col Chemical Co., Los Angeles, Cal.-For the benefit of suffering humanity, I desire to state that I suffered severely with Muscular and Sciatic Rheumarism for five years. During this time I tried a variety of no called remedies, as well as the prescriptions of several physicians, which afforded me very limbs. If any relief. The pair in my back, hips and legs was agonizing and almost unbearable. I could hardly walk and thought I would be obliged to abbandon all bealons.

A friend of mine advised me to try URICSOL, which I did reluctantly, and greatly to my surprise one bottle cured me sound and well. I chestfully recommend it to all who eaffer as I did. It is also a very fine Toole. It increases the specific, also did departion and finely builds up the general health. You can use this if you think best.
