INDICTED 4, FREE, DENIED "RELEASE"

Calhoun and Other Railway Chiefs Out of California, to Be Rearrested.

SUPREME COURT DECIDES

Men Indicted in San Francisco Lose Habeas Corpus Proceedings and as They Are Without Bail, Sheriff Seeks Them.

SAN FRANCISCO, July 3.—Patrick Calhoun, Tiley L. Ford, Thornwall Mullally and William M. Abbott, the United Railroad officials indicted on the charge of bribing city officials, were denied release on habeas corpus proceedings by the State Supreme Court today. The opinion was written by Justice Lorigan, with the concurrence of the other members of the bench, excepting Chief Justice Beatty, who, however, gave no dissenting opinion.

Following the refusal of Superior Judge Lawlor a year ago to dismiss the case for alleged lack of evidence, the railway officials surrendered themselves to the Sheriff and then petitioned the Supreme Court for release. At the same time bail bonds were filed with the upper court pending the hearing. Thus the point that the accused were "deprived of their liberty" was technical, as the court points out. The real issue was whether Judge Lawlor had power to postpone the cases longer in view of the disappearance of James L. Gallagher, the prosecution's main witness during the graft prosecution. Justice Lorigan says that the defendants surrendered themselves to the Sheriff to make out a case to support the issuance of a writ "contrary to the spirit, purpose and object of the writ."

Another Way Shown. He points out also that habeas corpus is not the sole remedy, as asserted, since a writ of mandate might have been applied for. But to obtain such a writ, they must show that trial court had failed in its legal duty in refusing to dismiss the cases. One of the curious effects of the decision is that it leaves each of the four applicants in liberty without bail, which had been set at \$125,000 in each case. They gave bonds in this sum for appearance in the Superior Court and then in the Supreme. It now remains for the Sheriff to rearrest them. Calhoun is reported to be at his home in Cleveland, O., where his daughter's wedding was celebrated last week, with Mullally and Abbott in attendance. Ford is out of the city at this time.

Eddy Will Injunction Denied. CONCORD, N. H., July 3.—In the Superior Court today Chief Justice Wallace denied the motion of the defense for an injunction restraining George

W. Glover, of Lond, S. D., from proceeding with the suit brought to determine legality of the residuary clauses of the will of the late Mary Baker G. Eddy. An exception was taken which will be transferred to the Supreme Court tomorrow, where the suit is to go Saturday.

SERGEANT-AT-ARMS GUILTY

Ohio Senate Officer Convicted of Aiding Bribery.

COLUMBUS, O., July 3.—The jury in the case of Rodney J. Diegle, sergeant-at-arms of the State Senate, who has been on trial, charged with aiding and abetting the alleged bribery of State Senator L. R. Andrews, returned a verdict at noon today, finding him guilty. The jury had been out since 4:30 last Friday afternoon, that being a record in this county.

Representative George B. Nye, of Pike County, the first to be tried, was acquitted of a charge of bribery, but other indictments are pending. In the Diegle trial the state relied on a mechanical device, the "dictagraph," a highly sensitive telephone, for its strongest evidence. The dictagraph transmitter was secreted in a detective's room in a hotel, and a court stenographer in another room reported the conversation in which it was alleged bribes were offered and accepted.

DEAD GENERAL HONORED

Confederate Veteran Will Lie in State in Georgia Capitol.

ATLANTA, Ga., July 3.—The funeral of General Clement A. Evans, ex-Commander of the United Confederate Veterans, who died yesterday afternoon, will be held Wednesday. The body will lie in state at the Georgia Capitol from 11:30 until 3:30, after which it will be taken to the First Methodist Church, where funeral services will be conducted by Bishop Chandler and Chaplain General H. Linn, a Confederate veteran. Upon request of the Ladies' Memorial Association, the body will be buried in the lot belonging to that organization in Oakland Cemetery, near the Confederate Cemetery in this city.

COUNTERFEIT BILL "GOOD"

Secret Service Men Find Bogus Certificate Very Well Made.

WASHINGTON, July 3.—A new counterfeit \$100 gold certificate, so well made in many details that the Secret Service regards it as highly dangerous, was found today in a shipment of money from a National bank in Louisville to its correspondent in New York. The new bill is a lithograph, and although it has many defects, it is printed on the Government's money paper, which the counterfeiters obtained by bleaching a genuine note. It bears the portrait of Benton, which is very flat. A careful examination of the back is likely to betray that.

CANADIAN NATIONAL PARK and Return \$35.

This very low rate covers round-trip season ticket, permitting stopovers at Steamboat, Glacier, Field, Lassen and Basin. No other trip to be compared with one through the Canadian Rockies.

GERMAN AID SEEN

Participation in Arbitration Pact Seems Likely.

SUSPICION IS DISPELLED

Misunderstanding About Great Britain Cooled Enthusiasm at First, but Officials Now Think Way Is Opened.

WASHINGTON, July 3.—That Germany will not be far behind Great Britain in her acceptance of the principle of unrestricted arbitration of all issues, including those involving national honor, is regarded here as a virtually certain view of recent developments. When Count Von Bernstorff, the German Ambassador, departs for Berlin, it is expected he will be charged with a new presentation of the question that will insure favorable consideration. From the first the German Foreign Office has looked doubtfully upon the arbitration plan because it felt that while Germany, under its terms, would be absolutely forced to submit an issue to arbitration, the English government could avoid such responsibility because the United States was privileged to pass upon the issue. A hasty reading of the copy of the treaty submitted the Foreign Office through Count Von Bernstorff confirmed this belief, hence there was no manifestation by Germany of its purpose to press the negotiations. It appears that there has been a radical misunderstanding on this important point. The treaty provides that even after the action of the Senate upon a "pro-let" or upon a definition of the exact limits of the matter to be arbitrated, the issue shall not go to actual arbitration until there has been an exchange of notes between the two governments, and an objection by either to the form would result in stopping the proceedings. This point has been made clear to the German Ambassador, and now it is expected the way has been cleared for adhesion of Germany to the convention.

LONG CRUISE IS PLANNED

San Francisco Skipper Visits Coast Points in Motor-Boat.

ASTORIA, Or., July 3.—(Special)—Captain E. Blaisdell of San Francisco arrived today on his cruiser motor-boat Ripple. He is on a pleasure excursion along the coast. On the way up to this point stops were made at Eureka, Coos Bay and Yaquina and after remaining here for a few days, he will proceed to Grays Harbor and points on Puget Sound, probably extending his trip to British Columbia.

JOE DAY IS PUT IN JAIL

(Continued from First Page.)
outhouse stands, southward across lands of the Jackson-street regrade where stood the old restricted district which caused all the trouble. Day was puffing hard and making small headway, while the crowd came yelling down the hill with a big momentum. The deputies caught up with him and he was seized. Hyde, somehow, had dived into a hole, without attracting the attention of the pursuers, and over his ash barrel he saw the chase go by and had a good view of the sequel. He stood

pat for a while and might have made good his escape in spite of a woman's attempt to guide Day's captors to his hiding place, but the sight of Day under arrest was too much for him and he walked out and surrendered. The detectives were conducted to the King County Jail and detained for about an hour and a half, when they were brought before Judge J. T. Ronald and released on their personal recognizance to get \$2000 bail each. Day's anger was directed chiefly against Prosecuting Attorney John F. Murphy.

California Labor Will Hire Brandeis if Necessary.

AID TO WOMEN STAUNCH

Hotelkeepers Say They Will Appeal if Supreme Court Upholds Short Day for Female Workers. Unions to Keep on, Too.

SAN FRANCISCO, July 3.—(Special)—The California State Federation of Labor held a meeting today to confer concerning the action to be taken by them if the eight-hour day, applying to the employment of women in hotels and restaurants, is declared unconstitutional in the Supreme Court on next Monday. They also provided plans to follow the hotelkeepers into the Supreme Court of the United States in the event the decision is in favor of the law and against the hotelkeepers, who say that they will appeal the case in that event. The Federation of Labor has decided to give all the assistance possible to keep the law upon the statute books and declare they have backing from several outsiders who are willing to

STRAPHANGER BILL VETOED

Seattle Mayor Says Anti-Crowding Ordinance Impractical.

SEATTLE, Wash., July 3.—(Special)—Mayor George W. Dilling today sent to the City Council his veto of the bill passed last Monday, seeking to regulate streetcar traffic by limiting the number of persons to be carried on each of the 14 types of cars used. The Mayor's general reason is that the ordinance does not remedy conditions, while it lays down fixed rules with which it would be very difficult to comply and which would prove annoying to the traveling public.

ST. JOHNS POSTMASTER CHANGES MIND.

WASHINGTON, July 3.—John T. Monahan, postmaster at St. Johns, who resigned a month ago, has withdrawn his resignation, the Department allowing him to do so. Congressman Lafferty had already nominated Fred C. Couch for the place. No reason was given for Monahan's action. Lafferty has recommended Leonard Gilimvotti to be postmaster at Olem, Gilliam County.

3 PASTORS IN CENTURY

Pennsylvania Church Celebrates Its 100th Anniversary.

CLAYSVILLE, Pa., July 3.—The Clayville United Presbyterian Church, probably one of the oldest organizations in the state, celebrated its hundredth anniversary yesterday. The church holds a record equalled probably by no Protestant church in the United States, in that it has had but three continuous pastors in its 100 years' existence.

RUSSIAN FLEET TO COME

Squadron Will Repay United States Fleet's Visit in 1913.

ST. PETERSBURG, July 3.—The Ministry of Marine is considering a plan to send a Russian squadron to America in 1913 to mark the 50th anniversary of the visit of the Russian squadron under the command of Admiral Lyssovsky to New York in 1863. The visit of 1913 would serve as the same time as a return of the call recently made at Cronstadt by the American battleships.

They Grow Hair

Certain Ingredients, if Properly Combined, Stimulate Human Hair Growth.

Resorcin is one of the most effective germ destroyers ever discovered. Betanaphthol is a most powerful and potent growth of hair stimulant and antiseptic, which prevents development of germ matter, and creates a clean, healthy condition. Pilocarpine, although not a coloring matter or dye, is an ingredient well established for its power to restore natural color to human hair, and is a stimulant to the hair bulbs, and has a soothing, healing and nourishing influence. Alcohol is indispensable in medicine because of its antiseptic, stimulating and preservative qualities. Rexall "93" Hair Tonic is chiefly composed of these ingredients, which are compounded in a peculiar form, and we believe it is the most effective remedy known to medical science for scalp and hair troubles generally. We personally guarantee it to eradicate dandruff and scalp irritations and to grow hair, even though the scalp in spots is bare of hair, providing of course, there is life and vitality remaining in the hair roots. We want every one troubled with scalp disease, dandruff or loss of hair to try Rexall "93" Hair Tonic. If it does not remove dandruff and promote a growth of hair to the satisfaction of the user, we will without question or quibble return every cent paid us for it. This guarantee is printed on every package. It has affected most satisfactory results in 52 out of 100 cases where put to a practical test. Rexall "93" Hair Tonic is entirely unlike and in every particular different from anything else we know of for the purpose for which it is recommended. We urge you to try it at our entire risk. Certainly we could offer no better guarantee. Two sizes, 50 cents and \$1.00. Sold in Portland only at The Owl Drug Co., Inc., cor. 7th and Washington sts.
