PLACING LEO ON FILM It's No Easy Job to Hunt Lions for

Motion Pictures.

Philadelphia Inquirer.

Armed with a big game rific and supported by fellow sportsmen equally well protected, the quest for man-eating flons is a sufficiently exciting pas-time. Equipped only with a 70-pound cinematograph camera, tripod, films and its attendant gear, the risks are vasily greater. Add a dose of malarial fever, and you have a summary of the conditions experienced by Cherry Kearton, who has reproduced a lion

hunt.

Barely escaping death in the Wil-ametic River at the foot of Twenty-courth street when the bank on which Already famous for his cinemato graph and still photographs of birds and animals in their natural surroundshe was sitting gave way, Mrs. Anna Stevenson, aged 30, living at 480 Union ings, he conceived the idea of tracking and filming the lion in his' native avenue, was rescued late last night haunts. Early last year he returned to by Kenneth L. Webb, an attendant at St. Vincent's Hospital, who was pass-Africa, and fitted out an expedition for the purpose. Together with 18 Masal-a hunting tribe who hunt lions with help When Webb was swimming to the bank with the woman he could not spears, and will not allow a rifle not accompany them - and six Somall horsemen, the party set out for the gain a foothold and slipped back and both resourr and rescued would have been drowned but for the assistance of

man-enter's country. In native lion hunting the horsem In native ifon dusting the horsemen ride out before dawn and cut off the llons before they can return to their lairs. They are then rounded up by the spearmen, whe dodge and twist like cels in their endeavors to avoid the ugly rushes of the infuriated beasts. Spears are planted in the anibeasts. opears are planted in the ani-mal at every opportunity, and after a long fight, in which some of the spears-men generally get seriously injured, the lion is killed. The greatest naval pageant in the history of the world will be the most spectacular feature of the ceremonles incident to the opening of the Panama Canal. The President has been au-
