PUBLIC MARKET CONFERENCE PLANNET PUBLIC MARREY CONFERENCE PLANKED.

—A general conference on the proposal to establish a public market on the East Side will be called in October, in the rooms of the East Side Business Men's Club, as soon as delegates from the Gresham Commercial Club, Pomona District Grange and from local sub-ordinate Granges have been appointed. The Gresham Commercial Club is expected to appoint ordered to appoint ordered and Pomona Grange, which will meet today with Columbia Grange, near today with Columbia Grange, near Corbetts, will consider the subject and may appoint delegates to attend the conference. The commercial clubs of mandy and Estacada will also be maked to send delegates, as those communites are interested in the establishment of a public market on the East Side. The enterprise will be financed through a joint-stock company and a block on a railway will be bought. Gresham Commercial Club officials fayor the movement. It is hoped to hold the conference about October 15.

Ewing Everyal, High.—The funeral

Ewing Funghal Held.—The funeral of the late William Ewing, who died September 24, was held resterday. The services were conducted by Rev. R. M. Jones at the grave in Greenwood. Cemetery. The pallbearers were: J. A. Fiche, D. Barclay, R. B. Wilmot, H. Randall, Charles Dickinson and M. Oberle, Mr. Ewing was born in Glasgow, Scotland, and came to America in 1865. The following year he came to Oregon. He lived for several years in Salem, and after a short residence in Alto Park moved to Corvallis. He was married in 1872 to Helen M. Stephenson. He is survived by his widow and the following children: Mra. Thomas Pemercy, of Blair, Nev. A. R. Ewing and F. C. Ewing, of Salem; W. S. Ewing, of Lebanon: Mra. Georgia Ewing, of Corvallis, and Miss Georgia Ewing, of Corvallis, and Miss Annie C. Ewing, of Chicago.

Rotary Club Gumer of Proxe First.

—Members of the Rotary Club were guests of C. H. Moore, district commercial superintendent of the Pacific Telephone & Telegraph Company, yeaterday on a tour of inspection through the exchange building of the company, on Aider street, where the system of transmission was explained to them. Preseding the visit Mr. Moore reviewed the history of the Portland exchange and said that nothing could better itsustrate the growth of the city than the steady increase in the number of subscribers, from 10,000 in 1905 to 25.

100 in 1911. The capacity, he said, would be further increased in the near future. C. C. Chapman spoke on publicity. The meeting was held at Richards Restaurant.

FLANK TO UNITE PROPOSED.—The special committees appointed by Mayor Rushlight to confer with members of the two charter commissions, and if possible to induce them to unite, was called to order yesterday by George L. Haker, the chairman. The work of the commissions was discussed at length, and the secretary of the committee authorized to send each commission a letter, asking that they appoint committees to confer with the special committees to confer with the special committee at 3 P. M. October 10. The committee plane to report to the City Countrilles plane to report to the City Countrilles and the special committee plane to report to the City Countrilles and the special committee plane to report to the City Countrilles and the special committee plane to report to the City Countrilles and the special committee plane to report to the City Countrilles and the special committee and the special committees are special committees as a special committee and the special committees are special committees as a special committee and the special committees are special committees as a special committee and the special committees are special committees and the special committees are special committees as a special committee and the special committees as a special committee and the special committees are special committees as a special committee and the special committees are special committees as a special committee and the special committees are special committees as a special committee and the special committees are special committees. The special committees are special committees as a special committee and the special committees are special committees. Not a serving to be moved to new ators, so the savings are really astounding.

Aus and Unit Only Minimum Control Minimum militee plans to report to the City Coun-militee plans to report to the City Coun-cil the Wednesday following the meet-ing. The members of the committee, besides Chairman Baker, are: J. J. Jen-nings, Allan R. Joy, William Schmeer and John Montes and John Montag.

E. F. Rilley and BROTHER ON TOUR. absent on a month's four of the East and Middle West. Accompanied by his brother, Dr. C. M. Riley, an em-nent chemist and lecturer of St. Louis, ment chemist and lecturer of St. Louis, Mo., he is re-visiting the scenes of his beyhood in Ohio and attending a reminer of the branches of the well-known Potter family of which he is a member. Before returning, Mr. Riley will spend a week with old friends in Clarke County, Iowa, where for 30 years prior to his arrival in Oregon he was a leading figure, as pioneer banker and attorney, in the upbuilding of that section.

Henry R. Talbott rector of St. David's Episcopal Church, and chairman of the Vice Commission appointed by Mayor Rushlight, was in conference with the Mayor yeaterday. He has decided to call a meeting of the Commission to-night to organize. Meetings will be held each Wednesday night thereafter, at the City Hall. All the members of the Commission appointed by the Mayor have accepted, with the exception of Mrs. A. E. Rockey, who has informed the Mayor she cannot devote the necessary time to it.

New Mount Scott Bank Assumed.

For the establishment of the new Mount Scott State Bank subscriptions to the stock amount to \$27,000, including \$10,000 taken by W. H. Beard, the banker who is premoting the bank. F. J. Helliwell, who is interested in the enterprise, said yesterday that the outlook for the success of the movement is excellent, that \$10,000 more from the community will make it a certainty, and that this will probably be obtained in a short time. It is desired to sell stock worth \$20,000 in the community. The new bank will be a state bank empitalized at \$50,000.

Bork Grasse Orseon Electric Hama.

Menace to hundreds of streatcar patrons and pedestrians is seen in the practice of boys who grease the track of the Oregon Electric road nightly in the neighborhood of Tonth and Salmon streets. In both directions from this point the track slopes sharply, and in an emergency the slippery condition of the track might cause a serious arcident. Agents of the railroad company have appealed to the police to put a stop to the practice.

WHY DO LARGE FIRMS PAY BY CHECK?

When you receive a remittance from any large concern, it's always in the form of a check isn't it?

And you, perhaps are paying in each because you think your account too small for a checking account.

Did you ever stop to think that you could be making more money with the time you spend running around to pay bills by eash?

Draw cheeks in payment of Uncle Sam will transmit them for a two-cent

SECRET OF CHARMING YOUTHFUL COMPLEXIONS

Most sensible advice comes from the

Most sensible advice comes from the pen of Mae Martyn, in the New York World, as follows:

'The greatest mistake which thousands of women make daily, is the practice of smearing their faces with powder in a vain attempt to improve their looks. Powder only covers up complexion illistemporarily, closs the skin pores, and eventually causes blotchy, wrinkled faces.

eventually causes blotchy, wrinkled faces.

'Those who wish to whiten and beautify their complexions and make their faces more charming and youthful looking, should try an inexpensive lotion made by dissolving 4 ounces of spurmax in either 4-pint hot water or 16-pint witch hazel, adding 2 teaspoonfuls glycerine. Where witch hazel is used, the skin dries more quickly.

'This lotion prevents blackheads, eninged pores, skin roughness and makes the skin soft, smooth and velvety. It takes off that shiny, sallow look and adds beauty that no other known beautifier will.'—Adv.
