ROSEBURG SUPPORTS PLAN

Movement to Build Auditorium in Portland Is Indorsed.

Postmaster Merrick, acting chairman of the auditorium committee, received from Robert E. Smith, president of the Roseburg Commercial Club, Thursday a telegram offering to Portland Roseburg's support in the effort to secure an auditorium. The telegram reads: "Roseburg citizens hope Portland will build a city auditorium, as we propose to hold a National strawberry and rose show in Portland as soon as it is open. Five thousand Roseburg citizens will attend to help make it a success."

Roseburg is the first outside town to offer its support to the auditorium.

The committee, composed of Mr. Merrick, R. W. Raymond and C. A. Whitmore, will open headquarters today in room 925 of the Yeon building. They will retain this office until after the election. Forty prominent Portland men have volunteered to speak in favor of the auditorium. A model of the St. Paul auditorium has been secured from the patent office and will be exhibited. The St. Paul auditorium holds 12,000 persons.

GREEKS ACCUSE POLICE

Following Arrest of One, Country-men Allege Persecution.

Nicholas Siras, a Greek, arrested Thursday night by the police on a vagrancy charge, was bailed out by Raymond Duncan. Immediately afterward about 25 Greeks congregated at the Hotel Phillip, the headquarters of the Pan-Hellenic Union, and raised their voices in protest against what they consider the persecution by the police of the Greeks of Portland.

Duncan declared that for ten months the police have been keeping up a systematic persecution of the Greeks, arresting them without cause and compelling them to put up bail and employ attorneys, although innocent of the vagrancy charges.

Duncan points out that there are 2000 Greeks in Portland, 500 of them in business and 1500 laboring on the railroads and at other work. He says Siras, the man arrested last night, worked 22 days out of last month and is an honest, upright person, who has done nothing to merit arrest.

Telephone plant depreciation has been very heavy. Underground conduits and cables, however, are now getting down the item.

ELKS TO STORM ASTORIA

Portland Lodgemen to Attend Dedication of New Temple.

A gala night for Astoria Lodge, No. 180, Benevolent and Protective Order of Elks, will be tomorrow night when that lodge is to dedicate its new \$100,000 temple. Members of the order from all parts of the state will attend the ceremony.

Among the most active participants in the ceremonies attending the dedication will be Portland Lodge, No. 142. Portland Elks are going in force to the Centennial City to help their brothers open their handsome new home. The Portland lodge will take the Portland Police Department band with them and will do all in their power to help Astoria make the temple dedication a memorable event.

The river steamer Monarch, formerly the Charles E. Spencer, and one of the fastest water craft plying on the Columbia and Willamette rivers, has been chartered by the Portland Elks and will leave Portland at noon tomorrow with the Portland delegation. The excursion will be met by a delegation from Astoria near St. Helens and escorted to the city by the sea. It is expected that 600 members of the Portland lodge will join the junket.

Frank D. Hennessy, of the Portland lodge, will sing "Portland Wants You in 1912," the battle cry of the local Elks, at Astoria.
