ROADSTERS FALL BEFORE INDIANS

Williams Uses Three Pitchers but His Own Men Fail to Impress Kraft.

NINTH RALLY CHEERS FANS

Portland Gets Two Tallies at Close of Session, but Spokane Has Eight—Volunteer Flinger Is Given Tryout in Box.

BY ROSCOE FAWCETT.

Portland blazed away with its base-hit guns but it couldn't hit when hits meant runs. This happened yesterday in the opening game of the Spokane series at the Vaughn-street park and as a result the Spokane champions took a firmer hold on the perch de luxe in the Northwestern League. Score, 8 to 2.

Incidentally, the Indians found what Portland's pitchers tried to bend to the plate easy to pickle in the pinches, Williams using three men in the fracas, Garrett, Jensen his new Vancouver recruit, and Maxmeyer, a gawky southpaw who is said to have mastered his odd assortment of contortions under "Mysterious" Mitchell at Oregon Agricultural College.

Kraft, for the visitors, had something on the pill that the Roadsters could not fathom with the bludgeon for eight long innings, so that, despite the rally in the ninth, when Portland annexed a duet of tallies, things were very much Spokane—too much so to keep the 400 perspiring fans more than casually interested in the outcome.

Garrett hurled fine for four frames but had to be taken out with a score of 2 to 0 against him on account of illness. Jensen was then shoved to the mole in an effort to get the dark brown taste of the Spokane uniform on the Portland palates.

The little left-hander jumped into the sink at once, hitting a man, walking another and allowing Demon Slugger Netzel to knock the bottle off a beer sign on the right field fence, scoring Hasty. Kippert then catapulted one into center scoring Netzel and Frisk, and Harris dropped an easy throw at the plate a moment later and let another trickle. Four runs.

With this score of 6 to 0 as noticeable as a bottle of pop at a schuetzenfest, Williams determined to try out his latest acquisition, Maxmeyer. The Corvallis student was a voluntary contribution. He had invaded the clubhouse prior to the game, unheralded and unannounced, had asked for a locker and a chance to show what he could do and now he needed no brass band or merry buzz of the alarm clock to lead him to where opportunity beckoned.

Maxmeyer is a miniature edition of a deep-sea devil-fish. He folds his arms like a dwarfed hatrack, but, after allowing three hits and a couple of scores in his initial inning, he settled down, pared off a few surface layers of motion, and twirled good ball. The big fellow allowed four hits in three frames.

Portland rallied in a gigantic attempt to scale the bluff in the ninth inning, Stovall, Williams, Speas and Pettigrew clouting safely in a row, but two was the best they could muster on the showdown. Pettigrew is the new outfielder secured from Wichita in the Western League. He performed well. Mundorff annexed his usual two hits.

Notes of the Game.

Netzel brought his bride with him to Portland.

Strand, Spokane's "$5000 beauty," has been on the sick list for several days.

Holm or Schwenck will hurl for Spokane today and probably Lamline for Portland.

Nordyke put Portland's ninth frame rally up in smoke by spearing Harris' liner and completing a double at the first sack.

Casey robbed Kippert of a sure bingle in the second by stabbing a drive with the butchershop hand and retiring him by a neat throw to Williams.

Jensen should do well with the Portland squad under Nick Williams. Vancouver asked waivers on him because he refused to stand for Brashear's "ragging."

SEATTLE BEATS TIGERS 12-3

Fullerton Is Invincible After First Inning—Annis Weak.

SEATTLE, June 12.—Seattle administered a 12-to-3 defeat to Tacoma today. After the first inning Fullerton, Seattle's acquisition from the Portland club of the Coast League, was invincible. Annis, for Tacoma, weakened in the third inning and thereafter Seattle hit him at will. The locals were fast on the bases, stealing home twice, working two double steals and rolling up a total of seven stolen bases. Score:

THREE NEW PLAYERS WHO JOINED THE PORTLAND NORTHWEST TEAM YESTERDAY.

RACES TO BE FAST

Fall Turf Contests Looming Up Most Promisingly.

SWIFT PACER MAY COME

Efforts Are Being Made by Portland Fair Management to Induce Owner of Copa de Oro to Bring Horse Here.

Copa de Oro, the sensational pacer which startled the turf world last November by going a mile in 1:59 at Phoenix, Ariz., may be seen in action by Portland race enthusiasts. Copa de Oro is owned by W. W. Durfee, Los Angeles, and officials of the Portland Fair and Livestock Association have offered Durfee liberal inducements to bring his wonderful charger northward this Fall.

"Copa de Oro would be a great attraction for our annual race meeting, September 4-9," said G. A. Westgate yesterday. "Two years ago Durfee raced the horse on the grand circuit, where it hung up a mark of 2:01 1-4. The Portland track will be the fastest in the West by September, and I believe Copa de Oro could do better than 2 flat. This would be the first mile on the Pacific Coast under that figure."

Alley Is Enthusiastic.

Attorney Frank E. Alley, of Roseburg, owner of the Bonaday Stock Farm and one of the best known and most enthusiastic turfmen in the West, believes the Pacific Northwest circuit will see as fast racing this Fall as the grand circuit. Alley was in Portland Saturday for the Hunt Club matinee.

"The Portland meeting comes the very next week after the Sacramento Fair races in the south, and the Vancouver, B. C., races in the north. This means that two circuits will unite at Portland and the greatest entry list in the history of the sport in the Northwest should be the result," declared Mr. Alley.

"Durfee, De Rider and Helman, three top-notch California trainers who have gone East in past seasons, will remain on the Coast this Fall on account of the fine purses. In addition to the scores of California steppers, over 200 horses are now in training in Oregon, Idaho, Washington and in British Columbia. Porter's Zombronut and Nordwell are the only California horses entered in the California meets.

Eastern Starter Wanted.

"Portland, Sacramento and Salem are now trying to line up one of the best starters in the East to come out for these three meetings. The Salem Fair comes immediately after Portland's. I understand, too, that the Portland Railway, Light & Power Company has promised to complete the double tracking to the Country Club by September 1. This will cut the service down from about an hour and a half to 40 minutes and will mean double the number of persons in the grandstand.

"Yes, everything considered, Portland has the best situation on the Pacific Coast."

Mr. Alley is secretary of the Second Southern Oregon District Agricultural Association at Roseburg. The Roseburg races are scheduled from September 26 to 30.

NATIONALS SIGN FRARY

UMPIRE CALLED EAST FROM UNION ASSOCIATION.

Lynch Agrees to Salary Demands and Official Will Succeed Doyle in Big "Brush."

SPOKANE, Wash., June 12.—(Special.)—Ralph Frary, the "peerless umpire" of the Northwestern League, will go to the big "brush." He will arrive in Spokane today or tomorrow from Missoula, where he has been holding the indicator for the Union Association, and will leave for New York in time to report to President Lynch of the National League on June 20.

The salary question, the only obstacle between Frary and a National League contract, was settled yesterday, by a telegram received by Mrs. Frary from Lynch, ordering the popular diamond boss to report for duty June 20. Mrs. Frary talked with her husband over long-distance telephone and he informed her that he would be home as soon as possible to prepare for their Eastern trip. Frary signed with the Union Association on condition that he could have his release in the event he was offered a chance in the big league.

Frary will fill the vacancy made by the release of Jack Doyle, a big league veteran ballplayer, who used a little politics to oust Steve Kane in February. Kane is now in the Northwestern League. Doyle's release came about in a peculiar manner. In a recent Chicago-Pittsburg game won by Pittsburg 1 to 0, with a Chicago man on first Archer lifted a high fly to the catcher, who purposely muffed and threw to second for a relay to first, the ball arriving at the initial sack before Archer, who was taking his time.

Doyle called the batter out, although there were none out at the time and the play did not come under the infield fly ruling. Chicago protested and won. Umpire Sheridan, dean of the American League arbiters, made an almost identical ruling a few days previous but the game was not close enough for protest and he got away with it.

Manley Challenged to Swim.

Norbert C. Manley, former American swimming champion, who was defeated by Lewis Thomas and Gus Mankertz, Portland lads, in the 500-yard swim during the Rose Festival, can get satisfaction to the sum of $1000 or $5000 or any amount he desires. Arthur Cavill, Multnomah Club instructor, yesterday called Manley's challenge. "I will have charge of the Astoria Centennial swimming events in August, and Portland backers are willing to give Manley any side bet he desires against my amateurs," said Cavill. "Furthermore, I will pay Manley's expenses if he will accept. If Manley desires to turn professional I will race him myself for $5000."

Red Blood For Pale People!

A big supply of red blood corpuscles is what helps to make any man or woman have a healthy, pink complexion and cherry red lips. Resort to paint and powder are totally unnecessary and besides that, are harmful. Three-grain hypo-nuclane tablets, if used regularly for several months, seem to create a greatly added number of millions to the red and white corpuscles of the blood, and not only improve the color, but add increased flesh to the thin and frail body. These tablets promote assimilation, absorption and digestion, and this splendid aid to nature's forces transforms the complexion and figure. They are prescribed by physicians, but being of a perfectly harmless character, self-administration is being followed by many, who obtain them direct from any well-stocked apothecary shop.

THE NEAL CURE FOR ALCOHOLISM

Excessive Drinkers Regain Self-Mastery in Three Days at Neal Institute

Not a "Sobering Up" Process, but Removal of All Appetite for Alcoholic Liquor.

Three days of the Neal Treatment at the Neal Institute, 354 Hall street, Portland, Or., ends all desire for drink for any excessive drinker.

The thinking man or woman naturally asks: "How can an appetite for liquor that took so long to acquire be cured in so short a time?"

The Neal way does it by removing the cause of this craving or so-called appetite. This appetite or craving for liquor is caused by the stored-up alcoholic poison in the cells of the body. Neutralize and eliminate from the system this stored-up alcoholic poison and you have removed the appetite. This alcoholic poison will not be eliminated without first being neutralized, and that is why the excessive drinker cannot stop drinking without medical help. No matter how long he goes without drinking, he still has in his body this stored-up alcoholic poison, which sooner or later will cause the craving for alcohol to overcome his will power and start him on another spree.

Remove the cause and you remove the condition. It is the principle that makes it possible to cure the liquor habit in just three short days, and make the man master of his own brain and actions. The Neal Treatment releases him from an appetite that has made his every action subservient to its influence, an appetite stronger than his will power, stronger than the tearful wife's pleadings, even stronger than prayer.
