

MRS. WALTER DYER DIES AT SEATTLE

Portland Woman Contracts
Mortal Illness on Auto
Tour to Sound.

CHARITY HERE MARKED

Daughter of Allan Francis, ex-
American Consul at Victoria,
Succumbs to Pneumonia at
Start of Trip Abroad.

SEATTLE Wash., June 26.—(Special.)
—Mrs. Hulda Grace Dyer, of Portland,
daughter of Allan Francis, formerly
American Consul at Victoria, B. C.,
died this evening at the Hotel Wash-
ington, after a two weeks' illness of
pneumonia, contracted on an auto ride
from Portland to Seattle, whither she
came, accompanied by her husband,
Walter E. Dyer, before starting on a
two-year's trip around the world.
Mrs. Dyer was a native of Springfield,
Ill., but lived the greater part of her
life in Victoria, to which city her father
was appointed Consul by President Lin-
coln. Mrs. Dyer was married twice.
Her first husband was Byron E. Holmes,
a Portland capitalist, who died in 1902.
Two years ago she married Mr. Dyer,
an artist, formerly of Chicago, but of
late years a citizen of Portland.
The body will be sent to Portland
tomorrow and the funeral will be held
from the Holman undertaking parlors.
The burial will be in Riverview Cem-
tery. Besides her husband, Mrs. Dyer
is survived by a sister, Mrs. David
Edgar, of Staten Island, N. Y.

News of the sudden death of Mrs.
Dyer, who, with her husband, has made
her residence at the Portland Hotel for
the last two years, was a shock to those
who know her intimately, particularly
those who have been associated with
her in the work of several charity
organizations of the city.
Mr. Dyer, who is a member of Dyer
& Co., well-known Portland contrac-
tors, had planned an extended trip,
having given up his suite at the Port-
land Hotel about a month ago. Mr.
Dyer, for a long time, has been active
in promoting the suburb of Kenton,
where Dyer & Co. had large interests
in constructional work, and also dealt
in realty.
It is believed Mr. Dyer will give up
his planned automobile trip around the
world.

QUARANTINE IS DEFENDED

Smallpox at Dawson Makes Protec-
tion of Alaska Necessary.

JUNEAU, Alaska, June 26.—Governor
Walter E. Clark today authorized the
following statement concerning the
action taken by the government in
maintaining a quarantine against Daw-
son, Yukon Territory, because of the
smallpox epidemic there.
"No quarantine has been established
at Skagway against Dawson so far as
I am aware, but the matter of affording
adequate protection against the spread
of smallpox into American territory
south of Dawson is a question to be
determined. The United States Army
surgeon at Fort Hebert has been
authorized by the public health and
marine hospital service to maintain a
strict quarantine at Eagle to guard
against the spread of the disease into
Alaska by travelers going north from
Dawson."
"According to information received
by this office the quarantine at Eagle
does not affect through passengers
from the United States going down
the Yukon who are transferred from
steamer to steamer at a point in the
river well removed from the town of
Dawson."
"No smallpox has been reported from
any town in Alaska, or the Yukon Ter-
ritory, other than Dawson, where there
are 17 cases."

CORONATION FILM COMING

Pictures to Be Exhibited at Star
Theater Soon.

Melvin G. Winstock, general manager
of the People's Amusement Company,
received a cablegram yesterday from
Pathe Freres in London authorizing the
announcement that his firm would for-
ward to Portland the complete pictures
of the coronation ceremonies at the
earliest possible moment.
Pathe Bros., of Paris, had a corps of
their most skillful operators at the
scene, and they assure the public that
the pictures were completely success-
ful. The negatives have been shipped
to the American factory of the firm and
will be developed rapidly.
The coronation films will have a uni-
versal release date before which they
may not be shown, but that date will
be fixed so that immediately upon their
arrival in Portland the pictures will
be put on at the Star Theater. The
Star will strive to exhibit the genuine
coronation pictures ahead of all others.
