

RESCUED AS SEA SWEEPS SCHOONER

Men Lashed to Rigging See Three Vessels Miss Signals of Distress.

SUCCESS IS NONE TOO SOON

Clyde Liner Appears as Malcolm B. Seavey Is Pounding to Pieces on Reef—Crew Forced to Jump Overboard.

NEW YORK, Aug. 31.—Ten seamen, snatched from death in the great storm that battered the South Atlantic Coast, were brought here today by the Clyde Line steamer Mohawk...

RESCUE WAS AS THRILLING AS THE PLIGHT of the schooner's crew. A boat from the steamer could not get nearer the Seavey than 50 yards, and one by one the exhausted men, lashed to what was left of the schooner's rigging...

WIFE AND CHILDREN IN YAWL

Life-Savers in Powerboat Save 11 From Abandoned Vessel.

ATLANTIC CITY, N. J., Aug. 31.—Captain H. Sampson, his wife, two children and a crew of seven men of the schooner Josie E. Burnett...

VESSEL BURNS, CREW GONE

Search of Sea Fails to Reveal Trace of Missing Ones.

NEW YORK, Aug. 31.—Wireless reports received here this afternoon from the steamer Oklahoma, bound from New York to Port Arthur, Tex., tell of the burning of an unidentified schooner at sea today.

Yacht Gunilda May Be Saved.

ROSSPORT, Ont., Aug. 31.—William L. Harkness, a Quaker, stranded near here on Lake Superior, is not lacking, and probably will be saved.

Liner Lexington Abandoned.

CHARLESTON, S. C., Aug. 31.—It was reported today that the liner Lexington, wrecked off the mouth of the Edisto River, has been abandoned by Captain Connolly and his crew of 43 men.

3 KILLED IN TWO AUTOS

One Fatally, Two Less Seriously Injured in Day's Accidents.

TECUMSEH, Neb., Aug. 31.—Mrs. William Riedman, a young widow, and William Bourlier, a farmer, were instantly killed today when a touring car belonging to Bourlier, in which the two were riding, jumped from a culvert into a 15-foot ravine.

ST. JOSEPH, Mo., Aug. 31.—Leslie Selvin, of Maitland, Mo., son of D. A. Selvin, a prominent banker, was instantly killed and Harry J. Crider, ex-postmaster at Maitland, was probably fatally injured when an automobile turned turtle near Maitland, Mo., today.

RURAL SUPERVISORS BUSY

New Lane School Officials Start Performing Duties.

EUGENE, Or., Aug. 31.—(Special.)—Recently appointed rural school supervisors for Lane County will take up their duties tomorrow with a conference at the office of the county school superintendent, going to their respective posts on Monday.

A. K. Mickey, for a number of years the superintendent of the Junction City schools, will have charge of the northern district of Lane County, with headquarters at Junction City...

MISS GOLDIE VAN BIBBER, a recent graduate of the University of Oregon, will supervise the coast districts, 31 in number, from her headquarters at Florence.

PROFESSOR MICKEY will outline some needed work in music in his district, and Miss Van Bibber will pay special attention to the condition of the buildings, apparatus and other supplies, and repair of the buildings.

TEACHERS RETURN FROM VACATIONS and Many New Professors Are Engaged for '11-'12 Year.

STATE COLLEGE, PULLMAN, Wash., Aug. 31.—(Special.)—With the opening of college less than three weeks away, teachers are returning from their vacations, and prospects are bright for a banner enrollment at Washington State College for the year 1911-12.

THE newly elected head of the department of domestic economy is Miss Josephine T. Berry, late of Yale University and Columbia University, New York, who is expected to arrive in Pullman within a few days.

MISS RHODA M. WHITE, lately elected dean of women for the State College, will arrive within a week, now being in Madison, Wis.

A newly created professorship of importance is that of architecture, to which Professor Rudolph Weaver, of the University of Illinois, has been elected.

PROFESSOR GEORGE L. CLOTHIER, of the Agricultural College of Mississippi, has been elected professor of forestry.

PROFESSOR L. V. EDWARDS, of Cornell University, has been elected to that position. Professor Edwards has been a teacher in the department of railway and highway engineering at Cornell.
