

POLICE FORCE TOSSED BY CHANGE

Two Captains Shifted, Six Detectives Back on Beats. Three Sergeants Reduced.

LAXITY SHAKEUP CAUSE

Long-Threatened Upheaval Comes at Month-End—New Appointments Are Temporary—Five Patrolmen Are Promoted.

Based on its action on the police records for the last month, which are alleged to show neglect and inefficiency on the part of a large number of the police force, the police committee of the Executive Board, acting through Acting Chief Slover, gave the department yesterday the greatest shakeup that has been felt in its whole history. Two captains, six detectives, three patrol sergeants and nearly half of the patrolmen are more or less affected. The department was agog yesterday with discussions of the meaning of the move.

"For the good of the service" is the stock phrase with which Chairman Coffey and Chief Slover evaded all comment upon the move. "They are not charged against any of these men," they said, "and if they do police duty in the positions to which they have been assigned, this will be the last of the change."

Abandonment of the expressed desire to rid the police force of 50 men is believed to be shown by the transfers. The most notable change is the transfer of Captain of Detectives Moore to the uniformed day relief and of Captain Baty from that position to the day relief vacant for two years the head of the detective department, and Captain Baty the detective position for about an equal time before him. Captain Moore is at present on his vacation, but will return to duty in a few days. His removal, and those of six of his sergeants and two plain-clothes men, is said to be due to a study of the arrest docket during the past month, which, it is said, shows little activity on the part of the detectives. The men reply by saying that this is their duty season, and much of the best work they do does not lead to arrests.
