SAN FRANCISCO, Sept. 28. - Dr. Grant Lyman, society man and promoter, who was arrested early in September charged with fraudulent misuse of the malls in connection with a Panama land deal, was re-arrested tonight at Lakeview, Or., following a sensa tional escape from an Oakland hospital on the night of September 32.

The arrest tonight was made by Sheriff Snyder, of Lake County, Oregon, who acted on information furnished by United States Marshai Elliott, of this city.

Arrested in company with Lyman is J. M. Thornet, a nurse in the hospital where Lyman was confined, and a third man whose name is not given in the telegram to Marshal Elliott, but who is believed to be the chauffour of the automobile in which Lyman was trying to reach the British Columbia

Escape Made on Joy Ride. When Lyman first escaped it was believed that he had drugged his guard, a deputy Sheriff named C. M. had escaped him. Marshal Elliott soon obtained evidence that Lyman was traveling northward in an automobile and several deputy Marshals were posted along the border between California and Oregon. Also the county officers along the bor-
