Mr. Lee went to Brownsville as the representative of the Póriland Commer-cial Club and made an address encour-aging the organization of fruitgrowers' unions in that district. Other speakers were R. E. Taylor and Oscar Ingram, of Lebanon: C. C. Cate, of Brownsville, and Kenneth Gordon, of Portland, who has lately established a fruit preserving plant at Brownswille. "This is a very fertile district." and Mr. Lee upon his return to Portland yesterday, "and the future is bright in this industry. Conditions are right for the formation of a fruit union in Brownswille, which probably will com-bins with the similar organization al-rendy in operation at Lebanon. "Berries, cherries, pears and, in fact, all the fruits common to this climate infive remarkably well in that region. From the earliest time in the state's history the people of that district have had a reputation for being ploneers in progressive work and all that is required at this time is the re-incarnation of the old spirit; organization and activity along progressive, modern lines. We had a good audience with a delegation from Lebanon and I think our meeting awakened a greater Interest in fruit culture and its preservation."

#### Charges Against Deputy Dropped.

Charges of contempt of court, recent-ly preferred against Deputy Sheriff Beatty for having aided in taking a prisoner, F. H. Lasher, out of the state in disregard of a writ of habeas corpus served on Beatty, were dismissed yes-terday on motion of Attorney Wilkins, who originally preferred the charges. Wilkins told the court that Lasher had since been sentenced to serve two years in the Arizona Penitentiary, and he

When Your Hair Is Dry and Dusty

(From New York Herald.) Mme. Theo doesn't believe in washing the head too often. Said she: "Too much wetting makes the hair coarse and brittle and in time it loses its color and becomes thin from use of too much

oap and water. "There is nothing so good as brushing the head with therox when the hair is dry and dusty. Try this if you want abundant, glossy hair: Mix four ounces of powdered orris root with four ounces of therox; keep this mixture in a sifter-top can and sprinkle on the

a little of the powder evenly upon th head; then brush thoroughly through the hair two or three times a week. Therox keeps the hair beautifully lus-troue, light and fluffy, and encourages its growth

"This is an excellent cleansing sham poo in the summertime, particularly grateful and satisfying after automo-biling, driving, tennis or other out-door pastime."-Adv.
