TRIBE OF HOGAN IS WHITEWASHED

Seaton Allows Vernon but Two Hits, While Beavers Get as Many Runs.

STEWART'S WORK IS GOOD

Visiting Twirler Permits but Five Bingles, but Locals Snatch Opportunity in Sixth and Come Out Victorious.

BY W. J. PETRAIN.

Tommy Seaton was too good for the Vernon crowd yesterday, for he allowed the Hooligans but two hits and shut them out, while Portland amassed two scores against the fine twirling of Harry Stewart by bunching two of the five bingles he permitted with a base on balls in the sixth inning.

In spite of the threatening weather and the chilly atmosphere which kept many fans away from the game, the rival clubs put up a fine exhibition, and Vernon is especially to be commended for the showing made in view of the fact that Hogan's Hooligans (he wants us to call them Tigers) jumped off the Shasta Limited at 2:30 o'clock and played the game immediately afterwards.

Hap really had an idea that his hungry bunch was going to do things to McCredie's league leaders, and until the sixth inning, the visiting band had a good chance of getting an even break on the game, for Stewart had pitched shutout ball up to that period and was going as good as was Seaton.

In the sixth Buddy Ryan opened up by pulling a three-base wallop along the first-base line, and Tommy Sheehan worked Stewart for a pass. Krueger's tap to Brashear sent Sheehan to second, but Ryan was held at third. Then Bill Rapps, who returned to the game yesterday after a week's illness, poled one past Brashear which registered both Ryan and Sheehan, and the game was on ice for Portland.

Seaton pitched a remarkably steady game, allowing but two hits, though Artie Ross robbed Roy Brashear of a bingle by being caught at second on the latter's Texas leaguer to center, by being thrown out at midstation because he thought Ryan would catch the ball. Seaton fanned 11 of the Hooligans, winding up the game by striking out Ross and Patterson.

Today's game will start at 3 o'clock. Yesterday's score follows:

San Francisco Batters Have Picnic With Klein and Wheeler.

LOS ANGELES, May 2.—San Francisco's batters had no trouble in solving Klein's delivery today, and in the sixth he was displaced by Wheeler, who failed to do any better.

In the fourth, Meikle had a bad session, but in the remainder of the game he made a good showing. An unassisted double play by Melchior was a feature. Score:

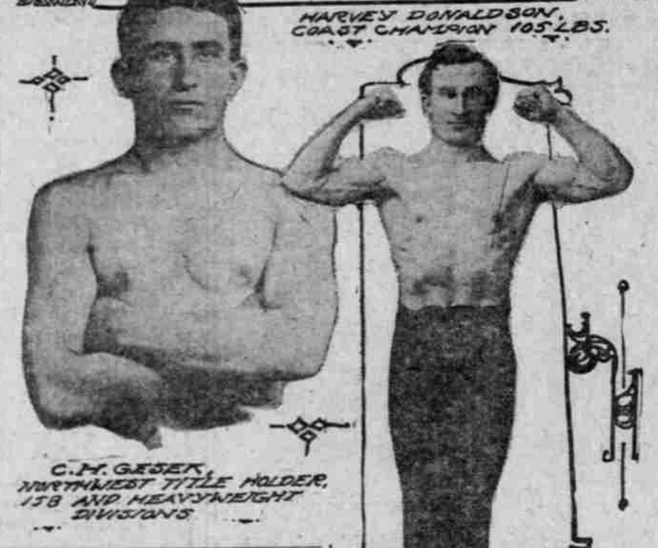
SPOKANE WRESTLERS WHO WILL COMPETE IN NATIONAL TOURNAMENT IN PORTLAND THIS MONTH.

HARVEY DONALDSON, COAST CHAMPION 105 LBS.



C. H. GESEK, NORTHWEST TITLE HOLDER, 158 AND HEAVYWEIGHT DIVISIONS

A. LOTE, WORLD'S CHAMPION 115 LBS. LONDON 1908

MATMEN ARE BUSY

Many Matches Will Be Made for Big Tournament.

CLUB CHOOSES OFFICIALS

Multnomah Speedily Arranging for Amateur Bouts to Be Held Under Its Auspices at Heilig Theater.

Officials for the National Amateur Athletic Union wrestling championships were chosen yesterday by the Multnomah Amateur Athletic Club, under whose auspices the tournament will be held May 19 and 20 at the Heilig Theater.

Herbert Greenland of the Multnomah Club has been selected as referee. Mr. Greenland probably will alternate with a referee yet to be chosen, as there will be between 25 and 40 matches a night. Joe Adams, of Spokane, is mentioned for the place.

Frank E. Watkins, George Parker and W. B. Fechheimer are named as the three timers. Each has officiated at athletic games in Portland before and acted in this capacity at the Pacific Northwest Association boxing and wrestling games held in Portland two years ago.

The Spokane Amateur Athletic Club promises to be one of the strongest clubs represented. Harvey Donaldson, Coast champion, will grapple the 105-pound men. Glahe and Cote will compete against the 115 and 125-pounders. Glahe recently defeated all comers at a Chicago amateur tournament at 115 pounds, while Cote won the world's amateur championship at the Olympic games, London, 1908. Chris Gesek, whom Portland wrestling fans have seen in action many times, and who holds the Northwest titles at 158-pounds and the heavyweight crown as well, will compete in both classes. Three others complete the squad.

Under Instructor O'Connell more than 20 wrestlers have been working every day at the Multnomah Club and the winged "M" team looks strong. The lightweight division probably will be the strongest department. The seat sale for the two nights of wrestling will begin next week and there promises to be a big demand as the tourney will be the largest ever held on the Pacific Coast.

SWIMMERS TO TRY FOR RECORD

Multnomah Club Classes Will Be Put to Test Tomorrow Night.

The regular weekly social swim of the members of the Multnomah Amateur Athletic Club will take place at the Portland Swimming baths tomorrow night, and a special feature of the event will be an exhibition of all branches of swimming and diving by Arthur Cavill, swimming instructor of the club.

A special 220-yard race for the world's tank record also is to be held between Tom Garrett and Louis Thomas, two of the crack amateur swimmers of the club. The world's tank record for this distance is two minutes and 27 seconds and the Pacific Coast tank record is 2 minutes and 57 seconds. Cavill is confident that either of these swimmers will be able to break one or the other of the marks tomorrow night.

It is announced that only swimmers accompanied by women will be admitted to the tank on this night, for the accommodations are limited and this rule was adopted with a view of making the event an agreeable party. The swim will start promptly at 8 o'clock with Cavill's exhibition.

EASTERN CRICKETERS COMING

Frankfort Team of Philadelphia to Play in Portland.

Formal announcement has been made by the Portland Cricket Club that the Frankfort Cricket Club, of Philadelphia, Pa., will play two matches in Portland, September 7 and 8. The Philadelphia club will make a tour of the United States. Matches will be played with Victoria and Vancouver, B. C.; Seattle, Portland and Los Angeles.

The schedule for the Western tour follows: August 24 and 25, Frankfort vs. Winnipeg, at Winnipeg; August 29 and 30, Frankfort vs. Vancouver, at Vancouver; September 1 and 2, Frankfort vs. Victoria, at Victoria; September 4 and 5, Frankfort vs. Seattle, at Seattle; September 7 and 8, Frankfort vs. Portland, at Portland.

Other out-of-town teams will also meet the Portland Cricket Club team on the local pitch this season, it being understood that Victoria, Vancouver and Seattle clubs may come to Portland this Summer or Fall.

The cricketers will officially open their season Thursday night with a smoker at the clubhouse near Rose City Park. The Portland Cricket Club team may make a tour of the Puget Sound and British Columbia cities during the ensuing season.

HILL ACADEMY TOUR PLANNED

Northern Pacific Railroad Making Arrangements for Long Trip.

Plans are being made by the Northern Pacific Railroad Company for an American tour for the Hill Military Academy baseball team, Just how far east the trip will extend, when the start will be made, what games will be played and other details are not yet mature, but it is given out by the railcompany that a trip is in prospect.

It is a certainty that a trip into the Inland Empire will be made following the close of the school year, but whether this trip which will be extended the school officials are not yet prepared to say. No Portland Academic team has ever made an American tour, although Dallas College three years ago sent its basketball team over the country, advertising Oregon's resources as it went.

AURORA CLUB MEETS DEFEAT

Portland Team Shuts Out Home Aggregation by 6-0 Score.

AURORA, Or., May 1.—(Special.)—In the opening day game of baseball played on the local diamond, Brooklyn, of Portland, yesterday defeated the Aurora club by the score of 6 to 0. Both teams played good ball, and Sieberts, the visiting pitcher, had everything on the ball, shutting the locals out with only one hit. Batteries—Aurora, Todd and Polter; Brooklyn, Sieberts and Regner.

Brooklyn desires out-of-town games for May 7 and Sundays in June. It is desired that Gresham, Camas and Rainier be heard from. For games address H. J. Sherrett, 354 East Sixteenth street, or phone East 234.

The Portland Emporium team has lost three of its best players—Minsky, Miller and Laske. They have signed with the American Jewelry team.

Corvallis Trip May Be Made.

With invitations extended to Portland high school athletes for two track and field meets during May, at Eugene on May 12 and at Corvallis May 30, but with a Board of Education flat limiting participation to one of the meets, scholastic athletic affairs are in a somewhat messed-up condition. At the Washington High School the star point-winners had been figuring on taking in the Eugene meet particularly, but under the revised arrangements the squad probably will vote to go to Corvallis as more men will be allowed the journey.

SEATTLE TO ROW CALIFORNIA

Stanford Crew May Be Shut Out of Annual Contest.

UNIVERSITY OF WASHINGTON, Seattle, May 2.—(Special.)—The University of Washington eight will row the crew representing the University of California, and the freshmen crew will race the Stanford first year men on Lake Washington, Thursday, May 25. The contracts have to be signed, but both institutions have agreed upon the terms and Stanford will send her first year men. The guarantee for the two crews is $600.

For some unqualified reason, Stanford will not race the Washington varsity under any condition. Press reports just say that her men will be unable to race here. The race with California's varsity eight will not give Washington the championship, as Stanford defeated the blue and gold three weeks ago. Washington wanted to compete for the Pacific Coast honors.

Willamette Sensation Goes South.

Willamette Sensation, the best bull terrier bitch, as well as the best bitch in the show at the Portland Kennel Club's twelfth annual exhibition, left last night to attend the San Francisco Kennel Club show this week. She is in charge of J. T. Hubbart, of Seattle, owner of Ch. Queen Racket II., an English setter bitch. At San Francisco the Portland dog will meet two of the best bull terriers in the United States. Frank E. Watkins, owner, hopes for victory. Charles G. Hopton, who judged the Portland show last week, will judge at San Francisco. Sound End Sombrero, the winning bull terrier dog, was also taken to San Francisco for the show this week.

SECOND PAPER CHASE PLANNED

Portland Hunt Club Will Make Innovation, Having Three Hares.

Next Saturday the Portland Hunt Club will hold another paper chase and this time an innovation of three hares spreading the course will be tried for the first time in several years. Master of Hounds Nicol yesterday announced Miss Lillian O'Brien, Miss Angela Kinney and Chester G. Murphy as the hares for Saturday's run, and a large number of riders are expected to participate.

The start of the cross-country ride will be at the sandpit at the City Park and the riders will be sent away at 2:30 o'clock. The finish will be at the new clubhouse and grounds of the club at Garden Home.

PACIFIC "U" MAKES PROTEST

Writer Complains That Meet With Willamette Should Be Called Tie.

PACIFIC UNIVERSITY, Forest Grove, Or., May 2.—(To the Sporting Editor.)—According to the announcement in yesterday's paper Willamette University won the track meet with Pacific University at Salem Monday by a score of 62 to 60. Though this was the result as announced by the judges of the meet, nothing was said regarding the protest by Pacific which would make the meet a tie—61 to 61.

The judges announced Willamette winner of third place in the high hurdles. This man in running his course knocked down seven hurdles, including the last hurdle. Pacific protested that he had disqualified on this account but since there was no rule book on the ground, the judges and other officials, who seemed in ignorance of hurdle rules, postponed the protest until it could be proved by rule.

Spalding's official handbook of rules of the Amateur Athletic Union, page 111, rule 20, section five, says regarding hurdling: "A competitor knocking down three or more hurdles or any portion of hurdles in a race shall be disqualified." These are the rules under which the meets are conducted, therefore the Willamette man should have been disqualified and the Pacific man given third place, leaving the actual result of the contest a tie.

Breakfast Food for Fans

BY W. J. PETRAIN.

HAPPICUS HOGAN'S Hooligans look much better now than when the writer saw them play against the Seals during the opening week. The team seems to have gotten together on teamwork at least.

* * *

Harry Stewart pitched a nice game yesterday, and had Roy Brashear flagged Rapps' bounder in the sixth, the game might have gone into extra innings. Harry had something on the ball all the time.

* * *

Shortstop McDonell, of the Vernon team, had difficulty in gaining a footing to throw on the sloppy field and made two bad pegs to Patterson as a result. McDonell is a nice player and a fairly good hitter.

* * *

Johnny Kane is with the Vernon team this trip, but Happicus did not use him yesterday. "Hap" probably figured that Johnny had been so much on the trains recently that he is entitled to a rest.

* * *

Big Jerry Sheehan, the Vernon subcatcher, is the same gigantic personage who caught for the Portland Northwestern League team in 1909. Jerry has been catching occasionally for Hogan's outfit and has been hitting the ball in lively fashion.

* * *

Al Carson, the former Portland twirler, probably will pitch for Vernon today, and against him will be pitted Benny Henderson or Bill Steen. Henderson likely will be selected as the twirler.

* * *

Artie Krueger made a great catch of Carlisle's hard drive in the ninth, and undoubtedly cut off a good bingle which might have caused trouble in the last chapter, for Walter is some dangerous chap to allow on the paths at any time.

Bill Rapps made his debut in the game for the first time in a week, and played a fine game. It was "Roaring Bill's" grasscutter past Roy Brashear which won the game for Portland. The ball took a hop away from the Vernon fielder who was playing in for the purpose of getting Ryan at the plate.

* * *

Burrell, Vernon's third sacker, is the same gingery player he was last year, and in the fourth inning he made a great catch of Rodgers' foul fly near the grandstand. Burrell is one of the best third basemen ever introduced into the league.

* * *

Happy Hogan is optimistic as usual. He imagines it is only a matter of a couple of weeks when his team will be heading the league, and while he may be slightly off on this guess, nevertheless he has a team that will always be dangerous.

* * *

Tommy Seaton has now pitched two successive shutout victories, as he blanked the Sacramento team last Thursday, when he allowed but one hit, and yesterday the Vernon crowd could collect but two bingles.

* * *

Nick Williams and his Roadsters had a day off yesterday due to a surplus of rain at Vancouver, B. C. Next week the Canucks and the Roadsters come to Recreation Park for the opening of the Northwestern League season here. Williams has a fairly good team which ought to commence winning soon.

FAST PLAY IS EXCITING

Three-Cushion Champion of Pacific Coast Says All Must Come to This City If They Would Capture His Title.

Scoring 57 against 43 for his opponent, Henry Soloman, of Portland, last night defeated Joseph Carney, of San Francisco, in the final night's play for the three-cushion billiard championship of the Pacific Coast. Carney, former title-holder, led at the middle station Monday night with a tally of 50 to 43, so the final score is: Soloman 100, Carney 93.

Immediately after the match Carney, slightly nettled, challenged Soloman to a return match for a $500 side bet. "I'll think it over," said Soloman. "I'm really in no shape now, but just say for me that they'll have to come to Portland now if they want to play for the Coast title." No side bet was posted between the two men in the match just concluded, although Soloman won $200 on the outside.

Play was better than on the preceding night, Soloman running the 57 billiards in 96 innings, incidentally making the high run of the series with five in the 71st inning. The cue wizards ran neck and neck up to about the 35th inning, when Soloman gained a small margin lead and maintained it throughout. In the 68th the score was Soloman 58, Carney 31, which tied up the finals, as Carey had a seven-point advantage from the first night.

Carney was decidedly unsteady in the last 20 innings, negotiating but two caroms in that many shots. He leaves today for Seattle to play Sibley, later going East to Salt Lake City and Denver.
