"Sane" Fourth Committee Outlines Its Plan.

MUSIC WILL BE FEATURE

Low Fares to Out-of-Town Points Will Be Sought—Fireworks of Better Grade May Be Given Under Supervision.

Low transportation rates to rural districts, music and athletic programmes in the parks and playgrounds in the daytime and perhaps some high-class fireworks in two or three sections of the city at night form the chief features of the proposed "sane" Fourth of July celebration for this year as outlined by a committee named by Mayor Simon, which met for the first time yesterday afternoon at the City Hall. A. L. Mills, president of the First National Bank, presided. A sub-committee, consisting of L. N. Fleischner, Mrs. A. E. Rockey and George S. Cellars, was appointed to arrange a tentative plan for submission to the main body at a later date.
 Mr. Mills gave his ideas relative to the proposed celebration by saying he opposed parades by the children, believed speechmaking should be eliminated or nearly so, and that the chief aim of the committee should be to work for cheap fares on the various transportation lines, to the end that as many people as possible can be gotten out of the city and into the country. He favored park concerts also.
 Mr. Fleischner said he favored music

THEATER TO BUILD

Ambitious Plan Projected on Old Arlington Site.

10-YEAR LEASE IS TAKEN

Club Building, Which Will Be Torn Down, Is Most Pretentious Yet Wrecked in Portland—No Delay Is Expected.

The People's Amusement Company has leased the old Arlington Club property, comprising the quarter block at the northwest corner of West Park and Alder streets, for ten years and will erect immediately a class-A theater to be used for the exploitation of motion pictures. The property is owned by the D. P. Thompson estate. The amusement company has taken possession and will begin wrecking the old building within a week. Preliminary plans for the theater building are being drawn by the company's own architect and superintendent of construction, and as soon as the design is completed a building permit will be applied for. Meanwhile the site will be placed in such shape that there will be no delay in going ahead with the building.
 This same property was leased last winter by Keating & Flood, proprietors of the Lyric Musical Comedy Company, who have operated the Lyric Theater for several years. They made other arrangements, however, and allowed the lease to lapse.
 The lease to Keating & Flood was made on a basis of \$150 monthly rental.
