## THE BEST PIANO ATITS PRICE- $\$ 195$

Our lowest-priced instrument is sold for $\$ 195$,
and we do not believe it would be real economy for and we do not believe it would be real economy for instruments could possibly be sold for less, we would have them. piano, it is sold on its own merits-as full value well-known policy of The Wiley B. Allen Co. in al its transactions.
Our store is a place where anyone can buy to
the best advantage, not only because we have
all grades, but because every piano we sell
gives the purchaser full value for the cost.
