

TRUNK WRECK LAID TO CREW BY JURY

Assistant Roadmaster Who Decried Speed, Also Is Accused.

Dangerous Curve in Deschutes Canyon Where Seven Persons Were Killed Unprotected by Warning Signs Is Finding of Board.

THE DALLES, Or., July 18.—(Special.)—Engineer Thomas Myles, Conductor Cass, Assistant Roadmaster A. S. McCurdy and the Oregon Trunk Railroad are held responsible for the fatal wreck July 10, as the result of which seven lives were lost. After an investigation which lasted nine days, Coroner C. N. Burget and a jury composed of William Vogt, Frank Phillips, Henry Smith, Harry Oliver, J. S. Fine and Frank Gardner reported their findings tonight. The verdict in part is as follows:

"We find that Engineer Myles was exceeding the speed limit. We do also find that Assistant Roadmaster McCurdy was criminally negligent. In that after checking the speed of the train he did not pull the air cord and set the brakes, as he knew this to be a dangerous point, not sufficiently braked and practically being a skeleton track at the point of derailment. And we further find that the track was in an unsafe condition as to its gauge and that said gauge was known to McCurdy, roadmaster in charge of the track.

CITY COUNCIL ASSAILED

Centralia Voters Sign Petitions for Commission Government.

CENTRALIA, Wash., July 18.—(Special.)—The establishment of a commission form of government in Centralia seems certain. Petitions are being circulated among the voters of the city, and the circulators report that 95 per cent of the voters are signing them, whereas only 25 per cent are required. Two reasons are urged for doing away with the present form of city government—the extravagance of the city administration and the 50-year Washington-Oregon franchise. It is the reported intention of the City Council to pass the objectionable franchise tonight, and local property owners are arranging to attend the meeting in a body and by an open display of their wishes, endeavor to influence the Councilmen to lay the ordinance over until some future date.

BANDON TO HAVE BIG FAIR

Business Men and Ranchers Raise Money for August Carnival.

BANDON, Or., July 18.—(Special.)—Bandon will have a big carnival and agricultural fair in August. The dates have not yet been definitely decided upon but will probably be August 24 and 25. More than \$1,000 has already been subscribed by business men and ranchers of Bandon and vicinity and the subscriptions are still coming in, assuring the financial success of the fair.

In addition to the agricultural display, which will consist of the fruits and grains of Cook County as well as livestock, there will be many outside attractions, and the committee in charge intends to correspond with outside companies that have good carnival attractions. Several concessions have already been booked.

VANCOUVER WATER AMPLE

Additional Pumps Will Be Installed in Short Time.

VANCOUVER, Wash., July 18.—(Special.)—While the drain upon the water system of Vancouver is great, no water famine is expected. The reservoirs contain two days' supply constantly. When the use of water is the heaviest during the day, the level in the two largest reservoirs is reduced but a few inches.

A new rule of the Washington-Oregon Corporation, which controls the water of Vancouver, permits the use of water to sprinkle gardens as well as the lawns. There are hundreds of people who live in the city who have small gardens, and water is essential for their growth. The old water company refused to permit water to be used in sprinkling gardens, no matter how small, although a charge was made for sprinkling lawns.

TWO FISHERMEN DROWN

Boat Capsizes Off Peacock Spit During Dense Fog.

ASTORIA, Or., July 18.—(Special.)—During a dense fog which prevailed in the lower river this morning, one of the Tallant-Grant Packing Company's fishing boats ran onto Peacock spit and was capsized. Alex Jackson, the captain, and his boat-sailer, whose name is not known, were drowned. Neither of the bodies has been recovered. As Captain Stuart, of the 'ape Disappointment' lifesaving crew, was returning from patrolling the river close to the breaker, they found the overturned boat and towed it ashore.

Metallus Gets Roundhouse.

METOLUS, Or., July 18.—(Special.)—The Oregon Trunk Railroad today commenced construction work on a 24-foot roundhouse. Master Carpenter W. R. Patrick, of Vancouver, is in charge. The company is also installing a 40-foot turntable. Charles A. Seaburg & Co., Portland contractors, brought in

Deaf Schools to Be Headed by Vancouver Man.

VANCOUVER, Wash., July 18.—(Special.)—Thomas F. Clarke, superintendent of the State Schools for the Blind and for the Deaf, returned today from the National convention of instructors for the deaf, which was held in Delevan, Wis. Mr. Clarke was elected chairman of the Western division of the United States, which includes territory west of the Mississippi River. There are 18 schools for the deaf in the district.

SPECIAL SESSION SOUGHT

Medford Starts Plan to Call Legislature to Consider Roads.

MEDFORD, Or., July 18.—(Special.)—Telegrams will be sent from many towns in the state to Governor West, urging a special session of the Legislature to consider necessary legislation for good roads, next Thursday. The commercial clubs and the State Grange will join hands in the movement. The plan originated here from a desire to bond Jackson County for \$1,000,000, the money to be spent in improving the highways of the county. Attempts have been made to call a special session instead and have the special vote for warrants, but they have failed. It is understood here that the Portland Chamber of Commerce and commercial bodies of virtually all progressive cities in the state are backing the good roads movement.

BANK'S RECEIVER SUED

Attorney Would Recover \$3070.60 Held as Trust Fund.

VANCOUVER, Wash., July 18.—(Special.)—An attempt to collect \$3070.60 from the defunct Commercial Bank of Vancouver, is being made by Frederick Olson, an attorney in fact for Johanna Carlson, and Nora Selwina Danielson, heirs of the estate of Carl Peter Johnson, deceased. Olson has filed suit in the Superior Court against M. B. Kies, as receiver of the bank. He alleges that on December 14, 1910, seven days before the bank closed its doors, that he deposited as trust funds the sum mentioned, to be held as a special deposit in trust for the heirs of Carl Peter Johnson. A receipt, signed by Gilbert W. Daniels, cashier of the bank, reads, "To be held until receipts are received from heirs. The same to be forwarded by bank draft."

WORLD'S CHAMPION TENNIS PLAYER TO APPEAR IN TACOMA PLAY.

ELGIN, Or., July 18.—(Special.)—Within a very few days Union County will be in the midst of its greatest harvest. A careful examination of fields in all sections of the county, gives indications that the yield will approximate 1,500,000 to 2,000,000 bushels from an acreage slightly less than that commonly sowed in small grains. That this year's crop of wheat in Union County promises a yield of virtually 50 per cent more than that of a year ago is due to two conditions: first, the greater acreage, and second, the excellent growing weather and amount of rainfall through the season. A survey of the wheat fields in the territory immediately surrounding Elgin shows a splendid stand of grain, and it is predicted by flourmill men of the valley that there will be shipped from this point approximately 450,000 bushels. While there is an increase of virtually 20 per cent in the total acreage, the percentage of fall sowing is fully 10 per cent more than usual.

Deaf Schools to Be Headed by Vancouver Man.

MCCREDIE, Mrs. R. W. Smith, Mrs. Russell, Mrs. Scot Swetland, Lloyd Du Bois, H. W. Arnold, W. E. Carter, C. C. London and Judge McMaster. The movement was started at a mass meeting recently held at the Commercial Club. Hundreds of tramps and "undesirable citizens" drop off the 52 trains passing through this city daily and have become a great nuisance. The business men believe that with such a corporation more real good will result than by promiscuous giving.

Was Cured by Lydia E. Pinkham's Vegetable Compound

Elwood, Ind.—"Your remedies have cured me and I have only taken six bottles of Lydia E. Pinkham's Vegetable Compound. I was sick three months and could not walk. I suffered all the time. The doctors said I could not get well without an operation, for I could hardly stand the pains in my sides, especially my right one, and down my right leg. I began to feel better when I had taken only one bottle of Compound, but kept on as I was afraid to stop too soon."—Mrs. SARA MILLER, 2728 N. B. St., Elwood, Ind.

Grows Hair on Bald Heads

A Remedy That Costs Nothing if It Fails to Do as Claimed.

Resorcin is one of the latest and most effective germ-killers discovered by science, and in connection with Beta Naphthol, also a powerful antiseptic, a combination is formed which destroys the germs which rob the hair of its nutriment, and thus create a clean and healthy condition of the scalp, which prevents the development of new germs.

Phocarpine is a well-known agent for restoring the hair to its natural color, where the loss of color has been due to a disease. Yet it is not a coloring matter or dye. The famous Rescil "33" Hair Tonic is chiefly composed of Resorcin, Beta Naphthol and Phocarpine, combined with pure alcohol because of its cleansing and antiseptic qualities. It makes the scalp healthy, nourishes the hair, revitalizes the roots, supplies hair nourishment and stimulates a new growth.

We want you to try a few bottles of Rescil "33" Hair Tonic on your personal guarantee that the trial will not cost you a penny if it does not give you absolute satisfaction. That's proof of our faith in this remedy and it should indisputably demonstrate that we know what we are talking about when we say that Rescil "33" Hair Tonic will grow hair on bald heads, except of course where baldness has been of such long duration that the roots of the hair are entirely dead, the follicles closed and grown over, and the scalp is glazed.

Remember, we are basing our statements upon what has already been accomplished by the use of Rescil "33" Hair Tonic, and we have the right to assume that what it has done for hundreds of others it will do for you. In any event you cannot lose anything by giving it a trial on your liberal guarantee. Two sizes, 50 cents and \$1.00. Remember, you can obtain Rescil Remedies in Portland only at The Owl Drug Co., Inc., Cor. 7th and Washington Sts.

PORTLAND MAY GET BIG MEET

Track and Field Tryouts for Coast Likely to Come Here.

Portland probably will be awarded the track and field tryouts of the Amateur Athletic Union for the Pacific Coast next June, when athletes will be chosen to represent the United States at the Olympic games at Stockholm, Sweden.

"Portland, Cincinnati and New York will likely get the trials," Secretary Sullivan is quoted as saying in the East the other day.

An appeal for funds has been sent out by J. W. Curtis, treasurer of the Amateur Athletic Union, which started the ball rolling toward the \$50,000 fund by donating a cool \$1000. Another important announcement has been made from the Amateur Athletic headquarters annulling the agreement existing between the Union and the Athletic League of North America, comprising the various Y. M. C. A.'s of the country. Hereafter no registered Y. M. C. A. athletes will be allowed to participate in open meets unless they secure the sanction of the governing body.

T. Morris Dunne, of Portland, is vice-president of the Amateur Athletic Union representing the Pacific Northwest Association.

Papke to Fight Sailor Burke.

CHICAGO, July 18.—Billy Papke was matched to meet Sailor Burke in August. The middleweights will meet at catch weights before the Twentieth Century Athletic Club at New York. The bout is scheduled for ten rounds. This will be the first contest for the claimant to the middleweight title since his victory over Jim Sullivan in England recently. The battle marks the start of a long campaign which Papke will go through in order to prove his right to the championship.

NEW YORK, July 18.—(Special.)—The following from the Pacific Northwest are registered at New York hotels:

From Portland—At the Marlinton, Mrs. F. J. Blakeley, Miss G. Blakeley; at the Breslin, F. H. Hazard. From Everett, Wash.—At the Grand Union, J. Norman. From Walla Walla, Wash.—At the York, K. G.
