BOULEVARD TO BE IMPROVED NEXT YEAR

The Gregory Heights Improvement Association and the Rose City Park Improvement League have agreed to work together for the improvement of Sandy boulevard in 1912. This movement includes paving of the street to the city limits as formulated by the Gregory Heights Association. This club circulated petitions demanding that the streetcar company delay its track by the first of the year to 1912, and the Rose City Park Improvement League to have tracks made double and the improvement completed in 1912. It would have been impossible to lay the tracks by January 1, 1912, as the company has not the rails. It will cost the company more than \$100,000 to lay double tracks to the city limits.

OVERSEAS BAND TRACK APPROVED

The tentative plan of the O. W. R. & N. Co. to build a viaduct for the track over the Sandy boulevard at the general crossing at East Thirty-seventh street is said to have the general approval of property owners and residents. This plan was proposed by the railroad company as a solution of the problem. Objections have been made to the construction of a viaduct by which Sandy boulevard would be damaged over the railroad as it would damage the adjacent property, but the plan to carry the railroad above the Sandy boulevard has met with little objection. At present the rails are required to come to a stop at this crossing. It is announced that the engineers of the railroad company are working on plans for the proposed elevated track.

ROSE CITY PARK TO DISCUSS CLUBHOUSE

In the Rose City Park Presbyterian Church a mass meeting is held next Wednesday night by the Rose City Park Improvement League to discuss construction of a clubhouse. The Rose City Club was organized and incorporated with \$10,000 capital stock and grounds have been obtained on Sandy boulevard and East Fifty-seventh street. It is proposed to issue bonds and mortgages to pay for the site and construct a clubhouse. At Wednesday's meeting construction of the building will be the principal topic. Plans for the building will be placed on exhibition.

HOLGATE SEWER RECONSTRUCTORS WIN

Exc-Mayor Lane yesterday morning took his position in favor of the extension of the Holgate sewer, inasmuch as a recommendation from the sewer committee of the Council goes. The subject was referred to City Engineer Hurlburt and City Attorney Grant, as there is a question of engineering and of law involved. The reconstructors maintain that they are anxious for something for which other should pay.

NEW YEAR CELEBRATED

ROSH HASHANAH SERVICES IN SYNAGOGUES TODAY

Prayer this morning to continue from 8:45 until 9 o'clock. Ran's Horn to sound.

Sabbath services will be held in all the Portland synagogues this morning in commemoration of Rosh Hashanah, or Jewish new year, one of the most sacred feast days in the Jewish calendar. The holy day began at sundown yesterday when services were held in all the Portland synagogues. The services this morning, which are even more impressive, consist of two prayers, known as the morning prayer and the additional prayer. The first service will begin at 8:45 o'clock and will continue until 9 o'clock. The second part of the service will consist largely of prayers with choral accompaniment and the reading of the scrolls. A feature of this service is the blowing of the ram's horn, called shofar, which is ordained by the scriptures.

As the holiday this year falls on Saturday, the special services will be held at the same hours as the morning prayer, but the congregations will be deferred until tomorrow. This is one of the two occasions in the year when the members of all the congregations in the Portland synagogues will be as follows:

Temple Beth Israel: Rabbi Jacob H. Wise officiating; services will be held at 8:45 o'clock; Dr. Wise will lecture on the significance of Rosh Hashanah. Mrs. Rosa Bloch-Bauer has presented a special musical programme, and has augmented the regular quartet, consisting of Mrs. Rosa Bloch-Bauer, soprano and director; Mrs. M. Marx, contralto; William Hoyer, tenor, and Don J. Zan, baritone; by adding Mr. Eichenlaub, violinist; Charles Duncan Raff, cellist, and Philip Feis, cornet.

There will be solo and trio numbers, and Mrs. Bauer will sing "A Prayer," by N. A. Mascheroni. Mr. Courson will preside at the organ.

A special program has also been arranged for atonement services, in which Mr. Zan will take a prominent part in the chanting. Mr. Raff will play the cello solo "Kol Nidrei."

Abnath Sholem Synagogue: Rev. R. Abrahamson officiating; services will be held this morning at 7 o'clock; and evening at 7 o'clock; Sunday morning at 7 o'clock; Sunday evening at 7 o'clock. At tomorrow morning's services at 10 o'clock, Rabbi Jacob H. Wise will deliver a sermon on the "Union of Israel."

Neveh Zedeck Talmud Torah Synagogue: Rev. H. N. Helleo officiating; services this morning at 7 o'clock; this evening at 7:30 o'clock and Sunday morning at 7 o'clock.

First Street Synagogue: Rev. Pitkin officiating; services will be held at the same hours as at the Neveh Zedeck Talmud Torah Synagogue.

Tifereth Israel Synagogue, (East Eighteenth street between Alby and Franklin streets, Alberta); services will be held at Rah Synagogue; Rev. Schochet officiating.
