

PERFECT BEAVER MACHINE WINNER

Oaks Given Unmerciful Beating in Opening Game of Series—Score 7 to 3.

HENDERSON IS CALLED IN

Commuters Get After Steen in Eighth Inning and He is Reaved—Portland Plays Well Throughout and Has Luck.

SAN FRANCISCO, June 20.—(Special.)—The championship beaver machine exploded another "hope" of the Oaks admirers today when they trimmed the Oaks to a "fare-you-well" in the opening game of the series. Score, 7 to 3.

Taking into consideration that everything broke badly for the Oaks and the Beavers were favored at every turn, it must be said that the Portland team displayed a deal of championship class in every department.

After the Beavers had gained a lead of four runs, the Commuters got after "Big Six" Steen in the eighth inning and knocked him out of the box, but Henderson came to the rescue in the nick of time.

Three Runners Tally.

In the first inning Barry singled to right field fence. Ryan and Krueger singled, killing the bases and Happe bounced a dinky one over second, which scored Barry and Ryan. Shanahan hit to Cutshaw and Krueger slid safely home when Pearce muffed the ball.

The sixth was another lucky inning for the Oaks. Ryan walked and Steen sacrificed. Wares fumbled Chadbourne's grounder and Cutshaw failed to handle Barry's hot drive, which brought in Murray.

In the eighth Pyl singled and Hoffman singled to right. Pyl reached third. Hoffman stole second and Cutshaw walked, killing the bases. Zacher singled and Pyl came home. At this stage Henderson was substituted.

Henderson is Wild.

Henderson cut loose a heave over Murray's head which tallied Hoffman. Wares walked and Mitze was put in to bat for Pearce, but he fanned.

In the ninth Peckinpugh batted the right field fence for a single. Murray put down a hot one, which Wolverson booted and then heaved to the bleachers, putting "Peck" on a third and bases on second.

On second, Henderson came with a single to left, scoring both runners and reaching second himself. Chadbourne singled to left, Henderson tried to trap the ball, Henderson tallied for the last run.

For the Oaks Pernell was allowed to bat and tried to save the game, but he fanned. Pyl hit a double to right. Hoffman flew out and Coy walked. Cutshaw singled to center, tallying Pyl, but Henderson put on the brakes and the game was over.

HARD-HITTING TACOMA TIGERS, WHO ARE PLAYING SERIES HERE WITH ROADSTERS.

GAME IS EXPENSIVE

Van Haltren, Scouting for Pittsburg, Discusses Work.

HE WILL SEE TEAMS HERE

Almost Every Club in Major Leagues Spent \$30,000 for "Major Material." Says He, and Comparatively Few "Made Good."

BY ROSCOE FAWCETT.

"If you have any second-hand gold-bricks, the baseball market is the place to dispose of them."

The above, from the pen of a Philadelphia sporting writer, is no doubt partially inspired by the "Lutz" Russell deal, which cost Connie Mack a cool \$12,500. But in a measure the author is right.

"Scarcely a club in the major leagues failed to spend at least \$20,000 for raw material last year," said George Van Haltren, ex-Cleveland manager and umpire, yesterday. "Van" now scouting for Pittsburg, arrived in Portland during the forenoon for a two or three days' squint at the Roadsters and the Tacoma Tigers.

"Yes and the greatest part of the money has come to naught," mused Van Haltren. "Here and there a club has turned out a man or two of worth, but the Smiths, refusers, and their kind are the majority."

The Joe Jacksons, Alexanders, Gainors and others, but these, for the most part, are the cheapest men. The expensive ones, in most cases, start their burned career amid the uproar of publicity and then peter out as their shortcomings are disclosed.

Van Haltren is not inclined to divulge the amount paid by Pittsburg for Harrison, the speedy Vancouver utility man, whose purchase was announced a day or two ago. He admitted, however, that \$1500 was not far over the amount that "that" was not any too much for a man of Harrison's promise.

The former Oakland magnate believes Vancouver will finish first or second as the "old heads" on the club are just now striking their stride.

George Harting, the veteran boxing timekeeper, is out with a statement in San Francisco papers that "Montana Dan" Sullivan was actually fouled by Klaus in their recent four-round flaccid. Sullivan said he was fouled but Van Haltren, referee, refused to allow it and, as usual, those at the ringside were divided. Klaus was getting the best of the milling at this stage of the encounter so Sullivan's bowl doesn't amount to as much as would have been the case had the reverse been true.

King George V announces that he will accept the British crown despite the outcome of the international polo matches.

New York and Chicago papers persist in connecting Fielder Jones' name with the 1912 management of the Cleveland Naps. Somers has had several "confabs" with Comiskey, of the White Sox, recently and thus the rick of ghost squibs. As usual Jones says "No."

"What are pugilist weight limits coming to?" asks a Spokane boxing expert, referring to the prospective "Cyclone" Johnny Thompson vs. "Knockout" Brown bout. "Middleweight" is the Chicago Greek. "Knock-out" Brown, who is now in the middleweight class and growing like a board bill. The lightweight Brown helps his mother wash clothes in New York.

The Portland Board of Health is after the house fly and the baseball bug. "No spitting in the grandstands" is the latest flax.

Next to Madero, the Portland Roadsters have had the most meteoric rise of the season.

"Who gets credit for the defeat in yesterday's Portland-Tacoma game?" queried an ardent fan, enroute to town after the game. McCament left the box in the seventh frame with the score 7 to 5 in his favor but with three men on bases and nobody out and for this reason the writer is inclined to chalk the defeat against McCament and not against Hall.

The rules adopted by major league owners say that if the pitcher who starts work has been taken out in mid-inning at any stage of the game, change any runs scored by runners who may be on bases when the first pitcher re-

ROADSTERS GRAB GAME FROM FIRE

Portland Lands Hard on McCament in Seventh and Wins, 9 to 7.

HALL GOES IN FOR TIGERS

Nick Williams' Men Keep Up Batting Streak, Getting 14 Hits During Contest—Many Errors Are Made on Both Sides.

It was no phantom cork ball that was fed to Portland and Tacoma players yesterday, for, in a clouting fest won by the Roadsters 9 to 7, Portland kept up its cavalcade of the past ten days by banging out 14 hits off McCament and Hall while Lynch's Tigers were forced to halt at 11.

The lords of the jungle had the game well in hand in the seventh inning, 7 to 4, when McCament suffered a Charley horse in his trusty right legging the moment when Johnson's grounder, Seib added to the furore by dropping the sphere.

Lynch then stalked majestically in from center field and dived, body-checking McCament and Seib. Hall took the mound and to show his good sportsmanship, hit Pettigrew just below the 49th parallel, forcing Stovall in with a run.

Tiger Whiskers Singed.

Catcher Jonathan Bradley, turned over by the Coast League club, thereupon singled the whiskers of the first baseman by singeing him on the nose and scoring Williams, Johnson and Pettigrew. These five tallies secured the game.

Boots were almost as frequent as bingles on both sides, Portland erring on six occasions and Tacoma adding a quartet. Jensen was hit freely but errors were directly responsible for the "Tigers" first three runs.

Portland started scoring in the first on hits by Mundorf and Stovall. Tacoma tied it 1-1 in the second when Pettigrew let Morse's hit go through him and Seib singled. The Tigers took a couple in the third on a single by Coleman and a double by Rockenfield on which Coleman was allowed to reach by Murray's wild heave. Rockenfield tallied on a sacrifice fly by Morse.

This tied the swiftest 5-3, as Portland had rammed two around the base-line on both sides, Portland erring on six occasions and Tacoma adding a quartet. Jensen was hit freely but errors were directly responsible for the "Tigers" first three runs.
