Dr. A. G. Smith.

I am the only specialist in Portland who does not advertise a fictitious name or photograph.

I publish my true photograph, correct name, personally conduct my office. I am the most success-ful and reliable, as medical credentials and press records prove. I make this statement so that you will know you consult a true specialist, who sees and treats patients personally. I possess skill and experience, acquired in such a way that no other can share, and

should not be classed with medical companies. It is impossible for a medical company to attend college. Companies have no diplomas or license to practice medicine in Oregon or any other state. Medical companies usually are named after a doctor. A portrait, whose personality and identity are indefinite, is selected and published as the legitimate specialist of the office. Hired substitutes, ordinary

doctors with questionable ability, give consultation, examination and treatment.
