to the viewers for a new assessment. The wa-ter pipe has been distributed along the street for several weeks, but cannot be laid, as the new street lines have not been settled. Whether the main can be laid in time to prevent water short-age in the district depends on the wid-ening of the street.

SCHOOLS TO OBSERVE MEMORIAL DAY .-Schools to Observe Memorial Dat.— State Superintendent of Instructions Al-derman will shortly issue a circular letter to the public schools of the state calling attention to Memorial day and the need of its recognition. At the meeting of the East Side Grand Army Committee Saturday the subject was discussed, and it was the opinion of the meeting that it is in the power of the principals to make the exercises in the meeting that it is in the power of the principals to make the exercises in the schools just before Memorial Day a success or failure. It was reported that a few of the Portland principals had given the Grand Army delegates such cool receptions that they had gone away without talking to the children, but it was thought the action of the State Superintendent would result in the more general and cordial reception.

WEDDING OF RUSSIAN DANCERS AT VANCOUVER IS SUR-PRISE TO PRIENDS.

Mrs. Bennk Seifert.

Prank Seifert.

Quietly slipping away to Vancouver Saturday afternoon, Miss Ella Golden, charming premier dancer of the troupe of Russians who appeared at the Orpheum last week, was married to Frank Seifert, member of the same company. Miss Golden is the 19-year-old daughter of the manager of the troupe, and has danced the principal parts in the presentations made by the company. Mr. Selfert was the man whose specialty was doing "pinwheels" and high leaping.

Utterly oblivious to the courtship going on round them, Mr. and Mrs. M. Golden, parents of the bride, did not learn of the romance until informed of the wedding by a newspaper man. Then there was a hurried assembling of the entire company while Manager Golden chattered to them in Russian, trying to find out who had been matried. All the ladies denied having been tagged by Cupid until the black-eyed daughter of the house was reached and confessed. The entire company engaged in a wedding celebration, leaving Portland for San Francisco last night.

That the prophet Daniel, long before the Christian era, foretold the change of the Sabbath by Catholic authority from the seventh to the first day of the week, was the statement made by Elder G. W. He read a large number of texts showing that neither Christ, the Apostles nor the Prophets made the change. He read a number of quotations also, to show that Protestants did not make the change. "The moral law as given to Moses on Mount Sinai and recorded in Exodus xx is still binding." he said. He read Daniel vii:23-25, saying the kingdom there spoken of, which would "think to change times and laws," was the ecclesiastical power of Roman Catholicism, which, he said, held away over Europe for 126e years as outlined in the prophecy."

The Cost of Interments Bave Been Greatly Reduced by the Holman Undertaking Company.

Heretolore it has been the custom of funeral directors to make charges for all incidentals connected with a funeral. The Edward Holman Undertaking Company, the leading funeral directors of Portland, have departed from that custom.
