GIPE HIT HARD IN SIXTH

Portland Ties Score in Third and Later on Lusty Blows by Rapps, Krueger and Peckinpaugh Make Victory Secure.

BY W. J. PETRAIN. With two men out in the first inning, Ferdinand Hankle, McCredie's ex-colle-gian twirler, allowed three hits in a row, two of which were two-baggers, and Vernon tallind a brace of runs, but after that the Portland portsider settled down and shut the visitors out, while the Beavers came from behind and tal-lied a quartet of runs in various innings,

lied a quartet of runs in various innings, beating Vernon 4 to 2. It was a fast and exciting game, sprinkled with just enough batting to make things interesting all the way. Opposed to Henkle was Happy Hogan's new "phenom," Gipe, who resembles "Fiame" Deihi considerably. The youngster pitched a good article of ball, but was unlucky in the sixth, when Portland put the game on ice after having tied the score in the third.

#### Venon Scores Two.

Henkle disposed of Carilsie and Kane in the opening round, but Patterson popped a dinky fly back of third base which went for a two-base hit, as Krueger could not reach it, and Peckin-paugh and Sheehan did not start for it in time. Roy Brashear then slammed a terrific drive to the left field fence, which went for another double and sent Pat-terson across with the first run.

McDowell, playing right field in place of Stinson, who suffered from the heat, singled to center and Brashear tallied the second and last Vernon run. Gipe shut out the Beavers in the first, but in the second round Bill Rapps doubled and scored on Peckinpaugh's first single. In the third Henkle walked and took second on a sacrifice by Chad-bourne, and scored on Buddy Ryan's safe drive over second. This run tied up the

proceedings, and the deadlock remained unbroken until the sixth. In the sixth the Beavers practically duplicated the Hooligans first inning stunt, for two men were out before the swatfest resulting in the winning runs commenced. Hosp had taken care of Sheehan and Ryan, when Rapps tore a single through the infield. Artie Krueger then uncorked a two-base drive to right field which sent Bill Rapps to third, and it was once more up to Peckinpaugh, who made good for the second time in the game.

time in the game.

"Peck" picked out the right garden wall for his drive, and while McDowell was picking the sphere up after it slammed against the fence. Rapps and Krueger chalked up runs, but "Peck" could get no farther than first.

In the eighth Hogan sent Stinson in

to bat for Gipe, and this brought the rotund Roy Hitt to the mound for the Beavers' last sashay at bat, but Roy. though dented for a single, succeeded in rounding out the session unharmed.

## Double Play Effective.

From the second inning on Henkie pitched in grand style, and while he allowed two hingles in the ninth, he escaped injury because McKune, Peckin-Mr.ss.rf Dalay.ht paugh and Rapps manipulated one of the speedy double killings for which the Portland infield has become noted. "Big Six" Steen will appear on the hilltop for McCredie's braves this aftersoon, and opposed to him will be either Stewart or Jack Raleigh for the Hooligan crowd. Yesterday's score follows:

## Notes of the Game.

By sending Ferdinand Henkle on the slab restorday McCredie demonstrated that he atends to use the Oregon lad regularly. Yesterday's victory makes three straight wins for Henkle, for he gets the credit for the winning of that Stockton swatfest. While Artis Krueger slammed out a time-ly two-bagger in the sixth inning yesterday, he was once more robbed of a hit, for in the fearth inning Hosp leaped in the air and pulled down a drive from the Dutchman's

Walter Kuhn was some nifty in getting under foul files yesterday, for the gingery 'redhead' copped a couple of hard ones near the grandstand in fine style.

"Roaring Bill" Rapps went through yesterday's game with a perfect batting average, for he manipulated a double and a single and was bit by the pitcher in three trips. He also tallied two runs.

In addition to distinguishing himself by several nifty field stinits. Roger Peckin-paugh was some here with his bat, for he frow in three of Perland's four runs with timely hits.

Happicus Hogan refuses to play a double-header with the Beavers next Sanday, for he says there is a league rule against the playing of bargain mailness until after August I.

Henkle had the hard-hitting Carliele on his staff yesterday, for he fanned the nifty Vernon lead-off man twice, though Carliele managed to work the Beaver hurler for a pass on one occasion.

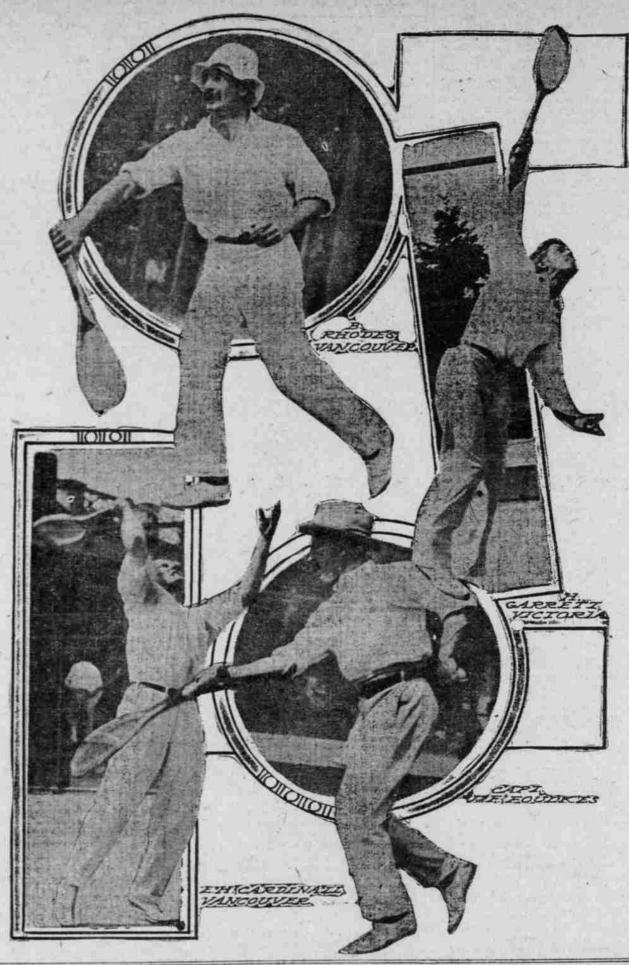

Chadbourne got to third base in the eighth, when he singled and stole second and reached the last station on Sheeban's sacrifice. Buddy Ryan missed the ball in an attempted aqueeze and "Chad" was caught standing up.

Happy Hogan, Leader of Vernon Club, Has No Use for Boston Plan of Calling in Substitute Batsmen for Pitchers.

BY ROSCOE FAWCETT. Pete Daley, the clever outfielder of the Los Angeles club, has sickened of the second division business-in fact. so disgusted is Peter with the suburb of Pasadena that he would close up the walls and "stone the populace into the wilderness like Hagar."

The other day Daley went to the players' bench between innings and said in a mild voice, audible to a deaf man as far away as Ocean Park: "Dil-lon, I want to get out of this rotten burg. Send me to Seattle or any-where." This is about the most terrible thing

that has been said about Los Angeles since the day "Kid" Mohler answered a Dillonite fan's plaint about the San Francisco harbor: "Well," said Mohler on that memorable occasion, "If you folks down here in Los Angeles could suck as hard as you can blow, you'd have Frisco's harbor in no time."

Hurble Smith, the Los Angeles util-

Hughle Smith, the Los Angeles utility catcher, has also looked the fans over to an unfavorable verdict. In Daley's case, however, many are unkind enough to hint that he is deliberately laying down for a release and some of the hints are louder than "Hap" Hogan's cardinal-colored vest-

ment.
Danny Long, of the San Francisco Seals, has been casting a wistful eye about for a new outfielder and it is not altogether improbable that Daley may fall into the San Francisco net. For three days Long and "Hap" Hogan dickered over an even trade of Tommy Madden for Johnny Kane, the latter of the Vernons. Hogan at first consented, but finally reconsidered through fear of breaking up a winning cor bination, so it left Long with a long face than ever. He und ed Kane for his speed. He undoubtedly want-

southpaws, Castleton, Raleigh and Hitt. Stewart seems to be the Vean Gregg of the convict crew, for the ex-Seal has tucked away eight of his last nine games. Castleton has won his last two games via the shutout route, de-feating San Francisco 8 to 0 on July 5 and winning on Carlisle's homer on Tucsday, 1 to 0, over Portland. Pernoll beat him to 2 to 0 in the Oakland series the week before.

Wickersham and Gorrill Among Those Who Show Up Strong. Champion of Canada Takes Idaho "Champ's" Measure,

BY RALPH H. MITCHELL. Tennis of the spectacular order opened the North Pacific International tournament on the Irvington courts here yesterday when two champions, one of Canada and the other of Idaho. met in one of the greatest matches ever seen on a Portland court. The Canadian, Captain Foulkes, of Vicoria, twice holder of the national title across the border, took the Idaho "champ," Theodore C. Fulton, of Spokane, into camp only after four grilling sets,

camp only after four grilling sets, which resulted; 6-8, 6-3, 7-5, 6-2.

A large gailery gathered in the afternoon to see the play, despite the fact that the mercury registered about the 25 point. Fair femininity was out in force and the sterner sex, too, was on hand in large numbers.

Play started at 11 o'clock, immediately following the drawings, four or five matches in the first round being played off before lunch was served at 12:30 o'clock at the clubhouse.

One peculiar feature of the drawings

12:30 o'clock at the clubhouse.
One peculiar feature of the drawings was the fact that the Irvington entrants drew the Multnomah players in both cases in the singles, Wickersham playing Lewis and defeating him, three straight sets, 6-1, 6-1, 6-2. Andrews, Multnomah, also went down to defeat before an Irvington man, Gortill who also won in three straight. defeat before an Irvington man, Gorrill, who also won in three straight, 6-4, 6-3, 6-1. Andrews played a strong game the first set, but tired in the second and third and his younger opponent had comparatively an easy time. The Canadians had the better of the first day's play, both Vancouver and Victoria men winning their matches. Garrett, of Victoria, allowed his opponent Lyon, of Tacoma, only six games in the three sets played, which resulted as follows; 6-1, 6-2, 6-3.

Cardinall, of Vancouver, defeated Percy Gardner, of Everett, Wash, without trouble, the American being given but two games in the total of 10 played, the scores being, 6-2, 6-9, 6-0.

8-0.

Rhodes, of Vancouver, had a tussel with Erickson, of Everett, before he was able to solve the Washington man's curves, and took the last three sets at 6-2, 6-1, 6-4, after Erickson had taken the first set at 6-3.

Tyler, of Spokane, Inland Empire champion and former Northwest titleholder, bids fair to run high for the championship here this year as evidenced by the showing he made against Shannen, of Seattle, whom he defeated

Shannon, of Seattle, whom he defeated in three straight sets, allowing the Pu-get Sound boy but three games out of of the 21 played. The scores were 6-1,

6-2, 6-0.

Breeze, of Tacoma, has "come back."
At least the northern lad showed his old-time tennis form when he met and worth.

Hogan's reasons are the same ones advanced in defeat of the measure at that time and their sufficiency seems justified, in the light of common sense.

Gipe, the youngster Hogan started against the Beavers yesterday, didn't have a shade of a curl on his offerings. SPOKANE, Wash, July 13.—(Special.)—Portland gave Raiph Willis his bumps today and Spokane never had a look-in after the first inning. That he won at all is due also to the sterling work Portland did with the bat, usually with two strikes on the batter, and nifty performances on the bases.
