Department's Good First

When it was suggested to Holden that instead of passing the "reinstatement rule" all that is necessary is to increase the age limit to permit him to take another examination, and in this way be reinstated in the department, Holden demurred.

Result Bad for Service

It would be discouraging to the rank and file of those who are working for promotion, said Commissioner Armstrong. "They would find that promotion in theory is not promotion in fact, because some one who has previously held a position is put on a preferred list."

But he said almost in the same breath that he would be willing to start with a position as hoseman, if necessary, to obtain a position in the department.

BROADWAY SPAN RUSHED

Bridge Committee Inspects Work and Finds It Progressing.

Mayor Hushlight, D. Solis Cohen and John R. Coffey, of the bridge committee, visited the site of the new Broadway bridge yesterday.

The abutments on each side of the river are practically finished, setting of the steel cylinders ready to receive the steel of the bridge foundation being the only work remaining to be done.
