LANE SKIES SMILE AT FAIR'S OPENING

Agricultural Exhibits Larger and Better Than Ever Before in County.

TRACK IN FINE CONDITION

Haltamont Paces Mile in 2:12 1-2 and Breaks Local Record-Grade of Stock Shown, Declared to Be Exceptionally High.

FUGENE, Or. Sept. 28.—(Special.)— The third annual Lane County Fair opened today with weather conditions that were simply ideal. The sky was cloudless. The recent rain has left the grounds in perfect condition and the largest crowd that has ever attended the first day of a fair in Eugene flocked through the gates.

The exhibits were well filled, the

farmers of the county having shown especial interest in the fair this year as an agricultural exhibition. The grain exhibit is more than twice as large as that at any previous year. Many of the exhibitors in this department became the work of preparing

Many of the exhibitors in this department began the work of preparing their exhibits last Fall, with the result that unusually choice specimens have been shown.

Particularly noticeable in this department is the exhibit of grains and grasses shown by Felix Currin, of Cottage Grove. Almost every known variety of grain and grass is included in this collection and all were grown by Mr. Currin on his farm in Southern Lane County. Among other things, the collection includes 57 different varieties of wheat. An excellent showing of Oregon-grown Indian corn was made by A. Quaif. Specimens were shown from a field which yielded 186 bushels to the acre last year.

shown from a field which yielded 190 bushels to the acre last year.

In addition to the individual exhibits, displays were made by the Irving. Springfield, Junction City, Mohawk and Creswell Granges.

The stock barns are well filled and the grade of stock shown is exceptionally high. In this department, also, the exhibits are much larger than ever before. The track was in splendid condition, winning the unqualified praise of all the hursemen. The track record was broken by Haltamont, who paced a spectacular mile in 2:12%.

Today was Home-Coming and Springfield day. Tomerrow will be Creswell and Junction City day and special trains will be run from both towns.

At his father's place of husiness he was helpful in attending the counter and looking after baggage, but a few days before his departure was somewhat grieved because he could not accompany his younger sister to Weed, where the two children wished to visit an older sister. This, the father says, was their only disagreement, but no corporal punishment was resorted to. The boy left home on Menday and it was the following Saturday or Sunday that an unknown man brought to Mr. Ingraham's place the report that the body of the lad had been found with a note attached to it. My Corns Don't Hurt A Bit.

Tired, Ailing, Swollen, Smelly, Sweaty Feet, Corns, Callouses and Bunions, TIZ Cures Right Off

know you have a corn, bunion or callous, or sweaty, tired, awollen, aching feet any more. It's just wonderful the way the pain vanishes. Rub the cornhammer it with your flat if you wishme more pain after TIZ than if there had never been a bismish on your feet. Doesn't that sound good to you? Doesn't it? Then read this.

"The corns on either of my toes were as large as the tablets you make to cure them. Today there is no sign of corns on either foot and no screness. It's no up-to-date Godsend."—Sam, A. Houver, Progress, N. C.

Just use TIZ. It's not like anything else for the purpose you ever heard of. It's the only foot remedy ever made which acts on the principle of drawing out all the poisonous exudations which cause sore feet. Powders and other remedies merely clog up the pores. TIZ cleans them out and keeps them clean. It works right off. You will feel better the very first time it's used. Use it a week and you can forget you ever had sore feet. There is nothing on earth that can compare with it. TIZ is for sale at all druggists. 25 and 50 cents per box, or direct, if you wish, from Walter Luther Dodge & Co., Chicago, III.

STANFIELD SCHOOL LATE

Enrollment Smaller Due to Slow Construction of Building.

STANFIELD, Or. Sept. 20.—(Special.)—The public schools of Stanfield opened Monday morning with a total enrollment of 76. This is a decrease over the enrollment for last year, but it is expected that a good many more pupils will report in the course of the next few weeks. One reason for the small showing this year is thought to be the condition of the new Reeves schoolhouse. When the contract was let in June, it was premised that the building would be ready for occupancy at the beginning of the school year, but at present it is far from ready. Frank D. Carruth, an educator from Pendleton has been chosen as principal, and will have charge of the High School work. He will be assisted by Miss Minnie Baker, who was in charge last year; Miss Iona Applegate, of Drain, who also taught here last year, and Miss Anastasi Chesnick, of Hermiston.
