GOLFER EVANS BEATEN

BRUCE PEARCE, OF AUSTRALIA, WORST CHICAGO MAN.

Edgewater Player Looked Upon as Likely British Amateur Champion Is Eliminated.

PRESTWICK, Scotland, May 31.—Charles (Chick) Evans, Jr., of the Edgewater Golf Club, Chicago, who was looked upon as one of the most likely candidates for the British amateur golf championship, went down to defeat today in the fifth round, before Bruce Pearce, of Australia. Pearce won on the nineteenth hole.

Evans won a 15 bye in the first round and had a walkover in the second. In the third, played yesterday, he defeated Captain F. A. Stephens, of the West Dorset Golf Club, five up and three to play. This morning he defeated Sidney Fry, of the Royal North Devon Club, one of the strongest players in the United Kingdom.

This victory carried Evans into the group of 16 in the fifth round. He played perfect golf and was three up at the seventh hole. He seemed to be an easy winner. Pearce, who is a left-handed player, showed rare nerve. He won the ninth, but was again three down on the thirteenth. Evans missed a short put on the fourteenth green, and from that on, broke down badly in his long game, losing the sixteenth and eighteenth holes. The round ended about on the square. Evans had had luck, the ball trickling over the green into a bunker below. He took two shots to recover. The Australian laying his put deal, won the hole and the match.

H. L. Caw, of Philadelphia, entered from Lake Como, was the other American to be beaten. Lionel Munn, of the Royal Dublin Golf Club, won their match 2 up and 1 to play. John Ball, of the Royal Liverpool Golf Club, whose victory at Hoy Lake last year gave him the British amateur championship for the seventh time, lost in the fourth round to R. W. Crumback, of the Letham Club, a comparative outsider by four and two.

NEW SUPERVISOR NAMED

A. H. White Promoted to Charge of Road District No. 2.

The appointment was announced yesterday by the County Court of A. H. White as supervisor of road district No. 2 to succeed John P. Hoffman, veteran supervisor of the district, whose resignation became effective yesterday.
Mr. White was selected for promotion from among the various road foremen of the county. He has been serving as a road foreman in district No. 1 and is an experienced road man who has made good in building and improving roads in different portions of the county. The appointment becomes effective today.

COUNTY WILL PAY WHILE WITHERELL SERVES TIME.

Money Stolen by Culprit Is Given to Wife and Children, Is Testified.

For having stolen \$50 J. W. Witherell was sentenced to the rock pile for six months by Presiding Judge Gantenbein yesterday. It was proved to the court yesterday that Witherell stole on behalf of his wife and child, to whom he gave the money he had stolen. The dire need of the family has been called to the attention of the County Court, and while Witherell is serving his sentence his family will receive \$5 a month from the county.

Witherell had been indicted for larceny and after the indictment was returned it was discovered that he was a fugitive. That the indictment might be made valid, the District Attorney applied to the court for an order setting it aside, as well as some other indictments which contained the same flaw. The court dismissed the indictments, as requested, and ordered the cases back to the grand jury.

The grand jury yesterday returned a new indictment against Witherell and later in the day he pleaded guilty. His wife and child were in court when sentence was imposed. Mrs. Witherell believes that with the aid the county can give her she will be able to provide for herself and family until her husband's release.
Indictments of Orville Caviness, alias J. C. Ross; Charles Barrett, alias George S. Rimpson; E. T. Wheeler and James Wheeler, were dismissed a few days ago owing to the belief that the indictments were invalid through their construction and new indictments were

Get Back to the Soil

While on the right kind of a small garden or orchard tract, close to Portland, you can get the returns on your labor that are due you.

Many a man who worked in the city for \$1,000 a year is now making \$1,000 an acre off every acre of his 5, 10, 15, or 20-acre garden or orchard. That's a matter of record.

And from \$1,000 a year to \$10,000 a year is a change that any earnest man can work out for himself on a 10-acre orchard or garden tract.

What's more, you can get the necessary land—land that's right—land that can't be surpassed for fertility or any of the qualities that make for success—land in that new district of ours, the

Beaver Homes Orchard and Garden Tracts at Redland

It's the rarest chance of a lifetime for the man of limited means to get in right. If you have \$75 or \$100 saved and can spare \$10 or \$12 a month—then you can readily work out your salvation at Redland.

An hour's run from Portland on the Columbia River, near Goble, Or.
Richest known soil—springs and streams give purest water to every tract—good school, good county road, handy to stores, to churches, to town.

Water competition makes smallest known freight rate to Portland markets, which soon will look to this superb new district for fruits, vegetables and poultry.
Charrpitting, the new economy land-clearing system, is being put to use by us on a large scale. We use it exclusively in our clearing. Charrpitting is the greatest present-day boon to the poor man who wants to escape from slavery in the city.

If you are tired of being yoked to a job or to a plane in the city that has no future for you, then you're the man we want to get in touch with.
For the present we are marketing our Beaver Homes tracts at \$25, \$30, \$35, \$37.50 and up to \$80 per acre—price dependent on location; all the soil being fertile. In tracts of 5, 10, 15, 20, 25 and up to 40 acres.
