CANADIAN FARM LANDS.

Would you not like to share in the great distribution of wealth along the line of the Grand Trunk Pacific Railway, in Central British Columbia? A careful and posserative estimate of the amount of actual cash to be expended in British Columbia during the next few years on railway construction mud other enterprises shows a total of at least \$200,000 600. The surest way to gut your share of this convenues amount is to own sood farm land along the line of the Grand Trunk Pacific Ballway, now under construction. This railway passes through the richest undersloped section of the entire country. Hundreds of prospective farmers are taking advantage of the Bresant tow prices of land and high prices paid for all kinds of produce. When the railway is completed, in 1918, the greatest man of satisface ever known will take place. We own some of the best land in the Fort George district, the Nechaeo Valley and the Bulkley Calley.

Farm lands in Central British Columbia; there is no better land on the North American continent than along the Grand Trunk Pacific Ballway, the Cantral British Columbia. This land will produce as much to the acre as the best lands in long as ad Minnsoota, and prices of produce are much ligher. We have field notes of every section. Mogn of this land in 1918. This is worth investigating 36 per acre cash, balance 1, 2, 4, and 6 years, 6 per cent deferred interest.
